LAST NIGHT'S DISPATCHES

EASTERN.

NEW YORK, 30.—A public meeting will be held to-night in the Cooper Institute, to protest against the murdering of Indians by lawless men, and to consider a plan by which justice and peace may be preserved between the different races of mankind on all our borders.

Joseph B. Young, formerly clerk of the Board of Supervisors, has not yet been arrested, if included in the recent ring indictments.

James and Henry Holland have been arrested in Brooklyn on charge of causing their house them to be fired on Saturday. The affidavit alleges that the houses owned by the Hollands in New York, Brooklyn and Winfield, L. I., have been wilfully burned and the insurance collected.

Samuel Jones, a farmer at South Oyster Bay, L. I., has been murdered.

The absence of a juryman makes it necessary to postpone the Walworth trial till this afternoon. The court room was crowded and women were numerous.

The case of Frank L. Taintor, defaulting cashier of the Atlantic banks, is postponed till the October term. Raynor, one of the the directors, is now in Europe and the defense alleges that it will be proved by him that Taintor speculated with the money of the bank, with the knowledge of the directors.

In the billiard tournament, after Garnier and Cyrille Dion's game for the first prize, Daley and Cyrille Dion played for the second prize, which was won by Dion in thirty-one innings. Dion's average was 9 21-31, Daley's 5 9-10.

An explosion of a box of giant powder in the Hoosac tunnel on Sunday killed four men, fatally wounded one and seriously injured another.

NEW ORLEANS.—A Brownsville, Texas, dispatch says the mail from Laredo brings news that a large party of the Kickapoo Indians are encamped on the Mexican side, a few miles from there. It is supposed they are waiting for the Rio Grande to fall, to make a raid on that place. Preparations were being made for a vigorous defence. These Indians have been in the habit of making incursions in that section, robbing ranches and killing settlers, heretofore escaping into Mexico unpunished.

PORTSMOUTH, N. H., 30.—Wagner, the Isle of Shoals murderer, was returned to jail this morning.

ST. JOHNSBURY, Vt., 30.—James Snow, a farmer, while drunk on Saturday, fatally shot John Stanton, a pedler, who called at his house to sell some goods.

DETROIT, 30.—A fire early this morning destroyed K. C. Barker & Co's tobacco factory. Loss on machinery and stock $75,000 to $85,000; insured. Loss on building about $13,000, also insured.

WASHINGTON, D. C., 30.—Receipts from the internal revenue for the fiscal year ending to-day, $115,087,727. The estimate was one hundred and ten million. Receipts for June $9,051,503.

NEW YORK, 30.—The rumor is current here that Col. R. B. Rhett, Jr., chief editor of the *Picayune*, and ex-Judge Cooley have gone to Mississippi city to fight a duel. Cooley was one of the counsel for the plaintiff in the recent suit of Hawkins *vs.* the *Picayune* for libel.

WASHINGTON, D. C., 30.—The steamer *Fortune* will sail from Annapolis to-morrow or next day, with a class of cadet engineers for a naval summer cruise. There are about 25 in the class, and the cruise will be along the coast north of Cape Charles, stopping at various navy yards on the way. She will return to Annapolis in September.

The appointment of medical direction Joseph Bole to be chief of the medical bureau of the navy has been determined upon.

Josiah Honsom, chief of the bureau of construction and repairs, and W. Wood, chief of the bureau of steam engineering, navy department, left last night for New York to inspect the *Tigress*. Work upon her will be commenced immediately and pushed with all haste. It is hoped she will be ready in a week or ten days.

SAVANNAH, Ga.—Half the business portion of Thomasville, Ga., has been burned. The principal sufferers are Hardway & McKinnon, Johnston & Strimer, Western Union telegraph office, W. E. Davies & Co., J. S. Kattsman & Co., Hust & A. R. Smith, Hunt & Puryear, S. J. Cassells, B. Golberg, Busbing, Cutting, Howland & Davis, Judge Alexander and Dr. D. I. Brandon. Loss over $150,000.

WASHINGTON, 30.—Commissioner Douglass to-day informed the president of the New York Central Railroad Company that the claim for refunding the tax had been examined and the office decides to adhere to its former ruling in the case.

It has been determined to send to West Point from the ordnance bureau, as a trophy of the late war, the first gun fired in the cause of the rebellion. It was fired at the steamer Vicksburg, bound for New Orleans, and supposed to have arms and ammunition on board belonging to the United States. The firing took place several days before any guns were fired at the U. S. ports or troops either at Charleston or Pensacola. It is a small four pound cannon, formerly the property of the city of Vicksburg.

NEW YORK.—The *Post* says it is improbable that any immediate investigation will take place in the Beecher-Bowen-Tilton case.

The Brooklyn *Eagle* this p. m., publishes the following card from Beecher to the editor of the Brooklyn *Eagle*:

"In a long and active life in Brooklyn, it has rarely happened that the *Eagle* and myself have been in accord on questions of common concern to our fellow citizens. I am for this reason impelled to acknowledge the unsolicited confidence and regard of which the columns of the *Eagle* of late bear testimony. I have just returned to this city to learn that application has been made to Mrs. Victoria Woodhull for letters of mine, supposed to contain information respecting certain infamous stories respecting me. I have no objection to have the *Eagle* state, in any way it deems fit, that Mrs. Woodhull or any other person or persons who may have letters of mine in their possession, have my cordial consent to publish them in this connection and at this time. I will only add that the stories and rumors which for some time past have been circulated about me are grossly untrue, and I stamp them in general and in particular as utterly false.

"Respectfully,
(Signed,)
"HENRY WARD BEECHER."

Woodhull, Claflin & Blood have been indicted under the obscene publication acts of 1873.

The following telegram has been received from the captain of the *Great Eastern* steamship—

"Great Eastern, Heart's Content, 27.

"Cyrus W. Field, New York—

"Many thanks for your congratulation to all connected with laying the 1873 cable. I am sure it will live long. We shall start as soon as possible to resuscitate the 1865 cable.

"Signed, R. C. HALPIN."

The first game in the billiard tournament this p.m., was played between Garnier and Daley, and resulted as follows — Garnier, 300, average 7 34-38, largest run 79; Daley 227, average 6 5-37, largest run 57.

This evening Garnier played Cyrille Dion, defeating him; score 300 to 148. Garnier's average 10 10-27, largest runs 99 and 41. Dion's largest run 58. This gives Garnier the first prize.

LONG BRANCH.—The excitement over the Jersey Derby race is greater than that over the race between Longfellow and Harry Bassett last season. Many heavy bets have been made. Springback is the favorite to-night, and Tom Bowling next.

NEW YORK.—The body of the man found on Saturday on the south bench of Staten Island, was recognized as that of Col. Lionel Percy Sydney, late of the British army, who has been stopping at the Desoto House, Bleeker street. He left the hotel on the 21st inst., to draw a large sum from his banker, and has not been seen since. As no money was found on his person, foul play is suspected.

WASHINGTON.—The Attorney-General has not yet prepared an opinion on the question submitted to him by Secretary Belknap as to the responsibility of Gen. Howard, commissioner of the Freedman's Bureau. The question submitted by Secretary Belknap is whether Gen. Howard, as commissioner of the Freedman's Bureau, is liable for the acts of his subordinates. Secretary Belknap has the utmost confidence in Gen. Howard, and believes him to be thoroughly honest, but expresses the opinion that he was surrounded by dishonest men and deceived by them. While he thus believes in the integrity of Gen. Howard, he cannot shield him by the fact that he was deceived by dishonest subordinates, and as Gen. Howard was cautioned about them by friends on several occasions, the Secretary is inclined to hold him responsible, but of course he will be governed entirely in his future actions by the Attorney-General's opinion. Though he has the warmest sympathy for Gen. Howard, and regarded him as one of the truest and bravest of officers, he believes it to be his duty, as head of the war department, to investigate the whole matter, and if wrong has been committed to punish all offenders.

Gen. Howard to-day had an interview with both Secretary Belknap and Attorney-General Williams, to whom he fully explained all the affairs of the bureau, and said upon taking charge thereof he offered to give bonds, but Secretary Stanton decided that it was unnecessary, as he was detailed as commissioner as an officer of the army without extra pay or allowance, and not appointed commissioner. Later, however, when General Howard began disbursements, he did give bond, which is now on file in the office of second Comptroller of the Treasury department.

The Attorney-General this morning gave orders to search for the bond and it was found in the office above named.

General Howard told Secretary Belknap, as suspicion is entertained that he has defrauded the government, he will gladly submit to court martial. It is stated that in his opinion Attorney General Williams will recommend two modes of procedure—1st, by civil process on the bonds as Commissioner of the Freedman's Bureau—2nd, by court martial, as an officer of the army, for dereliction of duty, leaving it with the Secretary of War to elect which of the courses he will pursue.
