**REAL ESTATE**

Like many other western cities, Los Angeles has been real estate hot for the better of 1980, and while it is not the only city in the country to show this type of activity, it is one of the few in other places, the increase in sales is so dramatic. The reason for this is twofold, and the first part of the reason is the fact that the economy is so strong that people are willing to spend money on real estate. The second part of the reason is the fact that the economy is so strong that people are willing to spend money on real estate.
