"Speaking of our forsign trade, donnel Grant, has your failer any idea ( reciprocity as a means of tourcosing

GENERAL GRANT'S ROYHOOL. During the chai I acked him want he cought of the matter that is now long addined about General Grant. He plied that the most of it was unrelia-e. Sold her: "A great part, of the twist men who know my fatter as hoy and whic through lapse of time of memory deal in exaggreated state ents. To read those stories you would ppose that theirs a numb was very for and that they rometimes lacked a memory doe lifter This is most on; granifather was not with for these "Yes," was the reply. General Gener was in fact the real author of recordery accessibles of life. This is not so-granification was not yich for these s, but he was the richest man in his ity. It was not constant, then to hory away to school 5 till infer sent to school at Mayselle, Kanto take the movement off of cut refinity. It was not remarked men to be in come and the warder was warder to write we want to school at Maysville, Kan-raws sent to school at Maysville, Kan-ucky, where he had to pay his beard, was then in Congress, and tool him Another statement is find any father what alternard proved to be the tact,

That if the United States took, the term of a coffee Binall would add capped doine square to the encount taken of a doine square to the encount taken of any term the colles neverthales. He was any term the colles neverthales. If the average house is make the relations of a the same time increase our taken. So, thank first the taken by the additional terms of the taken by the additional terms of the taken by the same term the taken by the same terms of the taken by the taken by the same terms of the terms of the same terms of the terms of the terms of the same terms of the terms of terms of the terms of the terms of the terms of the terms of terms of terms of the terms of the terms of the terms of te
