ment is preparing to ask the supreme court to decide whether appeals may be taken from state courts to the United States circuit courts of appeal. The question is raised in the case of Anion Hansen Haug, a subject of the king of Norway, which was docksted today in the supreme court. Haug filed a petition for naturalization in the su-perior court of King's county, Wash-ington. The government intervened with the contention that as Haug was an alien, papers could not be issued to him. The King's county court dealed a motion to this effect, whereupon the United States district attorney pre-sented to that pourt a petition for a writ of error to the United States cir-cuit court of appeals for the Nieth circuit on the ground that the case tovolved a federal statute.
