A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, Wilton Junction, Muscatine, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic, and Avoca, with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Ricton, Bentonsport, Centerville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Hennessey, Independence, Eldora, Conrad, Edgeville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset; Panora to Perry and Adel; Woodbine to Avoca to Harlan. This is positively the only Railroad, which owns, and operates a through line from Chicago into the States and Territories.

Through Express Passenger Trains, with Pullman Palace Cars attached, and no change of cars between Chicago and Council Bluffs, Leavenworth, Kansas City, Atchison, Des Moines, Winterset, Indianola and Missouri Valley Junction. Through cars are also run between Kansas City and Keokuk, via the Chicago, Rock Island and Pacific Short Line.

The Great Rock Island is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warrantingit), we are pleased to announce that the Company runs Pullman Palace Sleeping Cars for sleeping purposes, and Palace Dressing Cars for dressing purposes.

PULLMAN PALACE CARS are run through to PEORIA, DES MOINES, COUNCIL BLUFFS, KANSAS CITY, ATCHISON, and LEAVENWORTH.

Tickets via this famous route, known as the "Great Rock Island Route," are sold by all Ticket Agents in the United States and Canada.

EVENING NEWS.

Monday, April 5, 1880.

ST. GEORGE STAKE CONFERENCE.

The Conference convened in St. George Tabernacle and occupied two days, March 13th and 14th, 1880.

In consequence of President John D. T. McAllister being in poor health his counselors Thos. J. Jones and Henry Eyring took charge.

We were greatly blessed by the presence and administrations of Elders Wilford Woodruff and Erastus Snow of the Twelve Apostles. President Lot Smith of Arizona was also with us.

There was an excellent representation of the wards of the Stake.

Addresses were delivered by the following named speakers in the order in which they are named. President Thomas J. Jones, Bishop Wilson W. Pace, Bishop W. W. Roundy, Bishop Edward Bunker, Bishop Marius Ensign, Bishop Wm. A. Bringhurst, Bishop Robt. Knell, President Erastus Snow, Bishop C. N. Smith, Bishop Robert Gardner, President Henry Eyring, Prest. E. Snow, again, and Wilford Woodruff.

On Sunday morning President Woodruff again addressed the people, occupying most of the time. Afterwards meetings were addressed by President Lot Smith and Elder Milo Andrus, and a concluding discourse by President E. Snow.

Amongst others, the following topics were dwelt upon: Necessity of faith and works being exercised conjointly.

Influence of fallen spirits on the children of men in this probation, and means of mitigating this influence.

Duty of the Saints to obey the law of tithing and to contribute according to their ability to the fund for gathering the poor.

The encouragement of silk culture.

The duty of the priesthood to diligently labor to increase the knowledge of God among the people.

And a recital of the progress of the work of the Lord in Arizona and New Mexico.

The usual statistical and quorum reports were read, showing a highly satisfactory state of affairs in the wards and branches and particularly in the Young Men's and Young Ladies' M. I. Associations, in the Sunday schools and in the Relief Societies.

The Presiding Quorum of the Church and the other general authorities, together with the local authorities of the Stake, were presented and unanimously sustained in their respective callings by the vote of the Conference, as were also the home missionaries, and some missionaries to other parts.

As the 6th of April is near it was determined by the Conference that on that day the people hold jubilee, and that the Saints of St. George, Washington, Santa Clara and Price combine and celebrate in St. George the Semi-Centennial of the Church.

We have had a time of refreshing from the Lord. The voice of the True Shepherd was manifest in the administrations of the Elders, comfort, hope, kindly instruction were freely dispensed, the only thing to cause regret was the absence of our President, who was temporarily confined to his room by illness. Faith and the prayers of Saints were freely offered in his behalf, and we are assured he will be soon at his labors again.

JAMES G. BLEAK, Clerk of St. George Stake.

St. George, March 15th, 1880.

THE B. Y. EXAMINATION AND CONCERT.

Editors Deseret News:

Friday, April 2nd, 1880, witnessed the close of the thus far most numerously attended term of this institution.

At 9 a.m. the public examination commenced. Music furnished by the academic choir, led by the musical department teacher. As representatives of the board were present —President Smoot, Bishop L. E. Harrington, Mr. W. H. Dusenberry and Mrs. M. J. Coray.

As usual, the tables presented a fine display of class specimens, examination papers and ladies' work, which were distributed for inspection between the exercises by the managing committee.

The Principal first read his report to the Board. The general statistics for past term are as follows:

Department.	Regis.	Rem.
Normal	19	17
Academic A	51	43
" B	53	42
Intermediate A	84	67
" B	50	40
Primary A	29	27
" B	27	23
Totals	313	264

By this it will be seen that the attendance has exceeded that of any other term by 13. An extract from another chapter of the report shows a list of 70 different classes, and 333 weekly recitations. The principal, regular teachers and normal students assisting practically number in all 27 different teachers officiating daily. Statistics of Theological department showed following table: 1 seventy, 20 elders, 11 priests, 14 teachers, 51 deacons, 175 lay members; 18 not baptized; 5 under age; 18 non members; total 313. The students are tabulated according to their places of residence as follows: Provo 192, Lehi 6, Pleasant Grove 10, American Fork 7, Alpine 5, Cedar Valley 4, Springville 10, Spanish Fork 2, Payson 4, Goshen 5, Salt Lake County 9, Wasatch County 6, Tooele County 9, Juab County 12, Sanpete County 4, Millard County 9, Beaver County 6, Kane County 3, Washington County 7, Iron County 2, Idaho Territory 1; total 313.

Those students residing outside of Provo are distributed in 49 boarding places. A visiting committee of 20 has been organized, the members of which visit the boarding houses at specified times, ascertaining the situation and domestic affairs of the students.

Following the reading of the report came addresses by students in behalf of the various departments and organizations of the Academy. President Smoot, Mrs. M. J. Coray, Bishop Harrington and Mr. W. H. Dusenberry, in turn addressed the assembly, eulogizing the labors of the past term and encouraging all for the labors of future times.

Academy adjourned session until April 12, 1880.

The members of the Polysophical Society have prepared a concert, which was first presented Friday evening, April 2d, and underwent a repetition by special request Saturday evening. The proceeds of this movement are designed to benefit the musical department by procuring therefor an instrument.

JAS. E. TALMAGE, Sec. of Faculty. B. Y. A., Provo, April 4, 1880.

Battalion History.

BEAVER, U. T., March 31st, 1880.

Editors Deseret News:

I have lately learned that parties in Arizona and elsewhere have for some time been "thinking" of contributing information for the Battalion History I am writing. To all such I wish to say that the first writing is near its completion, or is fast approaching that point and has "passed its first reading" up to the court martials at San Louis Ray. It is desirable that all communications should be in before the first writing is completed. I hope all who have anything to contribute will remember one of the mottoes of the venerated Prophet Joseph Smith, that "one good deed is worth a thousand good thoughts." This is the last call.

Respectfully, DANIEL TYLER.

The San Juan Country.

LOWER SAN JUAN VALLEY, La Plata Co., Colorado, March 16th, 1880.

Editors Deseret News:

I take this opportunity of writing you a few lines, to let you know something concerning the road from Escalante to the San Juan Valley, and of the climate and surroundings. The climate of the San Juan Valley is mild, not very cold in winter nor very warm in summer. The land is very rich, and will produce all kinds of grain and vegetables, and it is thought that grapes and all kinds of fruit that can be grown in Southern Utah, can also be raised in the lower part of this valley.

On the 24th of February, 1880, I left my home at Escalante, to return to Arizona to fulfil a mission to which I was called at the last October conference. On the 29th, I arrived at Hall's Ferry on the Colorado River, 65 miles from Escalante, and crossed the river the same day. Bro. Hall has built a good ferry boat at this place, and two wagons can cross on it at one time. Twenty-five wagons of Bro. Smith's company crossed in one day. On the 1st of March, I overtook Bro. Silas Smith's company at the lakes, 30 miles from Hall's Ferry, and found the brethern in good spirits, feeling well in the principles of the Gospel. The company have done a vast amount of labor during the past winter, as the making of this road was a greater task than was anticipated.

There are about 70 families in this company, most of whom intend to settle in the San Juan Valley. I traveled with this company till they arrived at the Clay Hill, 20 miles from the Lakes. There was about eight days' work to be done on this hill before the company could move forward. After this there is no great obstacle in their way except to cut down cedars and make a few short dugways. This company will probably arrive in the lower San Juan Valley about the 10th of April. This road will be the most direct road to Southern Colorado and the northern part of New Mexico. There is plenty of feed, that is, grass of different kinds on this road. There is also plenty of water at this season of the year in tanks in the rocks. After the country has been thoroughly explored I think that a great many more springs and watering places will be found.

The distance from Escalante to Brother James Davis' ranch, on the lower San Juan Valley, is about 215 miles. I left the camp and Brother Smith's company at the Clay Hill on the 5th of March, on horseback, with one pack animal, and arrived at Brother Davis' ranch on the San Juan on the 15th, having been delayed some days on account of high water in the San Juan. I will start south on my mission in a few days.

I remain your brother in the gospel, LLEWELLYN HARRIS.
