# EVENING NEWS.

Friday - August 7, 1885.

FAMILY NAMES.

SOME ACCOUNT OF THEIR ORIGIN AND DEVELOPMENT.

NAMES FROM THE WELSH—ADDITIONAL DIMINUTIVES—HOLIDAYS—JOHN AND ITS PROLIFIC CROP OF DERIVATIVES—SCRIPTURE NAMES—THE PURITANS.

Americans must look to England for the greater part of their family names, and in England the family name was first apparently created by taking the name of the father and adding it to that of the son. In many parts of Wales this practice is said to be still in vogue, and a man is not considered a man for a man to be called Bill O'Johns, O'Dicks, O'Toms, O'Harrys, or any other name.

The tendency in proper names has always been toward abbreviation, a short name being invariably popular. Another method of manufacturing family names was by adding a diminutive to the proper name, the diminutives in this case being the syllables kin, cock, and et al. or other, the latter being the most common.

It is curious to notice the ready manner in which local events, such as festivals of local saints serve the purpose of furnishing names. In the case of the saints, the names are common enough, but it is not so common to find a name which is a diminutive of a saint's name. In the case of the saints, the names are common enough, but it is not so common to find a name which is a diminutive of a saint's name.
