

# GETTING READY FOR COURSING MEET

Prizes and Entrance Fees Will Amount to at Least \$5,000.

## SEVEN BIG STAKES IN ALL

Pegs from Various Parts of the United States Will be in Salt Lake Next Month.

There is now apparently nothing in the way to prevent the big coursing meet to be held here next month and the events scheduled promise to be highly interesting as coursing meets are something new here. It will be the biggest sporting event of the kind held in the United States thus far.

There will be dogs here from all over the country. Some will come from New York, Chicago, St. Louis, parts and several other cities. The meet is a national one—the principal events in which will be the Mississippi Valley futurity and the Wisconsin cup. It begins during the week of Oct. 6.

### SEVEN BIG EVENTS

The program for the meet has been made up by Secy. O. F. Shantz and copies of the same have been mailed all over the country. The seven stakes and their pegs and entrance fees will be as follows: Mr. Shantz says the most money is given to the Salt Lake pegs, but the second largest sum is given to the Wisconsin cup.

Boston, Sept. 20—Chicago defeated Washington today in both games of a double header. A wild throw to either O'Brien or Ross first base and Walsh was driven from the rubber in the second, Gehrig was also hit hard, while Altrock checked the hitting of the Red Sox.

**"FIGHTING DICK" AND MCCLINTIC ARRIVE.**

"Fighting Dick" Hyland, accompanied by his manager, "Red" Sammy McClintic, arrived in Salt Lake last night after a long absence, having been away for nearly three months. McClintic will remain here until Hyland returns from California. The little fighter left today to see his mother, who is ill. He will return to his room at Salt Lake McClintic will be casting about for another match.

With reference to the reports that Murphy apparently had fair advantage because he drove lefts and rights to the face in almost every case, St. Louis claims he never did much more than hit the head and that is where Hyland shone. In the last two rounds Murphy made some brilliant strikes but Hyland was more solid and determined, and it was obvious to everyone that the stomach that it was Murphy who broke ground."

As far as the spectator goes Murphy apparently had fair advantage because he drove lefts and rights to the face in almost every case. St. Louis claims he never did much more than hit the head and that is where Hyland shone. ## CURES CHRONIC ULCER

Whenever a sore or ulcer refuses to heal it is because the blood is infected with poisonous germs or some old blood taint which corrupts and pollutes the circulation. Nothing is more trying than a non-healing, chronic ulcer. The very fact that it resists all external applications, and ordinary treatments, is good reason for alarm, for the same germ which produces cancerous ulcers is back of every old sore, and especially this is true if the trouble is back from any inherited taint. Surface treatment cannot reach the trouble—it is at fault and must be purified before a cure can be hope for. In S. S. S. will be found a remedy for sores and ulcers of every kind. It is a perfect blood purifier—one that goes directly into the circulation and promptly cleanses it of all impurities, poisons and taunts. The ulcer can never heal while the blood discharges into it the noxious matter with which it is infected, but when S. S. S. has rid the blood of this cause and freshened it, the blood will be able to bring the necessary elements to the sore and heal it naturally, and of its own accord. S. S. S. begins at the bottom and heals the place as it should be healed and makes a permanent and lasting cure. Book on Sores and Ulcer and any special medical advice desired will be sent free to all who write.
