## A Political Necessity.

The Post's Washington specia The Post's Washington special says, Secretary Sherman, yesterday, informed Talbot, Solicitor of the Treasury, that he would like to have his resignation, as a political necessity required that his office should be given to another person. The Secretary said it was probable that other resignations would soon be asked for. Talbot immediately complied with the Secretary's recomplied with the Secretary's request, and tendered his resigna-tion, to take effect on July 1st. The Great Earthquake on the Pacific

Const. Captain Charles Macloon, of the ship Geneva, which was sunk at Huanilios in the great earthquake on the Pacific Coast on the 9th ult, has arrived. He says his ship became entangled with others as they tossed wildly about, crashing HAVING had frequent enquiries against each other, sinking her al-most immediately in fifteen fathoms of water. On the first alarm he came up from between decks. Should be Observed by Centre Stake of Zion, Jackson County, Missouri, in the present generation. Upon that house a pillar of cloud will rest by day, and a pillar of fire by night, and the glary of the Lord will fill it and a glory of the Lord will fill it, and a rumbling sound, his attention was people have to be prepared in the attracted by the extraordinary phenomenon of the mountain abov printed an authorized edition on
