

LOCAL AND OTHER MATTERS.

High Council.—The members of the High Council are requested to meet at the Council House this evening, at 7 o'clock.

Also on (Wednesday) evening, the 12th inst., at the same hour.

WM. W. TAYLOR, Clerk.

Repairing.—Masons are at work repairing the wall surrounding the Temple Block. In several places the enclosure, which has done service for so many years, is beginning to feel the effects of age and warping elements.

Moving the Terminus.—The Utah Southern Extension has now reached Millford, about 15 miles beyond Black Rock, the present terminus. Early next week Millford will become the terminus. The offices and other railroad buildings are being removed to that point.

On a Visit.—Among the arrivals from the east, last night, was Mr. John Bono, of Council Bluffs, of the mercantile firm of Bono and Foreman, of that city, who is now on his way, with his family, to California and Oregon on a visit. Mr. Bono is a nephew, by marriage to his Honor Judge A. C. Pyper, of this city. The party left this afternoon for the West.

Sunday Services.—The religious services of the Latter-day Saints, to-morrow, will consist of the following: Sunday School at 10 a. m.; general meeting in the Tabernacle at 2 p. m.; and meetings in the various ward houses in the evening. Home missionaries will be in attendance at the latter. Should the weather be unfavorable to-morrow afternoon, the general meeting will be held in the Assembly Hall.

City Council.—Pursuant to call of the Mayor, the City Council convened in special session on Friday evening, May 7th, 1890, for the consideration of business pertaining to the right of way through certain tracts of land for the Jordan and Salt Lake City Canal.

The matter of the claim of Angus M. Cannon, for damages for the alleged appropriation by the City of a site surveyed and intended by Mr. Cannon for a mill race, was by mutual consent, referred to a board of arbitration, consisting of Archibald Gardner, J. M. Stewart and Rossen Miller, and the special session adjourned sine die.

Another "Well Written Article."—The last issue of the Beaver Waterman contains what the Herald would call a "well written article," the same being a verbatim description of the two-headed lady, "Millie Christine," taken from the Herald's columns without crediting its origin. In noticing this, of course we are taking the bread from the mouth of our brilliant morning friend, but really we have heard the joke so often from him that we would sooner incur his displeasure by anticipating a fresh perpetration, than be compelled to receive it again from the same source. Chip, chip!

Appreciative.—During a recent visit to the East, an attaché of the Deseret News made a call upon I. H. Cummings, Esq., the well known and respected proprietor of the St. Louis Glass Works. He was well, hearty and prosperous. He spoke in the highest terms of his visit to Salt Lake City with his amiable wife, and said he was amazed and delighted at the progress and thrift of the people, and was pleased with all he saw; indeed there was nothing on the whole Pacific Coast except the Yosemite Valley which interested him so much as Utah, and one of the greatest treats he ever enjoyed was a bath in the warm sulphur springs. We are pleased at the gentleman's appreciation of Utah, and can say that we appreciate men of his character.

Narrow Escape.—The Junction of lost evening says, that on Thursday forenoon, as Mr. Frederick Wheeler was coming down Ogden Canyon from Huntsville, with a load of butter, he had a very narrow escape of losing his life. It seems that he had reached the second bridge, which for some time past has been in a very unsafe condition, and was only held in place with a chain and a few large rocks, and had gotten his team nearly over, when the chain broke, and the half of the bridge in the rear was swept down the stream. Mr. W. hastened his team off the remainder of the bridge, not knowing how soon it would be swept away. It was a narrow escape for the young man, and his feelings at the time may be better imagined than described. A force of men were at work on the bridge at the time, endeavoring by piling in brush, etc., to protect it from the fury of the surging waters.

"Watchman" Writings.—The telegraph office at Corp Creek has been closed. It was used occasionally by people living on the river, but never paid expenses.

A Beaver citizen, who has lately been through the Cave Mine, says that it is an immense ledge, abounding thousands of tons of good ore for different workings.

The funeral of Mother Newman took place from the meeting-house yesterday and was largely attended by friends and acquaintances of the deceased. She was 57 years old.

On Sunday evening last, Mr. Joseph Murdock and Miss Clara Farnsworth, both of Beaver, were united in the bonds of matrimony. Bishop Murdock officiating. We wish the young couple long life and happiness.

News from the North.—From the Logan Herald of today: On Monday evening, a young man by the name of John Johansen, who resides in Logan, was thrown from his horse and had his collar bone broken.

Richmond had a little diversion in the way of an eloquent meeting. A young couple went to Franklin, were married, and with others left for parts unknown.

The small boy of Mr. Mortensen's whom we before mentioned as having a bone of his leg broken by a fall, is almost well enough to run and play again.

Mr. H. M. Phipp, who had his leg broken on the U. & N. some time ago, is nearly recovered. He can already get around on crutches.

The Cache Valley Board of Trade met last Monday for the purpose of electing officers for the ensuing year. The result was the choice of the following named persons: For President, W. B. Preston; 1st Vice President, M. W. Merrill; 2nd Vice President, C. O. Card; Directors, W. B. Preston, Henry Hughes, R. S. Watson, M. W. Merrill, C. O. Card, F. Turner and S. R. Parkinson. General Manager, R. S. Watson. Secretary and Treasurer, R. S. Campbell.

Last Sunday, Alma, son of Hon. M. W. Merrill, of Richmond, sustained an injury through the explosion of a cartridge. We are informed that the young man was placing in a rifle a cartridge which he had reloaded. As it did not readily push to its place, he used the lever to force it in, when the powder ignited. By the bursting, his face was powder burned, and one piece of shelled lodged in the flesh.

A son of Chas. Frank, Esq., about 12 years of age met with a severe accident last Tuesday evening. It seems he was playing with some other boys near the residence of G. W. Thatcher, Esq., when he had occasion to climb the picket fence. Being falling over he fell and one of his feet caught between two pickets above the upper railing, and his body hung down on the inside. In this position his leg was on a twist, and as a lever, it sustained the weight of his body. This with the force of the fall caused the limb to be badly broken.

Lost Chinaman.—It is reported that on the 15th inst., at or in the vicinity of California Ranch (the terminus of the Utah Southern Extension Railroad), a Chinese boy named Lo Kum On, about 18 years of age, strayed away from a wagon on which he had taken passage to Silver Reef, and nothing has been seen or heard of him since. The father, "Yee boy's father, Lee Chung Too, who lives in the Reef, is very anxious to know something of his son's whereabouts, and offers a reward of \$100 to anybody who will lead the stray Celestial on his paternal bosom, if he is alive. If he is dead, finally remarked the Chinaman, who gave the reporter this news, the father no want money. The \$100 reward money has been deposited with Mr. John H. Rice at the bank, and will be paid to anybody producing the boy to his papa.

Pleads "Guilty."—The case of Ammon P. Pitkin, of Millville, charged with rape, and by his own confession guilty of the crime of incest with his own daughter, came up before Associate Justice Emerson in Ogden yesterday. The Court appointed H. W. O. Margary to defend Pitkin, who then pled guilty on the advice of his counsel.

The sentence was reserved until Monday the 10th inst. So says the Junction.

Zion's Musical Society.—The first general annual meeting of the members of Zion's Musical Society, for the election of officers for the ensuing year, and the transaction of other necessary business, will be held at the Council House on Monday evening, May 10th, 1890, at 7.30 o'clock. The attendance of all members who have been enrolled is particularly desired.

D. M. McALLISTER, Sec'y Z. M. S.

The "Mogul."—A new locomotive called the "Mogul," has been procured in the East for the Utah Southern Extension, and will be employed on the steep grade between Frisco and Millford, a distance of about 10 miles. The new engine is of extra power, having six wheels and being furnished with air brakes.

American Antiquities.—We are indebted to Mr. James Dwyer, the enterprising bookseller of this city, for a copy of the fine work from which we have quoted to-day, entitled "The North American Antiquity." The work can be obtained at his book store on Main Street, price \$3.

New Songs.—"Where is Heaven," words by F. Loomis, music by George T. Evans, and "Flowers, Fresh Flowers," words by E. E. Baxford, music by Felix Martin, are the pleasing titles of two beautiful songs just published by M. Gray, San Francisco.

Rehearsal Without Parts.—The next rehearsal of "Ours" will take place on the stage of the Theatre on Monday, the 17th inst., at 7 p. m. The actors will please be in attendance prepared to rehearse without parts.
