

Berlin.—The obligations of the new treaty will apply reciprocally to Germans and Americans. All previous engagements between the two countries with regard to extradition are renewed, and the treaty made terminable at the end of ten years.

Charleston.—The Convention passed the seventeenth section of the Judiciary articles, providing that Judges shall be elected by the Legislature for every District and that the probate court be abolished. A strong effort was made in favor of electing the judges by the people, which failed. The convention adopted a resolution tendering the thanks of the loyal people of South Carolina to General Grant, Congress and Stanton.

Havana.—Among the passengers by the steamer Georgia from Vera Cruz are General Sturm, and Colonel Proudfoot, Commander of the American legion. Just as the Georgia left a telegram was received stating that two Mexicans, from Havana, had attempted to assassinate Jurrez and rob the treasury; but there was no means of ascertaining the truth or falsity of the rumor. It is reported the Mexican treasury is buying in English and Spanish claims, and ignoring the American demands. It is thought these proceedings are against the will of Romero who is powerless to prevent them.

New Orleans.—After a hot debate the disfranchising substitute for article 98th was tabled by 36 to 33, the majority of the colored members opposing disfranchisement. A motion to expunge article 98, which defines the classes to be disfranchised in the State together, was made. Pending the debate they adjourned.

New York, 28.—The Herald's special says it is not believed that a two-thirds vote against the President will be obtained in the Senate.

The Herald's Havana special confirms the report concerning the proposed loan by Keoble, Leiturg & Co., of Matanzas. Their offer has been accepted, and the interest on the loan is seven per cent., to be repaid within twenty years in annual instalments of a million dollars. The parties insist on the sanction of the Government at Madrid, which the latter seem reluctant to give.

PUBLIC NOTICE.

YEAR 1868.

C
R
I
B
G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to enable you to take the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get kind of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors wanting money badly.

Ross & Barratt.
