EVENING NEWS.

Wednesday - Dec. 22, 1886

FRAGMENTS.

MARSHAL DYER went to Beaver this morning.

"THE MIGHTY DOLLAR" to-morrow evening.

SHERIFF MCBRIDE came in from Tooele last evening.

A CASE of diphtheria is reported in the family of ex-Marshal E. A. Ireland.

THE Sullivan Combination appear at the Opera House in full force this evening.

J. B. KEYSOR, the dentist, leaves for San Francisco to-day, on a business trip of two weeks.

MR. and Mrs. W. J. Florence commence their engagement at the Theatre to-morrow evening.

JUST what the harvest (of weather) will be is past finding out. It is in a very neutral condition at present.

THE stores are the centres of attraction; the proprietors have spared neither pains nor expense to make them so.

W. CAL. OWENS, held in default of $2,000 bonds on two charges of forgery, was released from prison to-day, having found sureties for his appearance in the persons of Wm. McQueen and N. H. Treweek.

ON the 1st of April next the Western Union and Deseret Telegraph offices will be removed from the building in which they are now located. A new structure will probably be erected on the premises next season.

IN his holiday display Mr. Robert Sherwood, butcher, opposite Z. C. M. I., has an immense specimen of the dressed hog species. It attracts considerable attention, as it is said to tip the beam at a quarter of a ton.

ON January 1st, 1887, Zion's Savings Bank will be removed from the present building to more commodious quarters in the Hooper & Eldredge block, and after that date the business will be conducted at No. 55 S., East Temple Street.

J. M. HAYES who was to have been tried in the Justice's Court this morning on a charge of obtaining money under false pretenses, settled the amount in dispute with the prosecuting witness, and the case was dismissed.

THE Howard Athenæum Company performed to another large and well pleased audience last evening, and left for the west to-day. They have every reason to be gratified with their Salt Lake engagement, even though the house was not crowded to its utmost capacity.

A FREE entertainment will be given in the Twentieth Ward school house to-morrow (Thursday) evening, commencing at half-past seven o'clock. We are informed that several of the best elocutionists and vocalists in the city have consented to take part in the exercises. The selections will be taken from J. H. Ward's "Ballads of Life."

THE other day Marshal Solomon and Mr. Winegar were rowing a boat down Jordan River, several miles northwest of the city. Mr. Winegar pushed an oar into the mud, and feeling something hard, dug it up out of curiosity. He was somewhat surprised on finding that it was a human skull. Search was made to see whether there were any other bones near by, but none could be found.

LOCAL NEWS.

Coming West.—J. R. Benell writes from Central Academy, Panola County, Miss., to give information to the Elders and friends that have visited that branch, that he has sold his place and will come west in February next.

School Closed.—This morning, by direction of the City Council, Dr. Clinton, quarantine physician, had the Twelfth District school closed until after the holidays. The reason for this action is that a case of diphtheria exists in Mr. E. A. Ireland's family, a few rods distant from the school house, and the precaution was considered necessary to prevent the spread of the contagion.

Fine Meats.—The meat department of the General Tithing Store presents an appearance which it would be hard to beat anywhere, not only as to quality and quantity, but excellence of artistic taste as well. Among the features are two dressed hogs, fourteen months old, raised in the yards adjacent, the combined weight of which is 925 pounds. There are great rows of mutton, huge stacks of pork, and plenty of the finest beef. The display is worth seeing.

The Florences.—To-morrow evening the celebrated American couple Mr. and Mrs. Florence, will begin an engagement of three nights and a matinee at the Salt Lake Theatre, commencing with "The Mighty Dollar." For the Christmas matinee "The Flirt" will be given. There are few living American actors who are so widely known and need so little advertisement as the Florences. Not only in the "Mighty Dollar" have they made their great success, but their originality in all their plays have won for them the name of America's greatest comedians. The sale of seats commenced to-day.

Pretty Cards.—Z. C. M. I. has just issued some very pretty calendars for 1887, samples of which have reached the NEWS. One is a splendidly executed chromatic picture, 18x24, entitled "Jack's Farewell;" it represents a sailor taking leave of his sweetheart, with the vasty deep in the perspective—the countenance of the tar as he gazes fondly into the averted face of the girl being, like her's, very expressive and the whole subject lifelike and interesting; the card is 22x30, with a brass ferule top and bottom, the calendar for the year appearing under the picture. Two other designs are smaller but not less beautiful, and all are worthy a place in any office or residence.

Commendable Enterprise.—Bro. Isaac Haynes, of Logan, is down from the north. His principal business is to ascertain the sizes of and other particulars connected with packing boxes of every species used by our merchants. The object of this information is to establish the manufacture of these articles on a large scale. This is what Lunberg & Garff, of Logan, with which firm Brother Haynes is connected, purpose doing. At present most of the packing boxes used in Utah come from the West, from which direction they are brought in large quantities every season. The Logan firm named can place the articles on this market cheaper than the Californian manufacturers can afford to do it.

CITY COUNCIL.

The City Council met in regular session Tuesday evening, Mayor Armstrong presiding.

Charles B. Taylor stated that in 1873 he purchased from James Cushing a certain lot, which, owing to the deed having been mislaid, had reverted to the city. He therefore petitioned for a new deed. Referred to the committee on public grounds.

One brewer's license and three retail liquor dealers' licenses were granted.

The supervisor of streets reported that the expenditures in his department for the quarter ending Nov. 30, were $4,691.60, being $328 in excess of the appropriations. The report was referred to the committee on streets and alleys.

The chief engineer of the Fire Department reported that the three horses and two hose carts, etc., had been purchased and alterations made in the Fire Department, in accordance with instructions of the Council. The report stated that during the quarter nine fires had occurred, resulting in a loss of $20,410, on which there was insurance to the amount of $10,000. The report was referred to the committee on fire department.

The report of M. Shelmerdine, poundkeeper, was received and approved.

The committee on police reported that they had examined the reports of the city marshal and police justice, and found them correct. Report adopted.

The committee to whom had been referred the petition of George Busby, who claimed that his property had been injured by water overflowing, owing to defective work done by the watermaster, reported that they had carefully investigated Mr. Busby's claim, and found that the damages were largely imaginative, and that no damage had been caused through defective work on the part of the watermaster. They recommended that the claim be not allowed. Report adopted.

The committee on the Jordan and Salt Lake City Canal reported that the claim of J. T. R. Hicks for $20 damages had been satisfactorily settled. Report adopted.

The report of the committee on cemetery, who had been instructed to revise the ordinance in regard to the cemetery, defining the duties of the sexton, reported a new ordinance, and recommended that it be read and printed in open lines. Report adopted.

The special committee who had examined the city charter to ascertain if it granted power to establish a board of health, reported that such power was not granted. Report adopted.

The city attorney made a verbal report on various questions which had been referred to him. Report received.

The city attorney also reported an ordinance regulating the trimming of shade trees.

Councilor Cannon stated that the canal was overflowing in the southwestern part of the city, owing to a dam having been placed there. He moved that whoever had made the dam be ordered to remove it. Referred to the watermaster.

Five hundred dollars was appropriated for the use of the marshal, and $1,000 for the use of the supervisor.

The Council spent a short time in consideration of the revised ordinances, and adjourned for one week.

The "Historical Record."—With the December number volume V of this useful periodical is brought to a close. The biographical department of the current number includes, under the heading of "The Twelve Apostles," sketches of the lives of George A. Smith, Wilford Woodruff, Willard Richards and Lyman Wight. Under the caption "Hiram," is given the Prophet Joseph's description of the mobbing, at that town on March 25th, 1832, of himself and Sidney Rigdon. "Miscellaneous" includes short histories of those who have occupied positions of importance connected with the development of Utah.

The next volume will commence in January, and will consist of 336 pages of reading matter. Among its special features will be sketches of the lives of the Twelve Apostles, a complete geographical encyclopædia of Utah (with descriptive and historical articles on every place of interest), biographies of distinguished men and women (illustrated), an account of the introduction of the Gospel into Scotland, etc. As a work of reference to students of Church history, the *Record* is of great value. The subscription price is only $1.25 per annum.

Court Notes.—Proceedings in the Third District Court to-day:

Henry Cobu et al. vs. Hyrum Smith; court finds for plaintiff for $36.25; defendant allowed till February 15th to file notice on appeal.

The People vs. A. J. Peacock; two cases; motion to retax costs overruled.

Samuel Levy vs. Salt Lake City; motion to retax costs argued and submitted.

John A. Groesbeck, vs. George A. Mecars; motion to amend complaint allowed.

The United States vs. Francis Armstrong et al; two cases; motion of defendant for new trial overruled.

Wm. Hurd et al. vs. L. G. Hardy; dismissed on motion of plaintiffs.

C. W. Symons vs. T. P. Egan et al.; default and judgment.

Salt Lake City vs. Peter Tomney; motion for new trial overruled; sentence fixed for 2 p.m. to-morrow.

Salt Lake City vs. Louis Ordner et al.; motion to retax costs; argued and submitted.

The Fourth Ward Concert.—The Concert in the Fourth Ward New Meeting House, last evening was, in every way, a success. The hall was crowded, and the audience were so enthusiastic over the performance that the programme was nearly doubled by the encores. The proceeds will principally be devoted to furnishing the new meeting house. The building is a monument to the enterprise and energy of the Ward.

The building 28 by 50 feet, inside measurement, and is 18 feet from floor to ceiling. It is built of brick, and of neat design. Besides the main hall there is a vestibule. The plasterwork of the interior is a conspicuous feature, being strikingly artistic, and was done by Lewis & Taylor. The walls and ceiling are joined by a heavy cornice. The ceiling is thrown into three panels, with centerpieces in each, while the stand is surmounted by a handsome arch, set into the wall.

The structure was erected by donations, and much credit is due to the building committee. They are: Bishop Harrison Sperry, John C. Cutler, Robert R. Irvine, John Bailey and John Haigh.

The Suit for Bonds.—This afternoon a motion for new trial in the case of the United States vs. Francis Armstrong and H. S. Eldredge, in two cases of suit for bonds of $10,000 each in the George Q. Cannon case, was made by the attorneys for the defendants. The ground for the motion was that the bonds had not been filed in court before the forfeiture had been declared. Mr. Dickson admitted that the bonds had not been filed until after the forfeiture, but claimed that fact was immaterial. The Court took the same view, and overruled the motion. An appeal will be taken.

Dinwoodey's Bargains.—The large new advertisement of H. Dinwoodey in another column tells its own story, and but little additional needs to be said. The always large and splendidly selected stock of plain and ornamental furniture of every name, style and degree at this house has been largely augmented of late, and, as much of it must be closed out before the holidays are over, bargains such as never obtained before are now to be had there. Call and see.

To offset this increase, three consulates were dispensed with. The total appropriation made by the bill is now $1,000 in excess of the appropriation made in the original bill.

THE DIPLOMATIC SERVICE.

An elaborate report will be presented to the House with a bill explanatory of the reasons that influenced the committee in preparing a bill exceeding by $335,000 the appropriation made for the diplomatic and consular service during the current year.

SEC'Y. LAMAR.

Secy. Lamar left last night for his stock farm near Roxford, Miss., where he expects to remain until after the holidays.

Pardoned by the President.

ST. LOUIS, Dec. 22.—Obed E Owens, receiving teller of the Third National Bank of this city, who embezzled about $200,000 of the funds of the bank, and who has been serving out a sentence in the Chester (Illinois) penitentiary for that crime, was pardoned yesterday by the President. Owens has served one half of the term of five years to which he was sentenced. The President pardoned him on account of statements in several petitions sent from this city and Louisville. In granting the pardon, he said he thought the prisoner had already suffered sufficient penalty.

FOREIGN.

Fasted 21 Days.

LONDON, Dec. 22. — Jacques, the English faster, partook of food yesterday evening, after an abstinence of 21 days. His experiment to fast until he collapsed, had to be abandoned, owing to pecuniary difficulties. But few people gathered to witness his attempt. This morning he walked ten miles before breakfast and then resumed work in the silk factory, where he was employed before beginning his fast.

The Anti-Renters.

DUBLIN, Dec. 22—The anti-rent agitation in Ulster is spreading daily and many tenants are joining the movement for lower rents. To-day the tenants on two large estates made a demand for 25 per cent reduction.

De Lesseps.

PARIS, Dec. 22.—It is stated that De Lesseps attended a banquent last evening and in the course of a speech stated that 137,500,000 francs were still needed to complete the Panama canal.

"Holiday Presents."—Under this caption Mr. E. W. Tullidge announces in our advertising columns to-day that residents of Salt Lake can make no better present to their friends than a copy of his illustrated "History of Salt Lake City." The volume is well bound in two styles, and is a handsome work.

Died at Logan.—A telegram from Logan, Cache County, brings the sad intelligence of the death at that place this morning, of J. H. Brown, Jr., the sculptor, familiarly known as "Harry" Brown. He was a talented and estimable young man, and was highly respected. The cause of death was typhoid-pneumonia. The deceased was thirty years of age in June last, and leaves a wife and six children, the youngest only a week old.

Funeral of Mother Maria Thompson.—The funeral service over the remains of Sister Maria S. R. Thompson, were held to-day, at the residence of her son-in-law, Elder Joseph M. Watson, in the Seventeenth Ward. A large number of relatives and friends of the family assembled on the occasion. Bishop John Tingey offered the opening prayer. Elder John Hare, who had been acquainted with the deceased since 1850, was the first speaker. He passed a high encomium upon her character, she having exhibited during her life the nobler traits of true womanhood, and been a faithful and consistent Latter-day Saint. The closing remarks, which were also appropriate to the occasion, were made by Elder J. Nicholson. The closing prayer was offered by Elder A. W. Carlson. The musical portion of the exercises was rendered by a party of excellent choristers under the leadership of Elder E. Beesley.

TERRITORIAL ITEMS.

CULLED FROM LATEST EXCHANGES.

—A box containing 1,950 pounds of splendid plate glass for the new Court House at Helena, Montana, was, when opened two days ago, found smashed into smithereens. Loss about $800, to be borne by the shippers.

—After twelve years' litigation over a little alley in Helena, Montana, the Supreme Court of the United States decided the title to be where the first territorial court did. The case was Parchen vs. Ashby.

—The assessment of Choteau County, Montana, will foot up a little more than $3,500,000, an increase over the assessment of last year. Considering the large reduction in the valuation of stock of all kinds, this is certainly a good showing.

—Said a Montana paper recently: "What a Canadian has to be thankful fo between September and the following June the Lord only knows." The Toronto *World* indignantly replies: "Immunity from cyclones, anarchial uprisings, January floods, April droughts, a corrupt judiciary, shotgun terrorism, and such ought to awaken some feeling of gratitude in the Canadian breast. To put it in a few words, the Canadian has to be thankful all the year round that he does not live in a country too mean to buy coal oil for a lantern borrowed from France."

—Last Saturday night Mr. John Malloy, sought lodgings at the Humboldt House, Cheyenne, and was assigned a room. About midnight he was awakened by the noise made by a person running down the stairs. Thinking little of the matter he, he was settling himself for sleep again, when it occurred to him to see what time of night it was. For this purpose he thrust his hand under his pillow for his watch which on retiring he had left in his vest pocket, placing both his vest and his pants udder his head. He could find neither watch nor clothes. Thoroughly aroused now, he sprang from his bed and, striking a light, he found the missing clothing, but both money and watch were gone.
