Trute has even somewhat injured by the pressure of the crusade. but commerc' il inceresta are at least as forward and promising in Utan as elsewaere. The manufactures of the THE Cincinnati Til

Territory are increasing. The mountains continue to yield up their mineral treasure and the shielters to put forth their precious builion. The seasons have been pleasant, the

air balmy and the skies serene. Healthy and vigorous immigrants from the upper world gladden the families of the Saints, which increase like a flock in spite of sin and Satan, lawyers and the courts: Co-religionists from abroad have if exced in'o these peaceful vales and the population grows with great ripidity with each succeeding year. The temples of our God they were loaded are filled with His spirit, and the ordinances are performed for the living in Mormondon and the dead. The sacred edifices not ful anticipation tion. The settlements are extending Christmas day as finished are going on towards compleand the sons and daughters of the faithful are pairing and strengthening ism" is all right, t the outposts of Ziou. The tabernacles and meeting houses are filled with aration for the gr zealous throngs and God is glorifled a the congregations of Israel, while union and closer brotherhood pressing. If there are the consequences of persecution. Faith is increased in the Lord, and trust in His promises is magnified. The base motives of our enemies have been demonstrated before heaven and the world. The endurance and integrity of the Saints have been exemplified.

Abroad, the Gospel has been preached in many nations. Hundreds of believ ing souls have cast in their lot with the people of God. The missionary field has been occupied by able laborers whom circumstances have pressed into the service. Our leaders have been wonderfally preserved and their guiding minits direct the Church affairs without hindrance, although their presence is not seen. Confidence in the uitimate triumph of right inspires the hosoms of the people of God and there
