AQUATIC MONSTERS.

THERE is a great deal of skepticism in regard to the existence of aqua-tic monsters. The reports of sea serpents, lake leviathans, and river reptiles, though often repeated, are usually laughed at and generally discredited. are in no sense a compliance with the requirements of the law of Louisiana. They do not even pur-

The sea serpent has been seen by port to be a copy of the certificate many mariners, if their sworn tes-mony can be relied on. That monsters inhabit our mountain lakes we have the evidence of relia lakes we have the evidence of reliable persons. And now comes a

able persons. And now comes a startling statement from Captain John Carraway, of the Bee Wing, plying on the Mississippi, of the appearance of a river leviathan of a most extraordinary character, on the evening of the 4th Inst. The Bee Wing was towing six heavily loaded coal barges up the river, and when sixteen miles above Memphis the captain observed what at first he thought was an immense uprooted tree, and heard what he imarined was the sound the sound with the jaw of Lonislana, and conflict with the captain observed what at first he thought was an immense uprooted tree, and heard what he imarined was the sound the sound the law of Lonislana in every respect, and the clerk has what he imagined was the sound of a broken escape pipe. But as he approached it the noise increased, and to his horror there appeared a terrific monster, rearing its great s volume twice as great as that us- no." ually ejected by the whale. The Cox hoped there would be no ob-neck, ten or twelve feet in length, jection to the Clerk opening the

snapping its lashings, upsetting its cargo and pitching a German named Henry Decker into the river. The man scrambled out of the water into another barge, and the leviathan, attacking it again, lashing it with his tall and striking it with his bill, sent it a hundred feet down the river. The noise made was terrific, and when the monster passed on, the Captain thinks its velocity was about forty miles an hour. The barge had to be abandoned. The barge had to be abandoned, bee, and he had, therefore, placed as it was sinking, the bottom being his name on the roll.
