DANGEROUS WORK AT FAIRGROUNDS

Bad Spills Caused by Carelessness of Jockeys—Otherwise Racing Card Was One of the Best.

With the exception of bad spills caused by the carelessness of jockeys, yesterday's program of horse racing at the fair grounds was one of the very best of the season. In the fifth race Aks Ar Ben was caught in the barrier and in swerving about threw Jockey Otis. He was carried from the track while the horse continued the race riderless. On the far turn the horse fell and brought down Buna and Nappa, throwing Jockeys Harris and Johnson. The boys escaped injury aside from a few bruises and the horses were slightly hurt.

The worst accident of the day occurred in the last race when Rey Del Mundo was jammed against the rail during the rough riding of the boys, who were anxious to secure the rail on the turn. The horse was thrown and Cavanaugh, one of the best jockeys at the track, had his foot caught in the rail and was hurled forward. His ankle was broken and he was taken to St. Mark's hospital. Rey Del Mundo's shoulder was broken and the animal had to be shot.

HORSE JUST SOLD.

About one hour before the fatal race, J. B. Goodman had sold Rey Del Mundo for $600. The horse was a six-year-old gelding out of Leola by Rel el Santa Anita. The animal was a good one and but for the accident would have been in the money. In three other starts he took two firsts and a second.

There was all kinds of excitement yesterday. Owners of Halton made charges of foul in the third race, claiming he was carried wide at the turn by the winner. Harris, riding Happy Chappy, claimed that his horse was tiring and that he ran wide despite his efforts to prevent it. A summary of the events follows:

First Race—
Bean Man, 11 to 2, won.
Homeless, 4 to 5 place, second.
Figent, 3 to 2 show, third.

MANAGER AND CAPTAIN OF ATHLETICS AND A SCENE ON SEN SATIONAL TOUR.

After being regarded as almost hopelessly incompetent to keep pace with the first class teams of their league the Philadelphia Americans have within the last few weeks become the sensation of the circuit. For the team that was regarded as solely a second division club the Athletics made one of the most remarkable western trips ever recorded by an eastern team—that of capturing every series. The splendid record of the Athletics to date is an instance of what competent management will do for a combination of ball players that is not up to championship caliber. Manager Connie Mack knows that on the surface his team is not considered first place material, but there have been many pennants won by inferior clubs guided by master managers. In Plank, Bender, Vickers, Dygert, Coombs, Salve, Krause and Flater, Manager Mack has one of the strongest pitching staffs in the American league. Captain Harry Davis, the veteran first baseman of the Athletics, is now playing the greatest game of his career. He is fielding in a sensational manner and hitting the ball at a great clip. Illustration shows close play at second base in recent game with Washington.

TURF OFFICIAL IS BACK FROM SPOKANE

W. H. Gleason, treasurer of the Utah Jockey club, who has been away for several days on business, returned this morning from Spokane and the Coeur d'Alene country, where he went to look over the situation with a view to promote a race meeting.

Mr. Gleason found that conditions were not altogether desirable as there was no track in the district proposed, and it is not likely that the club will go to the expense of building a course. Mr. Gleason found business conditions good generally but says he is glad to get back "to good old Salt Lake."

PLANS LONG TRIP.

Salt Lake Citizen to Motor from Marysvale to Grand Canyon.

Mr. E. G. Woolley, Jr., a broker of Salt Lake City, is arranging for an automobile trip from Marysvale to the north rim of the Grand Canyon to be taken in June.

He will have gasoline shipped ahead and left at various towns on the way, a gallon for every nine miles; and has just sent to his uncle, President E. D. Woolley, for a road map of the country so that the proper amount of gasoline can be distributed at once.

Mr. Woolley will go in his auto back home over the same road.

If this trip is successfully made there will be other automobiles coming to this side of the canyon. And before long we can have our mails and passenger service handled by the automobile.

That would put us at least 50 miles nearer to civilization.—Lone Cedar, Kanab, Utah.

ROUGH RIDING TO BE STOPPED

Jockey Club Officials Take Needed Action Against Those Guilty of Dangerous Practise.

Judges of the Utah Jockey club and a number of indignant horse owners got together last evening and took steps to put a stop to rough and foul riding at the race track. Several jockeys have been guilty of this dangerous practise and as a result there were a couple of bad spills yesterday afternoon and the wonder is that some one was not killed outright. Jockey Cavanaugh had his ankle broken and Rey Del Mundo, a valuable horse, had his shoulder broken and had to be shot. Two or three other jockeys were badly bruised and shaken and all because some of the jockeys apparently have no regard for their lives or anything else.

The turf officials have decided that this sort of thing must stop if it is necessary to rule off the track some of the guilty ones. It was decided to have patrols at the posts to watch the jockeys and those who persist in rough riding are to be summarily dealt with in the future. It is claimed that in yesterday's accident Jockey Sandy was to blame, but he is not the only one under suspicion. Nelson and Sullivan have been suspended pending further investigation of their die in the Hereafter-Strike Out mixup. Jarrett has been set down and Denny was laid off for 10 days. From the temper of the judges and other officials it is probable there will be a big shake-up if conditions do not improve.

HARD LUCK OF BOWLERS.

Anderson Seriously Hurt in Runaway Accident—Congress a Failure.

Pete and Jack Quinn, members of the Salt Lake bowling team that went to Seattle to attend the western bowling congress, have returned and the story they tell accounts for the poor showing made by the local bowlers.

On the night of the five-man competition, Anderson, one of the best men on the team, was struck by a runaway team and narrowly escaped death under a street car. He was taken to his room where his wounds were attended to. His arm was badly cut and he received numerous bruises. A substitute was secured just before the contest started. In addition to the accident to Anderson, Dave Margetts had a finger split open so it is no wonder the Salt Lakers did not make a better showing.

GOOD CARD OF BIKE RACES THIS EVENING

There is another good card of bicycle races at the Salt Palace track this evening. The main feature will be the match race between Ernie Pye of Australia and Walter Bardgett of Buffalo. This pair are evenly matched and a fast and exciting race should result. They will ride mile heats, best two in three and will be paced by Saxn Williams. The other events are as follows:

Two-mile open lap, professional.
One-mile handicap, professional.
One-mile open (invitation), professional.
Two-mile lap handicap, amateur.
Three-quarter mile open, amateur.

BOXERS ACCUSE PRICE OF CROOKED WORK

The Sinclair-Fitzgerald fiasco at the St. Regis club on Monday night last will not down. Following the announcement that Sinclair and Fitzgerald had been barred from the club, one of the club owners declares that Manager Price is not free from suspicion and that none of those who participated in the affair will receive a cent for their trouble. Now comes Sinclair and Fitzgerald with the following statement:

"We, the undersigned, see by the daily papers that we are barred from the St. Regis club for faking our bout on Monday, June 1, and deem it to the interest of the public as well as ourselves and all concerned to make the following statement and show who was back of it all. A Mr. Walker was backing Fitzgerald to the extent of $1,000. Tommy went to Manager Price and asked him to match him with Peanuts Sinclair, providing Price would take some of the side bet. Price said he would take the side bet and make the match if Fitzgerald would agree to lose, for which Price agreed to pay us $200 besides the purse. Knowing that Price has control of the club, we agreed to take the offer. After Referee Pete Sullivan had called all bets off, Price could not accomplish his purposes. The promoters, Manager Price and Treasurer Charles Bates, have refused to pay us the purse. Signed,

"PEANUTS SINCLAIR,
"TOM FITZGERALD."

"PENNY" GOSSIP.

A noticeable feature at the race track yesterday was the absence of minors in the betting ring.

The Burlington baseball team defeated the Emmanuel nine yesterday afternoon, 8 to 2.

The Pemroke team was beaten by the Brokers yesterday afternoon in a game of ball. The final score was 17 to 4. The game was played at Liberty park.

Pete Sullivan was seen tearing up South Temple street this morning, clad in a half a dozen or so sweaters. Asked if he were training for a fight Pete replied that he was simply "keeping in shape so as to be ready if anything turned up."

Tuesday night at Rawlins, Wyo., Andy Malloy defeated Kid Gilsey of Denver in the twentieth round. Malloy writes that he had his man whipped in the seventh but that the referee gave Gilsey plenty of time to recover.

The Stanford track team which took second place at the western conference held in Chicago, passed through the city yesterday en route home. The team did well and the members are satisfied with the showing made.

Manager Harry Lumley of Brooklyn has signed "Lanky" Anderson, the University of Maryland pitcher. Anderson pitched five shut-out victories for the college nine this spring.

"Dots" Miller continues to cause happiness in Pittsburg. To jump from a New Jersey amateur team to the Pirates and make good is the stunt performed by "Dots" and one that is seldom equaled.

Dick Williams, owner and trainer of the Pasadena stables, was at the race track yesterday afternoon and said he was pleasantly surprised to find such an excellent course and well managed meeting. He goes to Butte for the meeting there.

E. J. Ramsey, who has a stable of 14 fine horses at the track, will take his string to Butte for the meeting there next month. Mr. Ramsey feels keenly the loss of Jockey Jarrett, who was set down by the judges and thinks, as do many of his friends, that the officials were too hasty in their action.

It looks strange to see Rochester leading the Eastern league. For several years past the quickest way to find out how Rochester stood was to begin at the bottom of the E. L. percentage table.

McAleer's St. Louis players declare that Criss is the champion "sky-denter" of the world. They claim that several balls hit by Criss have come down covered with snow and that one didn't come down until after the game was over, when it was caught by the groundkeeper.

East Liverpool seems to have it on the other Ohio and Pennsylvania league teams so far this season.

On account of Doc Gessler's illness Harry Lord has been appointed captain of the Boston Americans.

Aurelia Herrera, the Mexican lightweight, has returned to the game and will meet Chick Hudson in San Francisco July 5.

A New York bookmaker offers even money that the Highlanders will not finish the season in the first division.

Jimmy Clabby expects to be matched to box Mike (Twin) Sullivan, the bout to take place in San Francisco this month.

With Mathewson, Wiltse and Raymond pitching winning ball the Giants should be able to give Chicago and Pittsburg a little excitement.

Philadelphia baseball fans are hoping that Billy Murray's Quakers will make a better showing on the road than they did at home.

Not content with pushing the Boston Nationals in over their heads all the other National league teams are standing on the Doves to drown them.

The measure to legalize 10-round bouts has passed both branches of the Wisconsin legislature and awaits the governor's signature to become a law.

Both Joe Jeannette and Sandy Ferguson have returned from Paris and no doubt they will be matched for another bout in the near future.

Jim Coffroth has offered Jim Jeffries $10,000 for a "make-believe" fight in order to get moving pictures of Jeff in the ring.

Pitcher "Dolly" Gray of Washington is beginning to show the stuff that Manager Cantillon has claimed all along was in the Californian.

ATHLETIC VICTORIES DULY CELEBRATED

The High school gymnasium presented a lively scene yesterday when the students met and celebrated the numerous athletic victories which were gained by the school during the year.

The girls basketball team, which went through the season without a defeat, was presented with a picture of the team by Manager Lenor Bush. The football team was presented with a handsome picture by Manager Mercer Stout, who also gave to Coach Callahan a pin. The latter then presented members of the team with pins. The girls were given pennants for basketball victories and Manager Frank Cameron presented Robert Porter with a stickpin. A combined picture of the track and baseball teams was presented to the school by Louis Karrick.

The Fred C. Richmond, Jr., medal went to George Atkins, the remarkable young athlete who performed so well during the various track and field contests.

FALLS DEAD AT POST.

Frank Gill Runs Second But Will Run No More.

Gravesend, N. Y., June 10.—Frank Gill, a chestnut horse, fell dead, probably from bursting of a blood vessel, after finishing second in the third race at Gravesend today. He was heavily played favorite at 1 to 2. He ran in second place all the way. When Scoville, his rider, pulled up on the lower turn he felt the horse giving way under him and jumped off just as Frank Gill dropped dead. Frank Gill was in the stud at a Kentucky farm for a season and was brought east this year to race, but has shown nothing like the form he displayed as a 3-year-old, when he defeated Peter Pan. He was 5 years old, by Collar-Ravello II.

First race, about six furlongs—Notasulga, 15 to 1, won; Mauviette, 7 to 2, second; Twilight Queen, 5 to 2, third. Time —1:11 3-5.

Second race, five and a half furlongs—Pretend, 6 to 1, won; Zacatecas, 8 to 5, second; Elizabethan, 11 to 5, third. Time —1:08 4-5.

Third race, mile and an eighth—The Squire, 16 to 5, won; Frank Gill, 1 to 2, second; Killecrankie, 20 to 1 third. Time —1:55 2-5.

Fourth race, about six furlongs—Royal Onyx, 12 to 1, won; McCarter, 7 to 5, second; Dreamer, 4 to 1, third. Time—1:10 3-5.

Fifth race, mile and a sixteenth—Judge Ermentrout, 50 to 1, won; Choir Master of Cresterbrook, 2 to 1, second; Dandy Dixon, 20 to 1, third. Time—1:52 4-5.

Sixth race, five furlongs—Greenvale, even, won; Radium Star, 8 to 1, second; Follie Levy, 5 to 1, third. Time—1:03 4-5.

KETCHEL WANTS JEFF TO REFEREE FIGHT

New York, June 11.—Stanley Ketchel would like to have Jim Jeffries as referee for his coming fight with Jack Johnson for the world's championship at Colma, Cal. The Michigan middleweight arrived here early this morning from Philadelphia, with his manager Willus Britt. Speaking of the statement of Jeffries that he would take on Ketchel for the championship should he defeat Johnson, Britt said:

"I don't believe Jeffries would want to fight Ketchel. Jeffries' sole idea in returning to the ring was to defend the title from Johnson, who claims it. I should like nothing better than to have Jeffries referee the Ketchel-Johnson fight and will accept him in a hurry if Johnson makes no objection."
