# AFFAIRS OF WEBER COUNTY

Water Schedule and Other Ordinances Passed by the City Council.

District Court Notes—Traveler Becomes Temporarily Demented in High Altitude—Political Campaign Talk.

The board of county commissioners held a meeting and disposed of the following business yesterday: Owing to the illness of Chairman Stanford Commissioner Skenen presided.

The claims of fire station No. 2 for \$55 for services at Miller's fire and claim of Samuel Dixon for refund of \$26.10 fees for clerk and sheriff paid under protest in the matter of the commitment of Lettie Dixon to Insane asylum, were referred to the county attorney.

A warrant was ordered drawn in favor of Alma D. Chambers, county treasurer, for sum of \$1,000 for payment of interest on bonds.

Considerable routine business was transacted and the board adjourned.

# CITY COUNCIL.

The city council met in regular session last evening and transacted the following business:

The committee on laws recommended the passage of an ordinance providing for the inspection of ice ponds and reservoirs outside the limits of Ogden city, forbidding the sale of ice from any un-inspected ponds. The report was adopted, and later in the evening the ordinance was passed the first, second and third reading under the suspension of rules.

On recommendation of the committee on police the action of Chief of Police Conlisk in removing Patrolman D. C. Sullivan was confirmed.

A slot machine license for J. H. Hamner, \$14.30, was ordered refunded.

Saltatory Inspector Watkins reported that there were 9 cases of scarlet fever in the city.

Foundkeeper A. Peterson filed report for September, showing 26 animals impounded of which 16 had been redeemed by owners, 9 remitted by the mayor and one cremated. Fees amounting to \$16 had been deposited with the treasurer.

Chief of Police Conlisk appointed Jos. M. Harbortson as patrolman. The appointment was confirmed.

G. Turnquist and others asked the council to grade and gravel Second street between the North Ogden Irrigation ditch and Washington avenue.

The ordinance amending the estray ordinance relative to advertising estrays passed its third reading.

The water schedule ordinance, after much discussion and some amendments, passed its third reading and was ordered published.

A resolution to grade the sidewalk on the south side of Twenty-third street between Washington avenue and Adams was introduced and referred to the street committee to ascertain the cost of the work.

The chief of police asked for authority to purchase a police court docket for \$63. Referred to the police committee.

Mayor Browning recommended that the services of the policeman for the park be dispensed with and that all sprinklers except two be laid off. Referred to the committee of the whole after which the council adjourned.

# TRAVELER BECOMES DEMENTED.

Gustav Loeve, a German who was en route to the coast from his home in Ohio, arrived in Ogden yesterday in a demented condition, and was taken from the Rio Grande Western train and delivered to the custody of the sheriff.

The man was taken with insanity shortly after he commenced to come into the high altitude, and his condition grew rapidly worse as he traveled towards the west. It is said that the other side of Springville the man went to the rear platform and by some unknown means while the train was moving, he fell from the platform and was struck by the car and was found there at Springville. He was placed in the car again and closely watched until he arrived at Ogden, when his condition became dangerous.

He was summoned here, and examined Loeve, pronouncing his case as only temporary insanity, caused from the high altitude, and recommended his being held for a few days in Rushion addition, but he will be all right. He had considerable money with him.

# SECOND DISTRICT COURT.

The case of J. H. Shaver against George G. Griffiths et al, to quiet title to certain water rights, was heard before Judge Rolapp. The suit is brought by the plaintiff against the defendants to secure his alleged rights to certain waters from Taylor's canyon, which are run into the defendant's ice ponds near Rushion addition, and are afterwards used for irrigating property owned by the plaintiff. In Rushion addition, but the defendants have prohibited the plaintiff from using said water. A number of witnesses were examined and the matter was taken under advisement.

In the matter of the guardianship of Edna Stuart, a minor, petition for the nomination of guardian was brought by Edward E. Stuart, praying for the issuance to himself of letters of appointment as guardian.

# POLITICAL TALK.

The committees of the Republican and Democratic parties are beginning to make preparations for the opening of the campaign this week. Neither committee has fully decided when they will call the primaries. The Republican central committee gave out today that they will hold their primaries either on Friday of this week or Monday of next, and the city convention will be held either on the Wednesday or Thursday following. The primaries for the nomination of councilmen will be held either the Friday or Monday following the city convention.

Chairman Johnson of the Democratic party, it is understood, has called a meeting of the Republicans for Thursday afternoon to decide when their primaries will be held. The various advisory candidates on both parties are doing a great deal of buttonholing this week.

# BRIEFS AND PERSONALS.

Hon. Joseph Stanford, who was stricken with paralysis Saturday, is recovering slowly. Every hope is entertained for his full recovery.

is the only cure for Poison Oak, Poison Ivy, and all noxious plants. It is composed exclusively of roots and herbs. Now is the time to get the poison out of your system, as delay makes your condition worse. Don't experiment longer with salves, washes and soaps—they never cure.

Mr. S. M. Marshall, bookkeeper of the Atlantic (Ga.) Gas Light Co., was poisoned with Poison Oak. He took Sulphur, Arsenic and various other drugs, and applied externally numerous lotions and salves with no benefit. At times the swelling and inflammation was so severe he was unable to move. For eight years the poison broke out every season. His condition was much improved after taking one bottle of S. S. S., and a few bottles cleared his blood of the poison, and all evidences of the disease disappeared.

# EXPERT TESTIMONY.

In Major's Case—Frightful Runaway Accident—Lecture by B. H. Roberts.

Special Correspondence. Logan, Cache Co., Sept. 30.—Sheriff Cordon of Boxelder county was the first witness on the stand in the Major's case Monday afternoon. He testified to making a diagram of the road where the Major and Majors were killed. Also as to the particular pistol he had with him when the killing occurred.

G. W. Gibbs of the Utah National Guard testified that it would be impossible for a bullet from a 45-caliber revolver to go from Majors to Brown and penetrate as far as was done. On cross-examination he said he had no knowledge of anatomy but testified from his experience in seeing men shot.

Col. E. W. Tatlock also testified that no army revolver bullet could have gone from Majors to Brown and done the execution that was done. He further testified that the bullet which struck the note book in Brown's pocket ranged downward; also that the book had been considerably tampered with since he first observed it a week ago. He held closely to these three points on cross-examination.

He was still on the stand when court adjourned until Tuesday morning.

# FRIGHTFUL RUNAWAY ACCIDENT.

Mrs. Mary Herron, an aged lady of the Fifth ward, was thrown from a buggy and badly injured during a runaway Saturday evening. One arm and both legs were broken, and she was bruised considerably. It is feared she cannot recover.

# LECTURE BY B. H. ROBERTS.

President B. H. Roberts of the First Council of Seventy delivered an able address to a large audience in Logan tabernacle Sunday evening. His subject was "Christian Science and Spiritualism." He pointed out the fallacies of each and urged the youth of the members of the Church against being influenced toward such beliefs. The lecture was delivered under the auspices of the Stake board of Y. M. M. I. A. and was an excellent work.

Mr. Isaac Smith, Jr. filed Monday for Chicago to continue his studies in dentistry.

Mr. Thomas Oldham of the First National bank reached Logan today from England, where he has been the past few months. He reports a pleasant trip, and states that business is remarkably prosperous throughout the old world and the new, so far as his observations extended.

Christ of Latter-day Saints. When about ten years of age her parents moved to Council Bluffs where they remained for several years enjoying an era of comparative quiet, after suffering considerable mob violence previously. In the year 1851 she, with parents, brother and sisters, crossed the plains in Wm. Wall's company, arriving in Utah in the fall of the year. In 1851 she went with her parents on a mission to southern California. In 1852 she was married to David Rolfe Holladay, and in 1857 she moved back to Utah, settling in Beaver for the winter, and next year moved to Santaquin, where she resided until her death.

Her husband was Bishop of Santaquin from 1854 until his death in 1871. She was first treasurer of the Relief Society organized in Santaquin, and was conspicuous among her sisters in performing domestic and kindred duties. She reared a family of three sons and two daughters; these, with twenty-seven grandchildren and a host of friends, mourn her departure.

OLD FOLKS FESTIVAL.

Veterans of Sixty and Over are Honored and Entertained.

Special Correspondence. Thatcher, Ariz., Sept. 21.—Seventy-three of our veterans, over sixty years of age, assembled in the Thatcher hall today and had a most enjoyable good time. Tables were spread the full length of the hall, loaded with the choicest viands the valley affords. The program was varied and interesting.

Full of interest and interest, the veterans were not of our faith, but a splendid spirit prevailed, and a general good time indulged in.

Of those present two were over 90 years, four over 80 years, twenty over 70 years, and forty-seven over 60 years. The oldest gentleman present ninety, was Mr. David Markham, born in New York in 1810, was well acquainted with the Prophet Joseph Smith and all the early leaders of the Church, following them in their travels and finally settling as one of the pioneers of the Gila valley.

Mr. Markham, though a warm friend of our people from the days of Kirilind and Nauvoo down, never joined the Church. The oldest lady, ninety-two, a member of the Central ward, is hale and hearty. The two oldest led married by the older ones present came from the Southern States, twenty from the Eastern and New England states, four from England, one from Scotland and one from Ireland. The State and County Folk committee was augmented by adding members from each ward and town, while the majority are Latter-day Saints, those not of our faith are liberally represented, and the Mexican people are looked after.
