Hooper Irrigation Suit Will Last Several Days Yet-Important Questions to be Determined.

WILL CLEAR RAILROAD YARDS.

Scorching Autoists Under Surveilance -J. M. Shively Injured-Big Cut For Rapid Transit Tracks.

Ogden, March 18 .- The case of the gooper Irrigation company against Melvin Atwood and others is on trial before Judge Howell in the district court today. The case will probably occupy several days as there are a number of witnesses and many important questions to be considered.

Robert Agee has filed a petition in the district court asking for the appointment of binself as administrator of the estate of John Thornsik, de-ceased, who did intestate at Diamond-The estate consists o ville, Wyoming. an action for damages against a coal

WILL CLEAR RAILROAD YARDS. The railroad yards in this city are to e cleared of telegraph poles, etc, acording to the information given out as cording to the informiation given out as the result of a wisht to this city yester-day of S. E. Leonard, superintendent of the Western Union Telegraph company at Denver; J. B. Sheidon, superinten-dent of the Union Pacific telegraph sys-tem with headquarters at Omaha, and C. L. McKean, superintendent of con-struction for the Western Union Teleraph company with headquarters a maha. These officials are on a tou if inspection through the west with i view to determining where the ser-lee may be improved. It is not given but yet whether the wires will be underground or placed on poles Wall avenue AUTOISTS UNDER SURVEILANCE.

The case against S. Eccles, charged with violating the automobile speed law, has been postponed in the police court until the complaining witness can

The set of the principal strength of the set all there are about a dozen autos that the police are watching, which are driven by minors who seem to have no regard for public safety or anything else other than seeking to lower some of the big auto records. Many of the surfoists of the city,

who are conservative drivers, have also urged the police to take this ac-tion. The amount of the fine and ball for the violators of the auto speed law has been doubled within the past week Judge Murphy

out. Deputy Sheriff Rose of Davis Sounty eams to Orden with a young man who identified Brown and he was taken to that county to answer to the charge. Brown is a young man six feet six inches tail, and weight IN pounds, and was easy to identify. BIG CUT FOR ROADBED.

Within the next few days work will be started upon the big cut at the mouth of the canyon for the street car line upon the canyon. Since the track was originally laid into the mouth of the canyon, it has been deemed ad-visable to cut through a small uill in-stead of going around it and making a very dangerous curve. The work will be let by contract.

JUNCTION CITY BRIEFS.

Wedding Permit-A marriage li-couse was lesued yesterday afternoon to Gotlie Miller of Willard and Nettle Hawkees of Garland.

Negro Sent to Rock Pile-C. H. Negro Sent to Rock File-C. H. Medley, a negro, was wenteraced to 20 days upon the rock pile, by Judge Mur-phy in the palies court westerday, upon the charge of disturbing the peace. The big black fellow went to the Og-den hotel and started prowling around the halls, and when he was asked what he wanted, he became abusive and drew a revolver, and was going to "clean out the white trash."

Work on Viaduct-The structural steel workers engineed upon the via-duct observed St. Patrick's day by at-taching a green flag to the highest point of the derrick which is used in hoisting the steel girders and aprintis. Great handway has been made during the past week and by the end of the week it is expected that all the steal will be in place. It will then require some time in riveting the steel at the uprights and other joints.

Fail to Find Belatives—In connec-tion with the death of L. R. Wilbur, the steelworker who died at the Ogdon General hospital several days ago from injuries received in the Harringan shope in this gity. It has been benrued that he was concerned to be burged to hat he was engaged to be married to young laily of Superor, Montana, in he near future. The young lady was informed of the young man's death ind was asked if she knew anything concerning his relatives. Size replied that she did not know anything con-cerning his family or where they re-sided. The search for the relatives be continued by friends in this

PROJECTED STAKE ACADEMY. The quarterly conference of corgo was held here March 15,

rigo was held here March attender The meetings were well attender a question of a stake academy we supsed, and the people memod and in their desire to see one wish abed. The plans for the building antomplate the vection of a structure cost upwards of \$36,000. It appears be considerable of an undertaking at the people expressed themselves a and willing to make the its has not yet need def , but at a meeting hold f discussing. Hope, This of the city

valley, with an ideal spot for a cam-imp back of the site for the buildings. It is thought that the dedightful winter climate, the water system which is being installed, the electric lights and the railroad which is boyed for, will make possible the establishment of a high school in this place which will draw pupils here from many places not blessed with all these advantages. For cartain ft is, that no other part of the state can compare with Dixis in the matter of gunshine and mild winter temperature.

CREAMERY PROPOSITION.

There is strong talk now of estab-shing a creamery in this section. Sev-ral months ago the people here sent o Kansas and obtained a carload of ersey cattle. With these as a nucleus hope to fuprove the quality o dairy cows here. There uppear good reason why dairying should be profitable in this part of the e question a more charcough test.
