This proper course to be pursued  
by any one troubled with a disease  
of the skin is to procure and use  
without delay Glenn's Sulphur  
Soap, the most reliable of purifiers;  
it completely removes those eruptions  
which oftentimes so often fail  
to cure, and removes irritation,  
abscesses, carbuncles, &c., &c. It  
cures blisters, tan, freckles, in  
short all complexion blemishes  
are eradicated by it, and it affords  
prompt relief to muscles and joints  
racked by rheumatism. Clothing  
and linen which have been used in  
the sick room, can be thoroughly  
disinfected by it, and disengaged of an  
obnoxious nature, prevented by its  
use. It completely does away with  
the necessity of costly sulphur baths,  
since at a merely nominal  
expense it produces the same effects.  
Physicians of eminence  
speak in the highest terms of its  
reliability, propriety and its  
success in hospitals and infirmaries  
with the most satisfactory results.  
It is extremely popular with the  
fair sex on account of the cleanliness  
and smoothness with which it en-  
dows the complexion, thus heightening  
personal consciousness, and giving  
a more healthy condition of the  
whole system.

By Universal accord,

AVER'S CATHARTIC PILLS are the  
best of all purgatives for family use.  
They are the product of long, la-  
borious, and successful chemical  
investigation, and their extensive  
use by physicians in their practice,  
and by all civilized nations, proves  
them the best and most effectual  
purgative Pill that medical science  
can devise. Being purely vegeta-  
ble no harm can arise from their  
use. In internal diseases, and  
diseases of the bowels, no other Pill  
can give such relief. Those who  
have tried them will be com-  
pelled to repeat the dose, as they  
will find them most efficacious.  
They are safe and easy to take.  
They are the best and safest physic to  
employ for children and weakened  
constitutions, where a mild, but  
effectual cathartic is required.

Thus it is with a valuable medi-  
cine: Dr. Aug. Kahlen, California  
German Pulmonic Epileptic, through  
the jealousy of his rivals, has met  
with the most bitter opposition, and  
apparently almost insurmountable  
obstacles have been thrown in its  
way, but his opponents might as  
well try to change the course of a  
sun, sweep back the ocean with a  
broom, or put a prairie fire with a  
tear.

For the cure of Throat and Lung  
diseases, such as Chronic Colds,  
Consumption and Bronchial Al-  
lergy, it is unequalled. Its cura-  
tion is truly magical. Ask your phy-  
sician for it. The genuine book is the  
Proven Coat of Arms, the ho-  
simile signature of Dr. Aug. Kahlen,  
and has his name shown on every  
75 cent bottle. Trial bottles, 10  
cents.

For sale, whalebone and steel, by  
the Z. C. M. I. Drug Department, and  
Moore Allen & Co., Salt Lake City.

"WHERE IS REASON IN AN EAGLE?"

It is reasonable to conclude, that Benson's  
Eagles, having received the highest  
praise, and only average, are the  
universal pride of the highest  
authority in the world, must  
therefore be invented to overcome  
the action of the ordinary plasters.

For only LAME BACK. They re-  
lieve pain, and cure rheumatism,  
spinal, sciatic, &c., &c. They are  
also, neurotic, pains in the back, hips,  
knees, &c., &c. They are affected by changes of  
weather, and would be useful in  
overcoming the winter season, as they are a sure  
preventive of colds. Sold everywhere.
