

PRICE OF GOLD... LOCAL AND OTHER MATTERS.

THEATRE.—In the rendition of "Inshavogue," at Mr. Ward's benefit, the audience at the Theatre last night had a very fine performance...

SMALL-POX AT AMERICAN FOLK CANON.—The attention of the proper parties is directed to the following:

PLEASANT GROVE, Dec. 13.—In justice to the traveling community, I have to report a case of smallpox at the mouth of American (Folk) Canon, which is doing well at this time for the stage of the disease...

ACCIDENT NEAR OGDEN.—Last Saturday night (Dec. 9) while Mr. John Beard and wife of Hooperville, were starting from the Weber Mills, he leaped one of the horses with his whip...

IT is far better to start teams with a word than with a whip. Every boy should learn that as one of his first lessons in driving animals.

ANOTHER OF THOSE INDICTMENTS.—James Thomas, J. L. Rhytha, and Alexander Hart were arrested this morning on an indictment for the murder of Dr. J. K. Robinson. John Brazier and Morris are also named in the indictment...

INFORMATION WANTED in relation to the whereabouts of Geo. A. Dockstader, merchant tailor and dancing teacher, formerly a resident of New York City, who emigrated to Salt Lake City in 1848...

THE NATHAN JUVENILE TROUPE commence a series of performances in the Theatre on Thursday. The troupe number nine in all, five of them being juveniles, the youngest being a child being the "star." Their province is in light comedy and burlesque, in which we learn they manifest much ability and have been highly successful in satisfying the expectations of the various audiences before whom they have played...

As for the little Marion we scarcely know what to say, when it were to repeat our former opinions. She seems to us one of the most perfect anomalies we have yet witnessed. On the stage, except her great cleverness and a certain quaint and old womanly style which early acquaintance with the drama must bestow, she is a perfect child. The instant she touches the characteristics of an adult of no ordinary dramatic power, she literally reveals and glorifies in a part, and who is more thoroughly understands her business...

FATAL ACCIDENT AT GLENWOOD.—Bro. Isaac W. Pierson, of Glenwood, Sevier Co., sends us an account of a fatal accident which happened at that place on the 4th instant. The circumstances are as follows: Mr. James P. Sampson was just leaving his house to go on a duck-shooting excursion, with loaded gun in hand, mule for pack, and as he was passing on he caught the lock of his gun, and the gun went off, the contents passing through the waist and into the abdomen of the above named man, named George Franklin Killian, causing his death in about two hours. The poor little fellow was the son of a widow; his age was 8 years, 5 months and 23 days. The sad occurrence had gloom and sorrow on the whole community. A coroner's inquest was held at the above place, and the verdict rendered in accordance with the above facts. The funeral took place on the 6th, and was elegantly attended by the relatives and friends of the deceased.

For SUFFERERS. Bishop W. W. Cuff called upon us yesterday, from Coalville. He represents the sufferer on the Weber as cold; has been extremely cold; about six inches of snow lies on the ground, but the roads are exceedingly good, and the business of hauling coal from the mines to the railroad is very brisk. In consequence of the severity of the weather, the work of grading for the railroad from the coal mines to Echo has been suspended. Bishop Cuff is on his way to Salt Lake, on his mission among the Scandinavians of that county. We trust he will have a pleasant and profitable time there.

LITTLE'S LIVING AGE.—This excellent literary journal is published in weekly numbers of sixty-four pages each, giving more than three thousand double-column octavo pages of reading matter yearly, and is thereby enabled to present with a satisfactory completeness, whatever is of immediate and permanent value in the vast and generally inaccessible mass of foreign periodical literature. The editor, embracing the productions of the ablest writers in every department, whether weekly compilation, historical, political, poetry, wit, science, politics, theology, or art. As a fresh and thorough weekly compilation, therefore, of the admirable and noteworthy in current literature, including the ablest and most interesting essays, reviews, serial and short stories, poetry, scientific, historical, and political information, it has become exceedingly valuable in the great and growing multiplicity of quarters, monthlies, and weeklies, to every person or family of intelligence and taste. High critical authorities unite in pronouncing it "the best of all our eclectic publications."

The subscription price (\$2 a year) is cheap in proportion to the amount of reading matter furnished; but for those who desire the cream of both home and foreign literature, a still cheaper offer is made by the publishers (Little & Gay, Boston), viz, for \$10, they will send the Living Age, weekly, and either one of the following: The Atlantic Monthly, for a year; or for \$20, the Living Age and our Young People, the next

SAN FRANCISCO TRADE. A GREAT MEDICAL DISCOVERY!

J. WALKER'S WINEGAR BITTERS. MILLION'S BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all poisonous stimulants. They are the GREAT BLOOD PURIFIER and a LIFEGIVING PRINCIPLE, a perfect Blood-sterilizer and invigorator of the system, curing all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters without their directions, and remain long unwell, provided their bones are not destroyed by the action of the poisons, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Constipation or Inflammation of the Liver, and all the Vital Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at a late period of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Hypocondria or Indigestion, Biliousness, Headache, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Impure Blood, and are generally cured by the use of the Bitters.

DIARRHEA OR INDIGESTION, Headache, Pain in the shoulders, Coagula, Tightness of the Chest, Distension, Sour Eructations of the Stomach, Bad taste in the Mouth, Bileous Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the stomach and stimulate the liver and bowels, which render them of unequalled value in cleaning the blood of all impurities, and imparting new life and vigor to the whole system.

Crease the Vitiated Blood whenever you find it impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it with the Bitters, and it will be purified in the veins, cleanse when it is foul, and your feelings will be renewed. Keep the blood pure and the health of the system will follow.
