Rabbi Reynolds will deliver the second in his series of lectures at the Jewish synagogue tonight. His theme is "The Literature of the Prophets."

An alarm of fire was turned in from the Alexander block last night, the cause therefore being a burning blue Trifling damage resulted.

The county board yesterday denied the petition of a number of the residents of Riverton asking for the appointment of G. N. Rockstead as deputy sheriff at that place.

A communication was sent to the county board yesterday by County Superintendent of Schools Ashton recommending that the county school tax levy be placed at 2 1/4 mills. The matter was referred to the committee on control.

Assistant Superintendent A. C. Webb of the Rapid Transit company has gone to Seattle having resigned his position here. He was highly esteemed by the employees of the company and before departing they presented him with a handsome watch chain and charm.

Treasurer Morris today advised the extent of drawing warrants for their salaries for the last half of April. The payrolls aggregated the sum of \$8,985 exclusive of the salaries of the police, firemen and the chief officials, who were paid several days ago.

William Morgan, Hyrum Edholm, and John Carlson have pleaded not guilty before Judge Dana Smith in a charge of sheep stealing, their lawyer being the Deseret Live Stock Association. The first-named defendant was placed under bond of \$50, and the other two were allowed to go upon their own recognizance.

George Tayson, the poultry fancier, lost twenty-five leghorn fowls last evening while returning to his home in the southern part of the city. He had them in a box in his buggy, and the chickens discovered a hole in the box. So they quickly took their leave, and Mr. Tayson knew nothing about it until he went to carry them into his coop.

Henry Hollingsworth died Wednesday night of paralysis at his home, 20 Navajo street. Popular George, he was born in England 81 years ago and came to Utah in 1852. He engaged in the smelting business when the war was a man of strong character and fearless industry. He leaves a wife and three children. The funeral was

held this afternoon from the late residence.

Samuel Lufkin, a driver of an express wagon, was dragged through the mud yesterday afternoon by his refractory horse. While working on the load on east Fourth South just down the street on a run, Lufkin held to the reins but the road was so muddy that he lost his footing. He, however, quickly held onto the reins until one of the wheels struck him in the head and he had to let go. The horse was stopped before it had damaged the wagon. Lufkin was not hurt much but he managed to scoop up about all the mud there was in the street.

Zion Savings Bank and Trust Company was established in 1873, and has since opened more than twenty-six thousand savings accounts. Have you an account? If not start one NOW.

LORENZO L. SNOW, President.
GEORGE M. CANNON, Cashier.

Accumulated excess in precipitation since January 1st, .59 inch.
