custom, upon the guests who arrived rescued by some small boys. at the hotel, and who, according to the present time schedule of the trains, reached the hotel from the station at about twenty minutes to nine p.m. After tollet and supper, 10 o'clock, the hour for closing the billiard saloon had arrived, and the proprietors were therefore deprived Go and see "Rosedale" to-morrow of the best part of their custom. Hence, the hour for closing was un-Priesthood meeting to-morrow at reasonable and worked an injustice, The City Charter, under which the ordinance was framed gave the City the privilege of doing several inconsistencies. One of these was the prohibition of billiard play-The High Council meets to-night ing. This, however, the City had not done, but had chosen rather to license billiards for the sake of the revenue. Having done this, and

the license of their patronage. Mr. Miner, in reply, denied that the best part of the custom of Bechtol & Sands was from the guests who arrived at the hotel from the trains. But it made no difference where this custom came from, the city had the right to exercise the rights conferred by its charter, and those taking out licenses did so subject to all the regulations the City might consider wise and expedient to make. A license was not a contract, and the City was not therefore bound as it would be if such were the case. Zina D. Young returned last evening He challenged the opposite side to prove that a license was a contract. Under such a principle, the City expected to furnish two deacons to could never have the authority to attend to the doors during the com- amend its ordinances. He also cited various authorities to show that 10 Judge Emerson said he would not
