XLVIII CONGRESS.

SENATE.

WASHINGTON, 20.—The Chair appointed as visitors to the next annual examination of Naval Academy, Senators Miller, of California, and Pendleton.

Farley presented a concurrent resolution of the Legislature of California relative to the appropriations already made by Congress for the improvements of the Sacramento River, but which, according to the resolution the Secretary of War refuses to permit to be expended, on the ground that the amount of debris constantly floating in the river makes the expenditure of money useless. The resolution urges the expenditure of the money. Referred to the committee on commerce.

The Senate proceeded to the consideration of the pension bill.

After a few minutes before one o'clock proceedings were suspended to permit the attendances of the senators at the unveiling of the statue of Chief Justice Marshall.

On the return of the senators to the chamber the Senate adjourned.

AMERICAN.

Failures.

ST. PAUL, 10.—The Northwestern Manufacturing and Car Company of Stillwater, Minn., of which D. M. Tabor is president, C. D. Gillilllan, vice-president, and H. B. Stemson, second vice-president and general manager, failed to-day.

Director Seymour, the former head of the firm of Seymour, Sabin & Co., which was merged into the Northwestern, stated yesterday that the liabilities were $1,000,000, assets $4,500,000; that the company was being pressed by a number of creditors on obligations which they had expected to meet on money secured from the East; that the suspension of the Marine bank and the failure of Ward & Grant had so shaken the confidence in credits that they had found it impossible to secure the expected advance to prevent attachments and the tieing up of their property. The company had resolved to have a receiver appointed. They expect to discharge all their obligations, and after the temporary embarrassment resume again as a corporation. It is understood that A. H. Brown, of Hersey, Bean & Brown, of Stillwater, has been selected as receiver. The Northwestern Car Company had a great backset in Stillwater.

Tombstone, Azizona, 10.—This morning the branch bank in this city of Hudson & Co., announced a temporary suspension.

Boston, 10.—S. Snow & Co., wholesale fish dealers, have failed. They were embarrassed in February last but made arrangements with their creditors without publicity. The second payment under that arrangement is now due, and being unable to meet it they have assigned. Liabilities $150,000 to $300,000.

The Catalogue of Crime.

MINNEAPOLIS, 10.—The *Journal's* Winnipeg: It has just transpired that John Boultbee a prominent Portage La Prairie barrister now in Portland, Oregon, has absconded with $70,000.

Elmira, N. Y., 10.—Butler F. Strong, Congressman for two terms, killed himself to-day in the presence of his wife and son. For a long time he has been sick. He was U. S. Marshal for Dakota in 1881.

St. John's, N. F., 10.—The grand jury to-day found five true bills against nineteen of the Catholics who participated in the Harbor Grace affray in December last, for wilful murder of James French, Nicholas Bray and Callahan.

Fort Worth, Texas 10.—A heavy robbery occurred on the West bound Texas Pacific train just as it pulled into the Union depot here to-night at 9 o'clock, in which an Italian or Spanish priest named J. Casima, from Chicago, on his way to California, was robbed of $13,000. While the priest was paying for his lunch in Dallas early this morning, he made a display of his money. After the train left Dallas he was approached by three men, who tried to make his acquaintance, without success. As the train slackened up in the depot at Fort Worth the three strangers crowded on the car platform by the priest. One seized his arms, another rapidly searched him, finding a large pocket-book containing all his money in his hip pocket. The priest recognized one of the men who attempted to make his acquaintance, but could not see the others before they disappeared in the crowd. After the train had left Ft. Worth a short distance, the priest, who continued on board, was again on the platform, and saw and recognized the robber as he got on the train. This fact has been telegraphed ahead to the authorities. It is believed at least one of the robbers will be captured to-night.

SUNDAY NIGHT'S DISPATCHES.

Three Acres of Ground Sink with a Terrific Crash in Zanesville.

CLEVELAND, Ohio, 11. — A *Herald* special from Zanesville says: The town has been in a excited state to-day over a supposed earthquake. Near Brandy Avenue, in the Fourth Ward, at 10 o'clock this morning, a terific crash was heard and about three acres of ground sank several feet, carrying a number of houses, which were badly damaged. The inhabitants in the vicinity are panic stricken. The fissure opened about 150 feet deep. The only plausible theory is that several deserted coal mines have caved in. No loss of life is reported.

A Burglarious Bird.

NEW ORLEANS, 11.—The arrest of Geo. Bird, a day or two ago has led to the arrest of his newly made wife, Augusta Bird, in Algiers, her father, Rosewell Shepherd, his wife, two sons and daughter. In their homes were found a large lot of watches and jewelry with a quantity of new coins bearing dates of different years and a full set of burglar tools.

The Utah Bill.

WASHINGTON, 11.—The Indian, Pension and Agricultural appropriation bills and the Utah bill will probably occupy the Senate during the week, with a possibility that the bill to establish a bureau of labor statistics may be reached before its close.

Pere Hyacinthe's Church Legalized

CHICAGO, 11.—The famous ex-French priest, Pere Hyacinthe, preached at Trinity Episcopal church in this city to-day. His address, which was in French, dealt with the subject of the resurrection of the body. He and his wife arrived from Madison, Wis., yesterday, and are guests of Hon. E. B. Washburne, ex-minister to Paris. He leaves for New York to-morrow and will at once sail for France, being recalled by formal notice of a decree by President Grevy, legalizing his church in France, which is expected to give that reformation a new and powerful impulse.

FOREIGN.

British Briefs.

LONDON, 10.—Prince Victor, son of Prince Jerome Napoleon, (Plon-Plon), leaves Paris on Tuesday on a voyage to the East to escape Bonapartist intrigues.

General Items.

PARIS, 10.—The *Gaulois* says: Before leaving Rome, Errington had a conference an hour with the Pope, who expressed satisfaction at the prospect of the renewal of direct relations of England and the Vatican. The Irish prelates are to be summoned home in October.

Portevin, Secretary of the French Consulate at New York, now in this city, has been summoned before the disciplinary commission of the Minister of Foreign Affairs, in connection with the remarks made by him recently expressive of sympathy with the Germans in relation to the Franco-Prussian war. Minister Perry will decide upon what action to take in the case in accordance with the opinion of the commission.

Berlin, 10.—The Reichstag to-day passed, by 189 to 157, the anti-Socialist bill to its second reading. The success of the measure has surpassed all expectation, and it will undoubtedly be passed to the third reading Monday.

Rome, 10.—Giovanni Prati the poet is dead.

The Vatican is sounding the American diocese to learn whether the appointment of Mousignor Capel as bishop or coadjutor would be acceptable. It is considered doubtful whether Mousignor Capel would accept the American Bishopric if offered.

Fighting near Alexandria.

CAIRO, 11.—Outbreaks between soldiers and natives are of daily occurrence. On Friday a fight took place outside of Alexandria between a party of English soldiers and a number of Bedouins from Lake Mareotis in which several were killed.

SUNDAY NIGHT'S DISPATCHES.

Franco-Chinese Treaty.

LONDON, 11.—Advices from Tientsin say Capt. Fourvier, acting on behalf of the French government, and Hi-Hung-Chong for the Chinese government, signed a treaty under the provisions of which China recognizes a French protectorate over Tonquin and Anam, with the existing frontiers. It is stipulated that the contracting parties shall together regulate the customs on the frontier provinces of Quiong-Tung, Kuang-Hi, and that Yunan be opened to general trade. New York, 10.—Clevelands 2, New Yorks 8.

Chicago, 10.—The sale of season tickets to the May festival closed this morning, and aggregates $15,000 for the week's sale. The sale of single tickets begins next Monday.

Louisville, 10.—The Greenbackers of the Fifth Congressional district to-day selected uninstructed delegates to the National Convention. A resolution instructing for Butler was voted down.

A large number of citizens assembled at the Capitol grounds this afternoon to witness the unveiling of the statue of Chief Justice Marshall. The statue is a seated figure of bronze, heroic in size, and rests upon an oblong pedestal at the foot of the terraced stairway upon the west front of the Capitol.

Ex-deputy marshal Brown of Eastern Pennsylvania was examined before the Springer committee to-day, as to the marshal's office in that district. He said no returns had been made by Hall for fees in the torpedo cases. He could not say just what the fees amounted to, but should judge not less than $30,000.

Jay Gould says: I have received numerous dispatches inquiring into the truth of the statement that I was in financial difficulty. It is needless to say there is not a word of truth in it. The whole purpose of the rumor was to create a demoralization in the market, so that purchases could be made by heavy buyers at a reduced figure.

Mexico, 10.—The Mexican Central party visited the jocky club house to-day. This afternoon there was a concert in the plaza in their honor, and a banquet in the evening, celebrating the completion of the railway. President Nickerson was unable to be present.

Houston, Tex., 10.—The inter-State drill and encampment closed to-day with a grand sham battle. Fifteen companies and three batteries participated. The infantry contest for the first $5,000 was awarded to the Houston Light Guards; second prize of $1,500 to the Treadway Rifles; the St. Louis first prize of $1,000 to the Busch Zouaves, of St. Louis. The Houston Light Guards, the winners of the $5,000 prize, unanimously resolved to distribute the $5,000 equally among the competing companies for the inter-State prize.

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Flattering at the Heart, Dots before the eyes, Highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work, and are a perfect ANTIDOTE to MALARIA.

PRICKLY ASH BITTERS

The majority of the ills of the human body arise from a derangement of the Liver, *affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.*

Prickly Ash bitters are acutally compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. *As a* Blood Purifier *they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the whole. It is a* medicine and not an intoxicating *beverage.*
