## JOHNSON IS HERE; PLANS FOR FIGHT

Former Goes to See Coffroth and McCarey—Colored Man Says He Hopes Jeff Will Meet Him.

### LOOKS LIKE BUSINESS.

Chicago, Aug. 17.—Sam Berger, Jeffries' manager, will leave for California today to see Jim Coffroth and Tom McCarey, the west coast fight promoters, about bids for the proposed Johnson-Jeffries fight, for the heavyweight championship of the world. Hugh McIntosh, the Australian promoter, who promoted the Johnson-Burns fight at Sydney, has written Berger he will offer \$50,000 for the battle, but reserves the right to stage the fight in either England or Australia. Berger said last night Jeffries would fight in this country and unless McIntosh agrees to stage the fight in this country his bid will not be considered.

### WHAT JOHNSON SAYS.

Well, that may mean business and it may not. I hope Jeffries means to fight me. After my pitched engagement I will be willing to meet Jeffries at any time or place, and if we meet I am confident of winning. In spite of all that has been said and done, I am afraid Jeffries will never step into the ring with me. I know he is not in condition, and it is my belief he will be unable to get into condition. I would like to meet the Jeffries of old because I am confident I can beat him and then there could be no question as to my title of heavyweight champion of the world.

### FIGHT WITH KETCHEL.

Jack Johnson, the colored heavyweight fighter, who has claimed the title of champion of the world since he defeated Tommy Burns in Australia, arrived in Salt Lake last night. Tomorrow night he will give an exhibition at the Salt Palace and Thursday will leave for Oakland where he will begin training for the fight with Stanley Ketchel. Manager Heagen has arranged an interesting card of athletics for tomorrow evening. In addition to the appearance of the big clever black man, who will box four rounds with Jack Price, there will be several four-round bouts, the interest to receive medals and prizes. Speaking of his coming engagement with Ketchel, Johnson gives some very good advice. He says that Ketchel does not have a chance. He calls attention to the fact that the Michigan fighter is no heavier than Burns, not more clever, will not be in better condition, and has nothing on Burns when it comes to stamina.

I expect that Ketchel will be troublesome for six or seven rounds, as I will be careful and take my time. No man can fight the fighting and win from me, so I doubt if Ketchel will have a chance to beat me. He will go the same way Burns did. Johnson appears to be in good condition. He was dressed neatly when he walked into the "News" office today, and he is in the line of a professional front indicated property. He is more than six feet tall and has a remarkable breadth of shoulders. Johnson's colored friends and entertaining them until nearly 4 o'clock this morning. At the Orpheum hotel, where Johnson and his wife will be the guests of Mr. and Mrs. Russell, 180 east Eighth South street, during their stay in the city.

## STANLEY KETCHEL IS NOW IN TRAINING

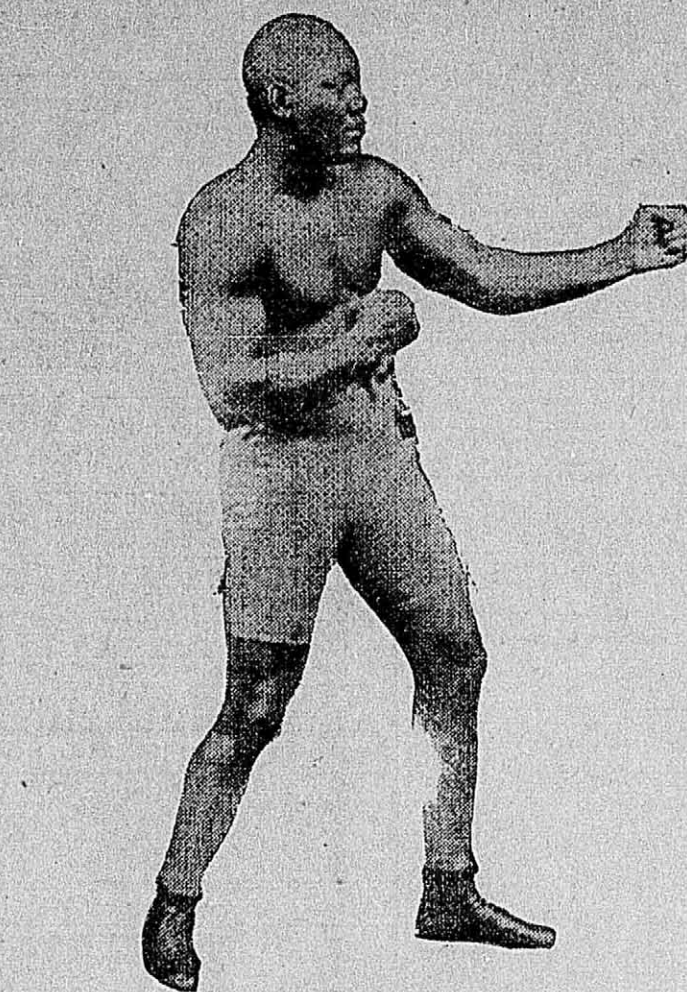

New York, Aug. 17.—Training quarters have been prepared for Stanley Ketchel and when he arrives here the latter part of this week from California, he will start work at once in taking off weight for the fight with Sam Langford in September. There may be a serious hitch in the arrangements because of the matter of weight. Langford is a native of England, weighs 155 pounds at 6 o'clock. Ketchel now weighs 165 pounds and as he intends to weigh at least 160 pounds when he meets Johnson in October it is not believed that he will want to go below that weight. Langford, as he would have to be reduced quickly for the Johnson fight. The Fairmount A. C. insists that there be no interference in its effort to produce the fight here. The club is protected by a supreme court injunction which restrains the police from entering the building.

## FIFTY ARCHERS MEET IN CONTESTS TODAY

Chicago, Aug. 17.—Fifty archers, representing every section of the United States, will meet today in the first day's events of the thirty-first annual tournament of the National Archery association, which is being held at the Washington Park range. The entry list includes some of the most expert bowmen and women in the country, including several titleholders in previous tournaments. The tournament will last four days, ending Friday afternoon with flight shooting and an event between women and men. The majority of the bowmen and women archers are in the city.

## SEARED WITH A HOT IRON.

or scalded by geyser water, Ketchel—cut with a knife—bruised by slammed door—being injured by gun or in any other way—the thing needed at once is Bucklen's Arnica Salve to subdue inflammation and kill the pain. It's the earth's supreme healer. Infallible for Boils, Ulcers, Piles, Sores, Eczema and Piles, 25c at Z. C. M. I. Drug department, 112-114 Main street, Salt Lake City.

JACK JOHNSON.

## DOWNING-SAMUELSON MOTOR RACE TONIGHT

Salt Lake saucer devotees will undoubtedly see one of the fastest motor paced races this evening at the Salt Palace. The headliner of the program arranged by Manager Heagen, is a 10-mile motor paced race between Hardy Downing and W. E. Samuelson, and the rivalry existing between these speedy pedal pushers indicates a race for blood. Since Downing so decisively defeated Ray Duer, Samuelson has been determined to defeat the "Heady" one, and Downing is equally anxious to beat the Provo boy. The other events are as follows: One-mile handicap, professional. Unknown distance lap, professional. Three-mile open lap, amateur. Half-mile open, amateur.

## RICE SAYS MANY HORSES WILL COME

J. W. Rice, one of the leading promoters of the Utah Jockey club, has returned from Butte where he went to attend the meeting given there by W. M. Murray, and says for the purpose of securing horses for the coming meet of the local club at the Buena Vista track across the river. Mr. Rice states that there will be more than 30 speedy horses here for the meet in the ninth and tenth of September. There will be a lapse of one week, during the state fair, of the 30-day racing, and Rice says that from the interest manifested by the horsemen in Butte over the local attraction, there is sure to be a big gathering here.

## THREW UP THE SPONGE.

Houghton, Mich., Aug. 17.—Walter Whitehead, coach of Duluth, escaped a knockout in his 16-round fight here last night with Mike Schreck of Cincinnati, when his seconds threw up the sponge in the ninth and was downed and out when his seconds ended the fight.

## INTERCOLLEGIATE A. A.

New York, Aug. 17.—The annual meeting of the Intercollegiate Athletic association has been called for this city Dec. 28. Delegates representing 60 colleges throughout the country will be in attendance. At that time the rules established by the various committees of the association will be passed upon and steps taken to further promote the interest in athletics. An important matter to be discussed will be the objection made by a number of faculties that their athletics are taking a too prominent part in many schools.

## SWELLS GO SHOOTING.

London, Aug. 17.—Harry Payne Whitney and a party of friends, including E. H. Harriman, a cousin of the railway magnate, left yesterday for Hildesheim, Germany, where Mr. Whitney has leased grouse moors for a season's shooting. It is said Whitney has spent \$50,000 in equipping the plant and preparing it for his guests. He does not intend to stay there long himself and will sail for New York in a short time.

## BASEBALL FANS STIRRED UP AGAIN

Persistent Report That American Association Will Become Outlaw Major Causing Worry.

New York, Aug. 17.—Baseball fans in the east are considerably interested in persistent reports that the American association proposes to become an outlaw major league circuit next year, with clubs in Chicago, Louisville, Pittsburgh, Indianapolis, Buffalo, Baltimore, Brooklyn and either Providence or Newark. Certain men of wealth in this city have been approached, so it is reported, by representatives of Haveron of Milwaukee, and Tebeau of Louisville and Kansas City, who are said to be seeking financial backers. It is reported that they have received encouragement from men in various cities and that in New York promises are held out of obtaining the balance required. The major league magnates declare that they are not worried by these rumors, but the fact that there has been an early and big increase in the signing up of as many of their best players as possible indicates that they are preparing for war if war is bound to come.

## FAST HORSES FOR OGDEN MEETING

Two Stables Have Already Made Reservations for Races During Four-State Fair—Murray at Reno.

The fifteen-day race meeting under the management of W. M. Murray began today at Reno, and word comes from the Nevada city that the outlook for a successful meeting is most rosy. Murray writes that at the close of the Reno meeting he will return to Utah to promote a like meeting on the Ogden track during the four-state fair. The fair promises to be the biggest thing of the kind ever attempted in Weber county and one of the leading features will be the racing of fast ponies. Some of the owners have taken time by the forelock and have made reservations for their speedy equines. Among them are Mr. Maxwell and S. A. Clifton. Each has a string of fast ones of the track and the horses are said to be among the speediest in this part of the country. Owing to the fact that the Ogden course was put in excellent shape last spring when Murray gave a meeting, there is little to be done to prepare for the coming events. In addition to the races there will be rough riding contests, the feature of which will be a match between Miss Goidle St. Clair of Oklahoma and Mrs. Dee Sparks of Dillon, Mont. The latter challenged Miss St. Clair, who won the world's championship at the recent wild west show and the deal was accepted. As to Murray's Reno meeting the following entries for today indicate that he has secured some good talent: First race, one-half mile, purse—Falsen, 102; Chantelle, 102; Annie Laurie, 102; La Chata, 102; Poppy, 102; Wistaria, 102; Port Malone, 116. Second race, nine-sixteenths mile, selling—Larson, 101; Alonzo, 101; Felt, 101; Wicket, 101; Glover, 101; Pearl E., 101; Billy Barr, 101; Miles O'Connell, 112. Third race, nine-sixteenths mile—Mollie Montrose, 102; Daisy Frost, 107; Dr. Sherman, 109; Esther M., 112; Lady Adelaide, 112; Happy Chapoy, 114. Fourth race, three-quarters mile, handicap—Liberal, 90; Inclement, 94; Wistaria, 97; Hardonia, 109; John H. Sheehan, 105. Fifth race, seven-eighths mile, selling—Menden, 104; Nansack, 107; The Mouser, 107; Subter, 104; Holland, 107; Denen, 109; Glaucus, 112; Kaiserhoff, 109. Sixth race, mile, selling—Ak Sar Ben, 106; Taskmaster, 107; Black Gem, 112; Libert, 113; Lady Kitty, 115.

He was made very shy when he alighted this time from a Pullman and found he had been "touched" for a valuable gold watch. His loss was reported to the police, and he may recover and return the same to Mr. Brown. He is domiciled at the Kenyon. Judge C. O. He was also a candidate for the United States senate, running against Senator Heyburn.

## PLANNING FOR LABOR DAY.

Executive Committee Arranges All Details Up to Railroad Rates. At a meeting last night of the executive committee of the Labor-day celebration of the Federation of Labor, a good representation was promised from the different local unions of the Western Federation of Miners. The railroad rate is about the last thing of importance to be settled by the committee, which will confer with railroads this week on the matter. The parade Labor day will form at Labor hall, State and Fourth streets, and march to Main and north to Main to Pioneer monument. After passing the monument it will counter-march in Main street to the Salt Palace, where the celebration will be held. A program of sports is being arranged.
