HEARINGS IN THE DISTRICT COURT.

Burglars and Holdups Booked for The State Prison—Probate And Other Cases.

MEETING OF FRUIT GROWERS.

To Discuss New Horticultural Experiment Station—Pathetic Death of Young Indian.

Ogden, Utah, Jan. 13.—In the district court yesterday James Miller, charged with housebreaking, entered a plea of guilty, and will be sentenced next Tuesday by Judge Howell.

The trial of John Anderson, which was begun Wednesday in the district court, was completed yesterday, and the jury after being out about two hours, returned a verdict finding Anderson guilty of assaulting Ed Johnson with a deadly weapon. Judge Howell will impose sentence Monday at 10 o'clock.

At the same time there will come up for sentence John Burke and Joseph Davis, who pleaded guilty to robbery, and R. Day, who pleaded guilty to embezzlement.

Had the bid offered a few days ago in the district court for the stock owned by the late Daniel Shupe in the Shupe-Valliant candy company, been accepted, Mrs. Etta Shupe would not have received \$2,500 for the 55 shares of stock which it now appears she will get. Attorney Richard Pratt has filed a petition in the district court praying for a confirmation of the sale of the stock on the new bids to Mrs. Pearl Decker, sister of Mrs. Shupe, whose bid is \$11,000 for the stock.

A few days ago the administratrix petitioned the court to confirm the sale of the stock to Joseph Scofield, for \$1,000, but when the hearing on the petition came up in the court, the highest price came in and bid as high as \$13,500 for the stock in two days. The court felt that it would not be just to confirm the bid of Mr. Scofield, and hence ordered that new bids be called for, believing that higher bids would be received, but it now appears from the petition filed in the court last night by the attorney that Mrs. Shupe will be realized for the stock. The hearing on this petition will come up Jan. 24, and 10 o'clock.

In the case of Edwin T. Woolley against the Ogden Woolen Mills company, wherein judgment was entered in favor of plaintiff, the court ordered the staying of the execution until further order of the court.

H. D. PETERSON'S FUNERAL.

The funeral services over the remains of Hans D. Peterson, who died Wednesday morning, will be held Sunday morning at 11:30 o'clock at the West Weber mortuary. The remains may be viewed at the family residence in West Weber Saturday afternoon and Sunday morning between the hours of 9 to 10:30 a. m. Interment will take place in the Ogden City cemetery.

YOUNG INDIAN DIES IN OGDEN.

An Indian named Hana Tope, or Ma Beaver, died yesterday at the camp of his father on the Weber river, near Twenty-eighth street, from pneumonia, aged 21 years. His parents' home is at the reservation near Malad, Idaho. Last fall his relatives, including his father and mother, his wife with their one papoose and a younger brother came down from their farm in the Malad valley so as to be near medical assistance. They first went to Salt Lake, but later moved here and pitched their tepees down near the Weber river at the foot of Twenty-eighth street. The sick man grew worse and died during the night. Yesterday morning the Indians made known the death to the people and asked for the services of a "Mormon" Bishop—they being of that religion. A visit to the tepee revealed a pathetic sight. At one end of the biggest tent—a very small one—lay the corpse, nicely laid out and covered with a bright blue clean blanket. The wife was huddled near the mother holding her little babe to her breast. She took no notice of the visitors, but was plainly weeping her body to and fro. The aged mother was stoical at first, but when the matter of the burial of the body of her dead son was being discussed, she broke down and wept bitterly.

The Daily News is delivered by carrier in Provo every evening (Sundays excepted) on the same terms as in Salt Lake—75 cents per month. DISTRICT COURT HEARINGS.

Damaging Evidence Against John W. Freshwater.

Special Correspondence. Provo, Utah Co., Jan. 12.—Suit has been commenced by the Young Men's Consolidated Co-operative Institution, of Spanish Fork, against John W. Freshwater, to collect \$134.75, with interest at the rate of one per cent per month from March 29, 1897, alleged to be due on a promissory note.

The suit of W. H. Crogan vs. N. P. Glenn, a suit for wages, has been dismissed by stipulation.

Dr. James Davidson, who was subpoenaed as a witness for the state in the case against John W. Freshwater, refused to attend, and a bench warrant was issued for him, and he was brought into court. His testimony was to the effect that, last August, the defendant came to the Dr. Davidson's home in the Grier House, and wanted him to do something to relieve the girl from her condition.

Dr. Davidson was fined his fees and

FRUIT GROWERS' MEETING SATURDAY.

A meeting of the fruit growers of West Weber county and vicinity and all those

interested in horticulture is called for Saturday morning at 10 o'clock at the commissioners' room in the county court house, to consider the new horticultural law, which is of vast importance to the fruit growers. The advisability of establishing a horticultural experiment station as an auxiliary to the horticultural experiment station at Logan, in one of the central counties of the state, will also be discussed. These matters are of vital importance to the horticulturists.

The officers are: D. H. Adams, president; John L. Herlick, vice president; C. A. Smith, secretary; A. H. Rodgers, assistant secretary; S. J. Crispin, treasurer; William A. Wilson, chairman of executive committee. These officers are to select an executive committee of 20 members and a legislative committee of five is to be appointed immediately, for the purpose of drafting an anti-cigarette bill to be presented to the Legislature. Mr. Brown will leave today for Chicago.

BARTENDER LOSES CHILD.

Mildred Jones, the little daughter of Mr. and Mrs. F. W. Jones, died shortly after 8 o'clock last night at the family apartment, 2347 Adams avenue. A particularly pathetic circumstance connected with the death of the child was that she was confined in the county jail less than half a block away, and was not with her father when she died. Jones was the man who a few days ago squandered \$92, which he had collected as the proceeds of a ball given by the Bartenders' union.

BRIEFS AND PERSONALS.

The police are looking for a smooth individual who yesterday managed to pass a couple of bogus checks—one on Sam Rosenbluth, for \$24, and another on Jacob Kurtz, for \$10.

The infant child of Mr. and Mrs. Joseph Parker of Clinton, Davis county, died yesterday morning of pneumonia, making the second child that the parents have lost by this disease within two weeks. The funeral was held at 10 o'clock this morning at the home in Clinton.

President Ben E. Rich of the Southern States Lumber Co., who has been visiting with relatives in Ogden, went to Salt Lake yesterday afternoon.

"As You Like It" is booked to appear at the Grand Opera House next Monday night.

The funeral services over the remains of Ruth, the little five-months-old daughter of Mr. and Mrs. Wm. Olsen, who died at Pocatello, were held at the home of her grandparents, Mr. and Mrs. Marcus Farr, yesterday afternoon. Consoling remarks were made by President Ben E. Rich, Elder Loren Farr, Bishop Witherspoon and E. A. Larkin. Edward Stoker has gone to Wyoming on business. He will be absent ten days.

Rev. Carlisle P. B. Martin, L.L.D., of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome cold, which is very hard to dislodge, but a small quantity of Ballard's Horehound Syrup at once dislodges it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take, I can most cordially recommend it to all persons afflicted with a medicine for throat or lung trouble." Dr. See and H.O. PAYSON.

ANOTHER VETERAN AT REST.

Mrs. Harvey Moore and Mrs. Joseph Spahnower Called to Other Side.

Special Correspondence. Payson, Utah Co., Jan. 11.—The death of Clara J. Druggeller, who resided at the home of her daughter here yesterday, Jan. 10, after a short illness incident to old age and general debility at the age of 80 years, being born in Butler Co., Ohio, Sept. 12, 1824. Sister Moore was one of the oldest residents of Payson. She came to Utah in 1852, coming directly to Payson, arriving in September of that year.

Her family received the Gospel in Indiana in 1831 and moved to Jackson county, Mo., in 1833, and passed through the trying scenes of that period of Church history; her father succumbed to hardship and privations in 1834, leaving her fatherless at the age of 10 years.

The remainder of the family moved to Nauvoo where she saw a good deal of the life of the Prophet Joseph Smith. She also was married to John Harvey Moore in Nauvoo in 1841, and lived with her husband for 58 years, he preceding her to the other side by a few years.

Sister Moore was present at the meeting in Nauvoo in August, 1844, when she saw to her satisfaction that the leadership of the Church had fallen upon Brigham Young. She was ever a faithful and devoted member of the Church of Jesus Christ. She is the mother of five sons and five daughters, all of whom survive her except two sons, her total descendants number 161, of whom 122 are living.

Funeral services will be held in the Second ward meeting-house, Friday, Jan. 13, at 11 o'clock.

MRS. SPANHOWER DEAD.

The wife of Joseph Spahnower of Spring Lake died yesterday at her home of acute pneumonia, having been sick but a few days. She was about 39 years old and leaves a husband and one child to mourn her untimely demise.

Bishop Hansen of Benjamin has bought the residence of John Southworth and moved his family to Payson. About four inches of snow fell last night.

white stone, also obtained from Grass Valley canyon, a distance of 20 miles from Circleville. The floors and wainscoting are of Oregon pine, the other lumber and joinings being of native pine. The cost of the building was \$4,750.

There are enrolled in the school 160 pupils. Four teachers are employed. One week before the holiday vacation the new building was occupied. It is certainly quite a step forward from the log schoolhouse of the past to this magnificent building. The members of the school board are Joseph A. Peterson, J. H. Fullmer and Willis Johnson. Our little town is in a very prosperous condition and the spirit of moving that was so prevalent in the past has given way for a desire to improve and beautify the home and make it permanent.

Louise M. Beck and Martin W. Beck of Chicago, cousins of Senator Johnson, are visiting here. They are so delighted with the country and Utah that they will remain all winter.

CIRCLEVILLE.

NEW SCHOOL BUILDING.

Handsome Structure a Credit to the Community.

Special Correspondence. Circleville, Platte Co., Jan. 8.—The accompanying picture of the Circleville schoolhouse is a good indication of the thrift and enterprise of our citizens. The building is in the shape of a T, hence only the front is shown, the main part is 60x33 feet and the

back 25x30. There are four large class rooms besides an assembly room that takes in one entire floor of the main building. The building stone is pink granite hauled by team 15 miles from the Grass Valley canyon, the foundation being built of black volcanic rock. The ornamental course of rock just under the windows and running around the entire building, is of a beautiful

porous condition and the spirit of moving that was so prevalent in the past has given way for a desire to improve and beautify the home and make it permanent.

Louise M. Beck and Martin W. Beck of Chicago, cousins of Senator Johnson, are visiting here. They are so delighted with the country and Utah that they will remain all winter.
