Meetings will be held in the assembly hall at 10 o'clock a. m. and in the tabernacle at 2 p. m. The question of appointments for the coming legislature is now growing im-portant, as the various booms are well under way. The matter of se-lecting a chaplain may be said to be practically settled in favor of Carver of Ogden. At least this is the declara-tion made with positive emphasis by Harry S. Joseph, backed by a willing-ness to bet that Carver lands the posi-tion. Synthesis in the factor of the speakership. Salt Lake, with 10 votes, has been holding frequent caucuses on this point. Orville Thompson of Millard has been brought out from the far south as a candidate, as has also John H. Salt Lake county, however is not disposed to grant any favors to Robinson of Cache, merely being and unusual in the book line to serve as a Christmas gift to a friend, cause he happens to be asking for them through his friends. They have a can-didate of their own, and he is out for the position in an effort to swing a solid center against the disunited ends. Brigham Clegg is the man, and if too much opposition develops to him then Daniel McRae will be the man, and there is till apether men in givit Wil (especially if that friend resides out-side of the state,) could not do better than to call at the Descret News Book Store and inspect the History of Utah Store and inspect the History of Otan in three large volumes, by Orson F.
