Girls in State Industrial School Form a Plan for General Poisoning.

Water Brainwell Home-Interesting Basketball Game-Another Tomorrow-Notes and Personal.

Ogden, Feb. 12.-Eight Allison and the other officials at the State Industrial school have uncovered a supposed plot which had been entered into by two girls in the institution to the detriment of the inmates of the school. A few days ago Miss Dill, the head lady matron at the school, took two of the girls from the main building of the institution to the girls' ward, about a half block away. While at the ward the girls were given a box of capsules containing a strong poison, which had been left there after the building was disinfected some time ago. When the girls were taken back to the main building again they carried with them the poison, without the knowledge of Miss Dill, or any of the other teachers. The poison was intended to be used to poison the inmates of the school, who were to be given the capsules through search, which would be made by the girls who were to be given the capsules. The girls were to be given the capsules through search, which would be made by the girls who were to be given the capsules. Forty Degrees Below Zero.

Heavy Snow - Winter Quarters Post - Office New Citizens Arrive.

Special Correspondence.

Scotfield, Utah, Feb. 12.-Wednesday morning, the first of the winter season, had for us a very cold day. The thermometer in town was at 10 degrees below zero, and there was a heavy snow, made it impossible to go out. The largest snowstorm we have had for some years "at any one time" occurred on the 11th. On Sunday, the 1st, the wind was from the west and the snow was from the north. The snow was from the north, and the wind was from the west. The snow was from the north, and the wind was from the west.

NEW POSTOFFICE.

Winter quarters has succeeded in finding a suitable postoffice at the corner of 24th and Main streets, making it very convenient for the people who have been inconvenienced since the postoffice was removed from its former location. The new postoffice is a very convenient one, and will be a great help to the people who have been inconvenienced since the postoffice was removed from its former location.

RELIEF SOCIETY REORGANIZED

Mrs. Julia Cantwell Elected President - Signing New Contracts.

Special Correspondence.

Smithfield, Cache Co., Feb. 10.-A reorganization of our Relief Society was effected yesterday. President E. T. Johnson having resigned after serving a long and faithful term in the capacity of president and in untiring efforts in relieving the wants of the widow and fatherless. The following officers were elected: Mrs. Julia Cantwell, president; Elizabeth Raymond and Nora Smith, counselors; Mrs. Annie Miller, secretary; and Mrs. Mary Nelson, treasurer.

A party of friends on pleasure bent loaded themselves into sleighs and drove two and a half miles west into Riverside and gave a happy surprise to our esteemed friend, Andrew Monk, who has only recently finished one of the largest and neatest dwellings in northern Utah. It is fitted up with all the modern conveniences, including acetylene gas and a complete water system. A good time was had by the visitors and host.

EUREKA.

Decided That John W. Murray Died From Natural Causes.

Special Correspondence.

Eureka, Feb. 12.-County Attorney Page has come to the conclusion that John W. Murray, whose body was found in his cabin three miles east of here on Tuesday, came to his death from natural causes, and that no inquest was necessary. The remains were buried here today. The condition of the body indicated that the man had been dead for several days.

Sheriff D. B. Cram has just completed many needed improvements in the Eureka Jail. The sanitary condition of the building has been very bad for some time past, but it is now being improved. The walls, ceiling and floor are being painted, and a ventilator put in. New hammocks have been placed in the cells, and hereafter one inmate will be allowed in each cell. The jail is now being improved.
