IVER LAWSON WINS CHAMPIONSHIP

Speedy Rider Takes Ten Mile Event In Fine Time—Whittier Comes Close to Motor Record.

The 10-mile western bicycle championship belongs to Iver Lawson. He captured it last night at the Salt Palace saucer in as pretty a ride as one would expect to see, fighting it out with a field of fast ones and grinding away to the end when with a magnificent burst of speed he dashed across the tape a winner.

HORSE RACE AT EUREKA.

Match Brings Out All the Sports and Money. Exciting horse race at Eureka Monday evening and as a result considerable money changed hands. A race was arranged between a gray mare owned by Birch, and a black mare from Sanpete county.

VALUABLE PRIZES FOR RIFLE SHOOT

There will be many big cash prizes for the riflemen in the Ogden shoot, and the list shows that many of them will be in excess of any offered heretofore. The following prizes will be given: Class 1—\$150, \$250, \$300 and \$250; class 2—\$50, \$250, \$225 and \$200; class 3—\$300, \$315 and \$150 for each class and every member of the 12 teams will receive a medal.

MAY CHANGE DATE OF OGDEN SHOOT

Efforts are being made by local crack shots who wish to participate in the Ogden shoot to have the date changed so they will be able to see the big A. R. parade here. Whether the efforts will prove successful remains to be seen. It is known that the Ogdenites do not wish to make any change as the statement was made at the Ogden tournament had nothing whatever to do with the parade here.

HOW PARI-MUTUEL BETTING WORKS

Considerable interest has been aroused among the English racegoers during the past few days by the announcement that the Jockey club regards with favor the introduction of a totalizer, or pari-mutuel system of betting, which is so popular on the other side of the Atlantic. It is estimated that the Jockey club will be able to save \$1,000,000 per year from the introduction of the pari-mutuels every year, and it may be mentioned that in the last 17 years over \$4,000,000 has been obtained through the pari-mutuels for charitable and useful public purposes; for the authorities draw a certain percentage from the administration of the mutuels and for the poor.

HOW IT WORKS

Practically speaking, betting by the pari-mutuel system means the pooling of the bets laid, and an equal division of the netted sum to the bettors who have won, less 10 per cent, which goes to the proprietor of the machine.

DIVIDING THE MONEY.

Suppose, for instance, that four horses are engaged in a race, and that the stake is \$5. Ten persons may back A, the favorite, five may back B, while C and D may only have one supporter each. The machine will thus contain 17 contributions, amounting to \$85 in all. Should A win, the 10 backers have \$5 to divide between them; so each would get \$1.50. In addition to his original \$5, the winner would take the 10 bets of the \$5, equivalent to having taken 15 to 1. Of course this is subject to the 10 per cent deduction mentioned.

A "RAFFLES" YACHTMAN IN COLONY OF LARCHMONT

New York, Aug. 4.—The yachting colony of Larchmont is of the opinion that it is being victimized by a raffle disguised as a yachtman. Following the mysterious appearance in the select colony of a stranger wearing a yachting uniform, several burglaries have been committed. The latest victim is Miss Grace Sherry, who is the guest of Mrs. James Godfrey Wilson, a southern woman. While Miss Sherry was in bathing, a thief stole \$300 worth of jewels from her room in Mrs. Wilson's cottage. Shortly before this a burglar entered the home of R. L. Hopkins, an accused possessor of jewelry. The strange man in yachting togs was seen near the Wilson cottage at about the time the theft was committed, but when the police sought him, he was gone.

DENVER TRIES TO LAND JEFF-JOHNSON FIGHT

Denver, Aug. 4.—In a resolution introduced by Alderman Thomas Hyder, the board of directors of the city is tonight to use its influence to obtain for Denver the fight for the heavy-weight championship between James J. Jeffries and Jack Johnson. The city's interest, the resolution declared, would come from the advertisement received by reason of the presence of people from all parts of the country. The resolutions state that prominent business men have expressed their willingness to raise sufficient money to bring the fight to this city.

KID SULLIVAN WINS.

Baltimore, Md., Aug. 4.—Kid Sullivan of Washington won the light flyweight of this city in the sixth round before the Eureka A. C. last night.

BOXING LICENSED.

New York, Aug. 4.—New York sporting people are greatly interested in the issuance of a license for a year to the Standard Athletic club of Providence, R. I., to hold boxing bouts. This is taken to indicate that the sport has been placed on a good footing there, and that from now on there will be sufficient inducements to attract many more western fighters to the east.

If Jim Jeffries demands \$100,000 win, lose or draw, there will be no fight with Jack Johnson. No promoter would be idiot enough to make such an offer.

SARATOGA MEETS; GAMBLERS "STUNG"

New York, Aug. 4.—The horde of gamblers who rushed to Saratoga at the opening of the racing season in the belief that the "lid" would be off and that gambling would be wide open, have returned disgruntled and minus their railroads. These gamblers reported that before going to Saratoga they had been given to understand that not only would Cardwell's plan to operate that roulette wheels, faro-banks and all other kinds of games would run unrestricted, but the doors of the casinos would be thrown wide open and that they would be given a large pilgrimage to the resort, but the gamblers were disappointed. They say not a single game was permitted to open and that they were given no gambling during or after the racing season.
