PATENTS
obtained for new inventions, or for improvements on old ones, for models of other compounds, trade-marks and labels. Caveats, Assignments, Interferences, Appeals, Suits for Infringements, and all cases arising under the Patent Laws, promptly attended to—in cases that have been rejected in the Patent Office.
REJECTED Cases, for any cause, carefully examined, and where our opinion is favorable, we will prosecute them to successful issue. Being experts in Patent Department business, and engaged in Patent business exclusively, we can make closer searches, and secure Patents more promptly, and with broader claims, than those who are at a remote from Washington.
INVENTORS need not employ agents to procure their patents, as we will attend to the business for the same fees as they charge. Send us a model or sketch and description of your invention for advice; we make no charge for it. All correspondence strictly confidential. Prices low, and NO CHARGE UNLESS PATENT IS SECURED.
We refer to Washington, to Hon. Postmaster General D. M. Key, Hon. P. B. Fouger, The German-American National Bank, to officials in the U. S. Patent office, and to Senators and Representatives in Congress; and especially to our clients in every state in the Union and in Canada. Address

SAVE YOUR HAIR | TO LEARN HOW TO DO IT READ AND HEED WHAT FOLLOWS.

SAVE YOUR HAIR.—The laws of Health and Longevity demand it, the customs of social life require it. The matter is of great importance in every way.

BEAUTIFY YOUR HAIR.—It is the surpassing crown of glory, and for the loss of it there is no compensation.

CULTIVATE YOUR HAIR.—For by no other means can it be saved and beautified.

LYON'S
KATHAIRON,
Discovered thirty-five years ago by Prof. Lyon, of Yale, is the most perfect preparation in the world for preserving and beautifying the hair.
Besides being the best hair dressing ever produced, Lyon's Kathairon will positively prevent grayness, and will restore new hair to bald heads, if the roots and follicles are not destroyed.
It actually performs these seeming miracles, of which the following is
A FAIR SPECIMEN
I had been entirely bald for several years, constitutional, I suppose. I used a few bottles of Kathairon, and, to my great surprise, I have a thick growth of young hair.
COL. JOHN L. DORRANCE, U. S. A.
In every important respect the Kathairon is absolutely incomparable. It is unequaled.
1. To Cure Baldness.
2. To Restore Gray Hair.
3. To Remove Dandruff.
4. To Dress and Beautify the Hair.
BEAR IN MIND.—The Kathairon is no sticky paste of sulphur and sugar-of-lead, to paint and daub the hair and paralyze the brain. It is a pure and limpid vegetable lotion, intended to restore the hair by natural growth and reinvigoration. It is splendidly perfumed, and the most delightful toilet dressing known. No lady's or gentleman's toilet outfit is complete without Lyon's Kathairon.

The Brooklyn Decision.

NEW YORK, 11.—Judge Barrett has refused a mandamus to compel the comptroller to pay another $1,000,000 of the city's money towards the completion of the Brooklyn Bridge, on the ground that the $8,000,000 voted by Brooklyn and New York has been already paid.

Gerester, the Prima Donna.

M. De Ettoka Gerester, the prima donna, made her first appearance in this country to-night at the Academy of Music, in the opera of "Somnambula," and achieved an unequivocal success. There were traces of her recent illness, which had so long deferred her debut, but her voice was in excellent condition. At various points in the opera she elicited most enthusiastic demonstrations of applause, and her performance fully confirmed the reputation she brings as an artist of European fame.

The Celebrated Violinist.

The Hungarian violinist, Edourd Reminyi, appeared, for the first time, in Steinway Hall, this evening, before an immense and critical audience. His brilliant and strong playing was genuinely applauded and he himself called before the curtain half a dozen times. He performed Mendelssohn's concerto transcriptions from Chopin, and Hungarian melodies composed by himself, which were remarkable for their fire and spirit. Reminyi was accompanied by a full orchestra, under the conductorship of M. G. Carlberg, and also had the assistance of Mde. Julia Rive King, pianiste, Miss Helen Ames, soprano, and Mr. Courtney, tenor.

U. S. Supreme Court.

WASHINGTON, 11.—The supreme court has decided in favor of the village of Hyde Park, near Chicago, in the case between that corporation and the fertilizing establishments known in Chicago as the "Stink Factories." The case was created by the village authorities who arrested the drivers of the company for carting unsavory refuse through the village.

Land Decision.

The following decision was rendered: Daniel Palmer, plaintiff, in error, against Joseph W. Low, *et al.*, in error to the Circuit Court of the United States for the district of California. This was an action of ejectment by Palmer, plaintiff in error, to recover possession of a part of the public lands of San Francisco, held by the defendants and their grantees by virtue of Mexican titles. The judgment of the lower court is affirmed with costs.

Honest Money League.

CHICAGO, 11.—The honest money league, an organization which was a most potent factor in the recent victory for republicanism and hard money, has issued a stirring address, setting forth that the fiat money prospect has been put beyond the power of harm, for at least two years, but is already plotting new schemes for attacking credit and business, and that a dissemination of correct information regarding the questions of public policy is now more than ever needed. It therefore asks encouragement from friends of honest money all over the Union.

The Republican Party.

The *Tribune's* Washington special says: Ex-Senator Chandler had an interview with the President today, and insisted on a thorough organization for the campaign of 1880. He believed the republican party was stronger than ever. The recent elections convinced the administration of the general inefficiency of the federal officers in the south. The instructions of the department of justice had been disobeyed and the laws not faithfully executed. In view of this fact, there will be radical changes in the federal officers of the south and the names of men in entire harmony with the republican party, who are courageous, will be sent to the Senate. The best of feeling prevails among republicans here, and it is stated that steps are taken to reconcile Conkling and other prominent republicans who have been disaffected towards the administration.

McVicker's Generous Creditors.

J. H. McVicker, the veteran manager of McVicker's Theatre, and father of dramatic enterprises throughout the country, received his discharge in bankruptcy to-day. His liability on the bond of David A. Gage, the defaulting ex-city treasurer, which was the principal cause of his misfortune, is thus, by the generous action of his creditors, entirely disposed of.

The Opera Combination.

The Kellogg, Cary, Strakosch combination appeared, to-night, at McVicker's in Verdi's "Masked Ball," and despite the bad weather the large house was very nearly crowded. The company was received enthusiastically. Madamoiselle Litta, whose double contract with Strakosch and with a Cleveland gentleman has caused considerable newspaper discussion, and had entailed some legal proceedings, did not appear, but it is stated she will arrange matters so that she may legally sing in next Saturday's performance.

The Yellow Fever Fund—Amount on Hand.

MEMPHIS, Tenn., 11.—The following telegram was received this morning:

SAN FRANCISCO, Cala.,
Nov. 10, 1878.

To A. H. Longstaff, President of the Howard Association, Memphis, Tenn.

The *Chronicle* of this city states that you have $300,000 remaining for distribution, and loud complaints are made that undeserving parties are receiving help, which belongs to the poor and deserving alone. Knowing that this must be an error, I think that a disclaimer will set the matter right.

(Signed,) JAS. C. PATRICK.
Chairman Citizens' Committee.

To which the following reply was sent:

MEMPHIS, Tennessee,
Nov. 11, 1878.

To James C. Patrick, San Francisco.

In answer to telegrams I can state that we have less than $10,000 on hand, barely sufficient to pay outstanding liabilities. Undeserving parties have not received help from us, unless fraud was practiced by them. In bestowing our charities we looked only to the necessities of applicants, using our best judgments in distributing, and making no distinction between white and colored.

(Signed) A. D. LONGSTAFF.

Rejecting Returns.

JACKSONVILLE, Fla., 11.—Official and unofficial returns give Bisbee, rep., 232 majority. To day is the legal day for closing the canvass in the several counties. Bisbee, rep., candidate for congress, telegraphs as follows from Alachua county: The board here are arbitrarily rejecting good returns. Have a United States marshal come to-morrow without fail.

Murder and Suicide.

BINGHAMTON, N. Y., 11.—A terrible tragedy occurred at West Chenango on Sunday noon. Three brothers, James, David and John Taber, living together, having quarrelled about the division of property, David knocked James down, stabbing him with a pitchfork fifteen or twenty times. He then blew his own brains out with a shotgun.

A Defaulter Sentenced.

CANTON, 11.—Judge Meyer, of the common pleas court, to-day, sentenced George Fessler, defaulting treasurer of Stark county, to twelve years in the penitentiary at hard labor, and to pay a fine of $60,000 and costs of prosecution.

Imprisonment for Disrespect.

OSHKOSH, Wis., 11.—News is received here that Adam Haber, a German farmer of this section, who lately visited the Fatherland, has been sentenced to five years' imprisonment for speaking disrespectfully of the Emperor William. The attention of Secretary Evorts will be called to the case, as Haber is a naturalized American.

WESTERN.

The Vote.

SAN FRANCISCO, 11.—Prescott, Arizona dispatch: Following is the vote cast for delegate to Congress as far as counted: Davis, 1,176; Campbell, 1,295; Stevens, 1,161; Woolsey, 870. The precincts to hear from will probably elect Campbell, independent democrat.

A Chapter of Murders.

Last night, Harry, a son of Col. Younger, of San Jose, aged 15, was shot by Elton Moody, about the same age, and died this evening. The trouble arose from Younger ordering Moody off his father's premises, where Meody was hunting.

This afternoon, J. O. Glenn and Walupi Astoriago shot and killed each other at Tehachapi.

Mr. Evile, music teacher, of Ione City, suicided by cutting his throat.

Joseph Kerr, a teamster, was shot and killed at Cherry Creek, Nevada; and W. W. Meldrum, assistant foreman of the *Chronicle*, of this city, shot himself in the composing room, with probably fatal effect.

J. Caserava, proprietor of a coffee house in San Diego, was murdered in cold blood by a Mexican last night. The murderer escaped across the border.

FOREIGN.

GREAT BRITAIN.

Rowing Match.

LONDON, 11.—A rowing match between Lumsden and Hawdon, for £200 took place yesterday on the Tyne. The course was from Mansion House to Scotswood. Hawdon won easily.

The Bursted Bank.

A movement is on foot to induce the depositors of the City of Glasgow Bank to accept the composition of 15 shillings on the pound, so as to relieve the shareholders.

FRANCE.

Hopeful Sign of Peace.

PARIS, 11.—The Czar has personally written in reply to Minister Waddington's recent circular declaring his firm intention to adhere to the treaty of Berlin. This is considered a very hopeful sign of peace, and also an indication of the declining influence of Prince Gortschakoff.

AUSTRIA.

Russia and Turkey.

VIENNA, 11.—The Russians would, as a compromise, accept, instead of a treaty recognizing the validity of the unabrogated portions of the San Stefano treaty, a simple declaration from the Sulian to that effect. The Turks, however, appear obstinate.

RUSSIA.

Beaconsfield's Speech.

ST. PETERSBURG, 11.—The *Golos* considers Lord Beaconsfield's speech pacific. Though it shows the basis of his policy is still enmity to Russia.

TURKEY.

Constitution for Eastern Roumelia—The Greek Note.

CONSTANTINOPLE, 11.—Midhat Pasha has been appointed governor general of Syria.

The Porte has handed the Eastern Roumelia commissioners a draft of a constitution for Eastern Roumelia. It embraces provisions for a partly elective council general and a popular election for certain local officers.

The council of ministers has again discussed the Greek note asking the appointment of delegates to settle the frontier question. It is asserted that a decision favorable to an arrangement was reached and submitted to the Sultan for his sanction.

HUNGARY.

Supplementary Credit.

PESTH, 11.—The demand for supplementary credit to meet the expenses of the occupation of the Turkish provinces, said to amount to 40,000,000 florins, has been presented to the delegation.

SPAIN.

A Crisis Expected.

MADRID, 11.—Several journals state that Premier Canovas Del Castello intends to provoke a crisis of the press law, and if the King again entrusts to him the formation of a ministry, he will select Elduayen, minister of colonies, and General Jovellar as his colleagues.

Moncasi's Trial.

The trial of Moncasi, who attempted to assassinate the King, commenced to-day. The public prosecutor asked the court to pass sentence of death, but the defence urged that the whole proceedings should be recommenced. The prosecution showed that, from Moncasi's own confessions, the crime was premeditated since 1877. He had then intended to attempt it when the King visited Terragoona. The defense urged that Moncasi was insane, or at least only intended to commit bodily harm. Sentence of death will be passed to-morrow.

The Best Plan.

The most profitable plan for operating in stocks is that of uniting capital of various sums by combining or pooling the orders of thousands of customers and using them as *one mighty whole*, which has been done so successfully by Messrs. Lawrence & Co., Bankers, 57 Exchange Place, N. Y. City. By this co-operative system each investor is placed on an equal footing with the largest operator, and profits are divided *pro-rata* among shareholders every 30 days. An investment of $10 would pay $30, making 5 per cent. on the stock during the month, $25 would return $150, or 6 per cent.; $100 would make $1,000, or 10 per cent., and so on, according to the market. *Frank Leslie's Illustrated Newspaper*, June 29th, says: "The Combination Method of operating in stocks is the most successful ever adopted." *New York Independent*, Sept. 12th, says: "The Combination System is founded upon correct business principles and no person need be without an income while it is kept working by Messrs. Lawrence & Co." The firm's new circular (copyrighted and sent free) contains "Two unerring rules for success in stock operations," and explains everything. All kinds of Stocks and Bonds wanted. New Government Loan supplied. Address *Lawrence & Co., Bankers and Brokers*, 57 Exchange Place, New York City. 4
