THREW DEADLY ACID. Miss Olga Carlgren the Victim of an Unknown Woman's Hatred.

A dastardly attempt was made Saturday night to inflict terrible injury upon a young lady well known in this city, and it is quite likely that some sensational developments will be made. if the gulity person is apprehended. The police learned of the facts last night, and they are as follows: On Faturday evening Miss Olga Carl-gren and her sister were walking along East Temple street, going south, and were near the Kenyon hotel, when widdenic a young worms who is de-

suddenly a young woman, who is de scribed as being rather short of stature and dark complexioned, rushed through the crowd toward the sisters and threw sulphuric acid in Miss Carlgren's face None of the acid entered the young None of the acid chiered the young woman's eyes, but her face was se-verely furned. She hastened to the office of Dr. Beer for medical attention, and it was then she learned that sul-phuric acid was used. The rolice have been furnished a description of the woman who made the attack and officers are doing their best to locate her. Miss Carigren says she has no idea why the attack was made, but it is believed the cause was jealousy.

PENSIONS GRANTED.

(Special to the "News.") Washington, D. C., June 24 .- Pensions granted, Idaho-John Rothwell, \$8

The ministers, government officials, judges, municipal and military author tles and leading citizens were assemoled on the platform of the railroad station, which was profusely decorated. The only foreign representatives who participated in the reception were the Russian minister, M. Tscharikoff and the Austrian minister, Herr Dumba with the members of their respective legations. A guard of honor, with a band, saluted as King Peter descended from his car and greeted the cabinet ministers. The premier, M. Avakumo-vies, introduced M. Tscharikoff to the king and the Russian minister pre-sented the Austrian minister. Thus the Austrian minister had intercourse with the provisional government with which

The fed-eral government has commissioned the sub director of the national museum, Senor F. Rodriguez, to visit the ruins. recent dools, that I have exercised the

Nicholas Leon, an archaeologist and ethnologist, accompanied the sub direc-tor to the ruins. Gen. Leon reports of our state to convene the legislature tore have been known to the world of science, and the most primitive are discovered in Mexico, in fact, so an-clent as to require a great deal of time and study to learn what enoch they in extra session. necessary, giving the counties so desir-ing the authority to use their credit to take the money to repair their loss a to this in money to repair due toos a care be passed to a few hours, and I trust the greatest entamity that has come to us will not be utilized in an attempt to pass general legislation. Assuring you of my highest person-regard and with the earnest hope al regard bellef that your acts during the

solved to order strikes, not only in this solved to order strike, there city where city, but also in every other city where an employer who is a member of the New York association is engaged in New York association is engaged in

ported at 1:30 a. m. from Nantucket. Aboard are Sir Thomas Lipton and J. P. Morgan. The vessel is expected to be at her pier at 2 o'clock today.

When the Oceanic was reported Sir Thomas' steam yacht Erin, convoyed to death. All the guests escaped.

by the Ocean tug Cruiser, which was sent across with the Shamrocks, started down th bay. Ex-Commodore Smith's yacht, the Privateer, which has been the regetta conmittee's boat at all the races of the 90-footers, thus far held under the New York Yacht club aus-

pices, also started out to greet Sir

It was a continuous triumph over unbelief and heathenism that the evange-list described his encircling of the globe

Stirring scenes were related of how hundreds and hundreds at single meetings had crowded, stricken, to the al-Instance after instance was pro sented of how infidels had surrendered Three hundred women and 300 men ormed the choir which led the con-

gregational singing under the dire tion of D. B. Towner. Bishop H. B. Hurtzler, of Pittsburg, Pa., read the cripture and Rev. W. A. Bartlett, D. D. led in prayer. Charles McCallon Alexander, the song evangelist, who ac companied Mr. Torrey in his tour, les the congregation in singing "Tis the Old Time Religion and it Is Good Enough for Me."

# New York Dogs to be Muzzled. New York, June 24 .- "Hereafter it

shall be unlawful to permit any dog to go abroad at large in any of the streets highways or public places in the city of New York, unless such dog shall be

# securely muzzled so that it be impos-sible for it to bite, tear or otherwise wound with the teeth any human being other animal." These are the terms of an ordinanc which has been adopted by the board of aldermen and which is applicable to

# the entire territory of Greater New York. The enforcement of the new law devolves upon the Society for the vention of Cruelty to Animals,
