

LEYSON'S GREAT SALE OF THE WYATT BANKRUPT STOCK!

A BANKRUPT SALE, if properly conducted, is a successful venture for the public as well as for the operator. We know from results that we are properly conducting our great sale of the Wyatt Bankrupt Stock, and that the people are pleased. It takes a long time to sell \$25,000 worth of merchandise, and although our sales have been very heavy for the past week, the stock remains very full of Good Bargains. The universal and unexpected demand for plated ware, has hardly thinned the stock, which remains full of bright pieces that must attract people this week. We are anxious to close out the entire line. Notice our announcement for the sale of "Rogers 1847" Knives, Forks and Spoons elsewhere in this advertisement, also on Tea-sets and other hollowware. Not one piece bought from the Wyatt Stock do we withhold in this sale.

IT IS OUR PURPOSE TO DISPOSE OF THE ENTIRE STOCK

as rapidly as possible, and our experience in business proves that PRICE alone will move goods rapidly. We bought the goods at one-half the cost of manufacture, and because of this, can sell the stock at wholesale prices and yet make a handsome profit. COME AND LET US PROVE ALL WE CLAIM. "Silver Plate that Wins." On spoons, knives, forks, etc., the identifying mark of the best wearing plated ware is

For fifty years the standard of silver plate excellence. On tea sets and larger articles, look for this mark.

We wish the public to fully know that we are conducting a great sale of bankrupt goods, and that this sale will continue until all the the Wyatt stock is sold. Of course those who come early see the best assortment, but stock is large and many may be satisfactorily served.

THE SALE WILL CONTINUE WITH ALL ENERGY THIS WEEK,

and if we have any goods left, it will continue next week. We have not listed in this advertisement all the articles we have to sell. ANYTHING WANTED IN OUR LINE, BUT NOT ADVERTISED, MAY BE HAD AT SALE PRICES.
