EVENING NEWS

PRICE OF GOLD. Corrected daily by Deseret Hational Ban SALT LAKE CITY, May 10, 1876. Buying at \$1.10% i selling at \$1.15%.

Local and Other Matters THERMOMETER 74 degrees F. in he shade at 1 p.m. to-day. Fine,

Something for Them.-If Ermin and Arthur Cotti will apply to C. J. Thomas, at the Temple Block, in this city, they can hear of something to their advantage.

Comfortable. - The probabilities ALL KINDS of SUMMER are favorable for Sam Regers, stab-DRINKS to keep the brain cool, bed on Sunday, being about again in a few days. He says he feels comfortable.

> Postponed. -- We learn, through letter from Elder D. MeKenzie, now in charge of the business at the Liverpool office, that the departure of the first company of emgrating saints from Liverpool has been postponed from the 17th to the 24th inst

> A New Dam .- The 11th Ward eople's dam on Red Butte Creek having been recently washed away by the high water, they are about to build another, which will be close to and immediately south of situation than the former one.

The Lee Case.—The following lispatch came to hand last even-

Beaver, May 9.—John D. Les arrived in custody of Marshai Nelson, to-day. But little was done in court. The case will be called to-merrow merning. The prisoner seems in excellent spirits.

Prevention-The entrance to the ell occupied by Sherman, maniac, in the city prison, is being fixed up so he cannot stab anybody through the grating any more. When told that Rogers would recover he expressed a de-moniscal regret, as he hoped he would die.

Opened for Travel.-We learn from Supervisor Hyde that the wenderful things to be seen at the road leading from this City to defend the meaders and many other to-day at Chester, was won F Tam dertake to defend the meaders. Emigration Caffon, will be replaced dertake to defend themselves and Grey Palmer third. by a new one to-day, and the road open for travel to-morrow. This will be welcome news to many no other place in the United States, persons desiring to haul rock from excepting in Utah, are soldiers conthat direction.

> For Europe. This morning Hon. William Jennings and two daughters, and Miss Haydon left this City for Europe, calling at the Centennial Exposition, Philadelphia on the way. Mr. and the Misses Jennings will be absent, in England, several months, and Miss of years in Berlin.

The Codling Moth.-The following has been received per Des. Tel. Line:

At a meeting reported in the Prairie Farmer, at Alton, Illinois, Doctor Hull said his lime remedy for the codling moth had always proved effectual. The lime is thrown into the trees when the dew is on, or iust after a rain, when the fruit are iust after a rain, when the fruit are iust after a rain, when the fruit are into the trees when the dew is on, or iust after a rain, when the fruit are iust after a rain, when the fruit are into the trees when the dew is on, or iust after a rain, when the fruit are into the trees when the dew is on, or iust after a rain, when the fruit are into the trees when the dew is on, or iust after a rain, when the fruit are into the trees when the dew is on, or iust after a rain, when the fruit are into the trees when the dew is on, or into the trees when the dew is on the trees when the dew is on the trees when the dew is on t

Theatre.-The California Minstrels commenced a brief engagement last evening at the Theatre. There was a rather large audience present, who appeared to highly enjoy the jokes, wittickens, songs, choruses, dancing, burlesque, music and the whole entertainment. There was abundance of applause

throughout the evening.

The company is composed of members possessing a large amount of talent, and all their perform-ances are executed with decided ability, to the intense satisfaction of the spectators.

The Minstrels appear again this evening, also on Thursday evening and on Friday at matinee.

In St. George. - Presidents B. Young and D. H. Wells and party reached St. George yesterday afternoon, at four o'clock, all well. President Young's health is excellent. he never stood the trip so well be-

in relation to the refusal of Washington county to receive back from the City Asylum a couple of insane persons who had been sent from there, the matter being finally referred to a member of the Council to communicate with the Washington County officials on the subject. The subject of amending the qrdinance in relation to cemeteries

municipal laws. The committee on municipal laws were instructed to report, as grand jury yesterday a charge of complicity in ero whiskey soon as possible, an ordinance in relation to water regulations.

was referred to the committee on

Uninviting Spectacle. - To-day far arrested are Edg. Hill, 5 a man named Gandy was picked up from the sidewalk, First South street, in a horrible condition, from hard drinking, being entirely insensible. He has the appearance of having been a man of powerful physique at one time, and the posessor of a fair share of natural intelligence, but now he is a physical and mental wreck from the curse of intemperance. He appears to be in the last stages of the "dis-

Since the foregoing was written we have heard it reported that Gandy had suicided by taking laudanum, and judging from his appearance, it is not improbable. three o'clock he was alive.

Attempted Outrage.-This morning a couple of young women, residents of the 10th Ward called at the City Hall for the purpose of entering complaint against a corpo-Camp Douglas, a mere convenient ral of the 14th Infantry, stationed at Camp Douglas, for attempted violation of the person of one of them. The woman upon whom the alleged outrage was attempted states that she was at the house of her companion, in the 10th Ward last night, where she met with the soldier alluded to, who asked her to accompany him for a walk, to which she acceded, and subsequently the attempt to violate her person was made, the assaulting party throwing her upon the ground, she only being released after struggling with him, and screaming for help, which

caused him to make his escape. The young women were informed that the civil authorities could do nothing in the matter, and they would consequently have to make complaint to the military, which they purposed doing.

The conduct of a number of the seldiers lately has been of such a come to a pretty pass. Probably in account, Eris 132. sidered to be superior, or in other Words not amenable, to the civil members of Parliament hav alsidered to be superior, or in other law. Let us hope, anyhow, for the sake of the country, that Utah is an exception in this regard, for it certainly is a bad rule to have laws to which one class of people are amenable and which another class can

infringe with impunity. Hereabout a certain class of "rule Would be a blow at the existing lo-Court that soldiers were exempt from punishment by the civil law, since in ordering a military ator just after a rain, when the fruit is set. A dipper or large speen may be used, or, best of all, a bellows made for the purpose. The insects will not go where the lime is scattered, they go away.

Vate citizen. However, if the question of the superiority of the military civil law is pending, we think, in view of recent occurrentered, they go away.

Public speakers and singers will find "Brown's Brought Theorems" beneficial in clearing the voice beneficial in clear the voice beneficial the vo tion of the people, that it should be fore speaking or singing, and re-pushed to a final adjudication as lieving the throat after any exersoon as practicable. TO-DAY'S DISPATCHES

Embessiement Case Investigation

weather—New Flays.

New York, 10.—The preliminary examination in the People's suit against R. B. Irwin was resumed before Justice Bixby yesterday. The Temple looks magnificent in contrast with the surrounding country.

We glean the foregoing f rom a private dispatch, and is addition, we learn from another received by Bishop Edward Hunter, that the roads are dusty in the south and the weather is warm, the thermometer standing at 102 in the shade at St. George.

A conference of three days' duration will commence on Friday.

Weather—New Flays.

New York, 10.—The preliming harding in the People's suit against R. B. Irwin was resumed before Justice Bixby yesterday. The complaining witnesses are directors of the P. M. S. S.C., Irwin is necused of embezgling \$750,000 of the company's money. Irwin was first examined. He said the money was paid the doorkeeper, Boyd, for giving the Pacific mail people the privilege of the floor. The enemies of the bill were Wall street speculations, who tried to defeat the substitute of the bill were Wall street speculations, who tried to defeat the substitute of the bill were wall street speculations, who tried to defeat the substitute of the bill were wall street speculations, who tried to defeat the substitute of the bill were wall street speculations, who tried to defeat the substitute of the su

A conference of three days' duration will commence on Friday. Vegetation is quite forward and the health of the people is generally good.

City Council.—The council met last evening, Mayor Little presiding.
