BUSINESS DONE ON EXCHANCE		MINES IN THE CAMP OF TINTIC	The following literary gem, received by a local man from New York, today will be appreciated by our merchants: There are some shoppers in this town who think they know it all, But they never buy in Atchison—oh, no, this town's too small. They shop, and shop, and shop, and on clerks have no pity, But when they have a cent to spend they go to Kansas City. But human nature's much the same no matter where you go. mmebrane of the air passages, pre-vents irritation, and effects a complete and lasting cure. The treasurer of the American Life

Insurance Company, J. S. Nugent, of New York city, writes, "Hyomei has completely cured my daughter of ca-tarth, from which she has been a sufferer for years."

In Salt Lake City there are scores of well-known people who say they have been cured of catarrh by Hyomel. If it does not cure you, your druggist will return the money you paid for Hyomel. This is the strongest evidence that can be offered as to their faith in the reme-
