Mr. Jonos was in progress this after-noon. The sait of J. B. Rodiwell against the Bethwell Canal Company was up before Judge Anderson today, and the arguments were made on a motion for an injunction, restrain-ing the board of directors from hold-ing their strand meeting on Thurs-day, Jan. 2. The claim of the polaritif its in effect that the Jarvis-Conklin Company see that the ensul triblet is a big thing fisancially, and want to gain control of it, while Mr. Bothwell wants to relain his place as manager of the project. The matter was submitted to Judge An-derson this aftermon. A will has been commenced lerion this aftermon. A soft has been commenced galact John E. Dody by J. F. familion and John S. Rohrer, who lege in their complaint that un or bout the 20th day of June, 1884 one William A. Morton was and had seen the owner of the Charles Dick-us hole and mining chain, being 500 feet houg and 000 feet wide, also he Charlies Dickens mill site, with all unnervenths and redoction:

property into

Tooele have made considerable im-provement during the past year is the erection of new buildings. In addition to the stores previously in 1500 free long and 600 feet wide also the Charles Dickens mill site, with all improvements and reducting works connected therewith, the water ditch and water right in con-nection with the raid properties, situated in Yankee Fork mining district, Coster Country, Idaho, an undivided one-half of the Conton Iodo, in the same district; the Black-skin mining claim, in Sishiloy Basin district; the Blue Wing losis, in Yankee Fork, and an undivided one-half of the Montrauma in Stably East indict; and a singe amount of Fork district; and a furge amount of recessful operation, two een recently built, and all are ap parently doing a thriving bosid Not a few mult residences have also

and a set place and a set of set and by district; and a large amount of onal property, which the de-ant sold for \$11,000, at on, or about June 20, 1854, versel to defendant a deed of con-synames; that under and by virtues which deed and conveyation the defendant took passession of all the id property; that the conveyance as made to Dooly for no considera-as more to Dooly for no considera-tion moving from the said grantee intervers, but in trust for certain process, leading to

It is a pleasing feature. It is a pleasing feature of realty is on the wave. A large well-boring apparatus and a wave on calification with the Territorial Fair grounds, with the Territorial Fair grounds, with see, to wit: To convert the property into money, and out proceeds thereof to pay the of the said Norton; that said

was received by Dooly in r the creditors of the said of whom plaintiffs are that on March 1, 1883, his promissory note to plaintiff wr for \$41,000, psyable twelve his after date, at the banking e of Wells, Fargo & Co.; that id note was given because Nornbeville;

aid note was given because Nor-ras indebted to Rohrer in that mit, fluid the said indebteinces dued unpaid on the 20th of 1864, and that no part of it has been said. ver been paid. That the said plaintiff demanded ayment from Dooly, but the latter as refused such demand and still ors refused such demand and still ors refused. She has active and energetic men-in the right place, and their influ-ence is being and will be felt in the development of home resources and

development of home resources mu public improvements. The traveling public are much elated over the recent reduction in tariff rates on the Utah & Nevada Raineny, from seven to a uniform basis of four cents a mile. After January iei, freight will be trans-ported under a classified hending for seventeen to twenty five cents per hundres!. Heretofore a charge of thirty cents per hundred has been thereof. Baintiffs further show that Nor-was also indeuted to Dr. J. P. million for services remiered as goldan and surgeon to the cont of 32500; that the toll was milted to body and by him ap-wed, and the amount thereof be-ved, and the amount thereof be-as account between the plain ame an account between the plain-iff Hamilton and the defeniiant body, which the latter promised to thirty cents per im e undeviating rule in might have be The further allege
