It seems to you that that tickling, hacking cough is all in the throat. But your doctor will tell you that this sen-sation is often deceiving. The cough is often the signal of deeper trouble in the bron-chial tubes or in the lung tissue itself. These inflamed membranes can only be membranes can only be healed by treating the system. For all lung troubles, espe-cially in the earlier stages, no remedy equals Scott's Emul-sion of Cod-liver Oil. Its special power is in healing the inflamed tissues of the lungs.
