CINCINNATI, 23.—The jury is the case of Joseph Palmer, accomplice of Wm. Berner, returned a verdict of case of Joseph Palmer, accomplice of Wm. Berner, returned a verdict of murder in the first degree.

This verdict only emphasizes the inquity of the Berner verdict. Berner and Palmer together killed Wm. H. Kirk, their employer, in his stable for his money. They both confessed. The proof in both cases was practically the same, yet Berner's jury brought in a verdict of manslaughter. It was this gross travesty of law and justice that produced the excitement which led to the riots, and the burning of the court house. Berner has twenty years in the penitentiary. Palmer must hang.

Portland, Oregon, special says: The house of Kackley, near Hillsboro, was burned Saturday night. The supposed remains of Kackley were found in the ruins. It is believed he was murdered and the house fired. The wife and child were absent at her father's house. An investigation led to the belief that it was a tob of incurance swindling, that investigation led to the belief that it was a job of insurance swindling; that an old skeleton was placed in the house to represent the supposed charred remains of Kackley. His wife was questioned and acknowledged to having insurance policies on the life of her husband and the deeds of her property. Before the coroner's jury she swore she dreamed a man shot her husband, and fear compelled her to seek shelter in her father's house. Kackley was a man 35 years old, from Ida Grove, Iowa. He is insured in the New York Life Insurance Company for \$3,000 and in the Mutual Temperance Union for \$3,000. It is stated he was seen in Sonthern Oregon yesterday. A further investigation by the jury will be continued Wednesday.
