Heading for the North Pole. Advices from Winnepeg, Manitoba, under date of Nov. 27, say: James Carnie, one of the Hudson Bay Company's chief factors in the Arctie cirpany's chief factors in the Arctic cir-cle, arrived here yesterday and reports that he met sprd Lonsdale two months sgo away up in the Arctic circle. He was traveling with two Esquimaux guides and one personal attendant. His English servant had left him three weeks before and he was pushing northward as rapiely as possible. He walked all day and displayed such re-markable sndurance that the natives regard him as a prodigy and refer to him as "the man who waiks fast." He even ures his guides out. He spoke confidently of being able in his snaple mode of traveling to reach the North mode of traveling to reach the North pole if his attendants would stick to him. He said he would at least go farther north than any white man had SECOND PRESBYTERIAN CHURCH-THE REV. ever gone. Nearly all the provisions he took with him were exhausted, and as he would soon pass the last Hudson Bay post in the country he would have to THIRD PRESSTERIAN CHURCH-THE REV. raly for existence upon such food as the natives ate. He was in good health, though he said he was sure he was not nearly so fat as when he started. He was provided with an Requimaux fur When Mr. Carnie met him, shortly after leaving York factory, he met with an accident by which a small bone in his left arm was fractured. He had his arm bound up, and when Carnie saw him he was better. He spoke of being somewhat lonesome, as he had no one to talk his own language freely with. Carnie said he was an excellent shot and had many specimens of birds and beasts of the isolated country through which he was prospecting. He is out in the interest of the Scottish Naturalist Society of Edinburg, to ob tain specimens of birds and beasts and to learn more minutely the habits of animals and the feathered kind inhab-iting the northern regions. Besides looking after the habits of animals, etc., he is inquiring into the habits and cusin his left arm was fractured. He had be is isquiring into the habits of animals, etc., toms of the Indians, and has already learned portions of their isnguage. He told Carnie he would probably return via the Yukon country, through Alasks.

TRA FINE TEAS AND CO

CHEESE,

For winter. Cold Weather is bound to come. Don't wait. Now is the time to supply yourself with Winter Clothing. We have hever been able to show such an immense line of Winter Goods as we are this season." Our line of Overcoats is simply immense. Our \$6.00 Overcoats and 7.50 Ulsters are not to be equalled in this town for \$10.00; in higher grades, ranging from \$12.00 to \$20.00 are the art of perfection. Our Satin Faced and Silk Lined Fall Overcoats in every shade imaginable, fairly astonishes our customers. No house in the country can show such a line. For Young Men, Boys and Children we are always in the lead and show a line that will please everybody. We are unable to specify for want of space. Our three immense floors are filled with Goods from top to bottom, and will be pleased to show you our Great Display, whether you intend purchasing or not.

## OUR SUIT DEPARTMENT

Our Stock in this Department is so well known by everybody that we need say but very little. We sever stop getting in New Styles. Always something new to show you. In low grades of Suits, such as 5.00; \$6.00 and \$7.50 Suits for men, we will surprise you what you

can get for a liftle money. Our \$10.00 AH Wool Suit is the rage of the town, fully worth \$15.00. Our \$15.00 AH Wool South is the rage of the town, fully worth \$15.00. Our \$15.00 AH Wool Scotch Chevlot Suit cannot be bought at any place for less than \$20.00; this makes an ele-gant buisness suit, well frimmed and handsomely gotten up, they are simply elegant. Our grades of \$20.00 and \$25.00 Suit are equal to merchant tallor make. In Prince Albert Suits, which are so popular, we have just added a \$80.00 Suit, bandsomely gotten up, with silk facings in black and blue shades and perfect is every respect. Even the
