PIMPLES, ERUPTION, ROUGH SKIN.—The system being put under the influence of Dr. Pierce's Golden Medical Discovery for a few weeks, the skin becomes smooth, clear, soft and velvety, and being illuminated with the glow of perfect health from within, true beauty stands forth in all its glory. Nothing ever presented to the public as a beautifier of the complexion ever gave such satisfaction for this as this Discovery. The effects of all medicines which operate upon the system through the medium of the blood are necessarily somewhat slow, no matter how good the remedy employed. While one to three bottles clear the skin of pimples, blotches, eruptions, yellow spots, comedones or "grubs," a dozen may possibly be required to cure some cases where the system is rotten with scrofulous or virulent blood poisons. The cure of all these diseases, however, from the common pimple to the worst scrofula is, with the use of this most potent agent, only a matter of time. Sold by all Druggists.

Covered with Eruptions. Cured.

CLAVERAC,
Columbia Co., N. Y.

DR. R. V. PIERCE, Buffalo, N.Y.:

Dear Sir.—I am sixty years of age, and have been afflicted with Salt Rheum in the worst form for a great many years, until, accidentally, I saw one of your books which described my case exactly. I bought your Golden Medical Discovery and took two bottles and a half, and was entirely cured. From my shoulders to my hands I was entirely covered with eruptions, also on face and body. I was likewise afflicted with Rheumatism, so that I walked with great difficulty, and that is entirely cured. May God spare you a long life to remain a blessing to mankind. With untold gratitude,

MRS. A. W. WILLIAMS

CALDER & CARELESS.

LOCAL AND OTHER MATTERS.

THERMOMETER 40 degrees F. in the shade, at 1 p. m. to-day. Beautiful day.

Police Court.—Four persons were arrested and fined to-day for drunkenness, peace-breaking and profane swearing.

Prepared.—The shelves on the north side of Z. C. M. I. grocery department are empty, preparatory to receiving their burdens of dry goods and other merchandise.

Probate Court.—In this court, this forenoon, in the case of the People *vs.* McClune *et al.*, Dr. J. D. M. Crockwell testified concerning the insanity of Mrs. Garrel, in September last, when he was called to attend her.

Geological Memorial.—We are indebted to the courtesy of Professor Clayton for a copy of "a memorial" to the Legislative Assembly, for the authorization of a thorough geological survey and examination of the mineral resources of the Territory.

R. S. Party.—We have a complimentary to the "Fourteenth Ward Relief Society Party," on Friday, Jan. 23, in the Fourteenth Ward Assembly Rooms. Committee of arrangements, Mesdames M. I. Horne, Wilmirth East, Susan H. Wilkinson, J. C. Richardson, E. S. Taylor, and E. J. Stevenson; floor manager, Mr. H. P. Richards.

St. Thomas.—Mr. H. S. Thompson writes from St. Thomas, Lincoln county, Nevada, Jan. 8, stating that a letter from that town, dated Nov. 25, 1873, concerning Indian Agent Ingalls, and published in the Pioche *Record*, was not written by Col. Isaac Jennings, as accused, but by himself, Mr. H. S. Thompson, who says a number of other salty things also in the same connection.

Burglary.—On Saturday evening, about half past six o'clock, as Mr. Ballan, watchmaker, was sitting in his shop in South Temple Street, a sudden smash of the window threw some of the glass in fragments into his face, but luckily did not cut him. Two men in the street, who did the smashing, then grabbed a number of watches and made off with them. The watches belonged to various persons, and were there for repairs.

Mr. Ballan is an old resident of this city, having lived here many years, and attended industriously to his business. He is now in comparatively poor circumstances, and can ill afford to sustain such a loss.

Foreign Missions.—The following is from the *Millennial Star* of Dec. 30—

"EN ROUTE FOR AUSTRALIA.—Elders A. B. Taylor and William Geddes left us,—the first named on Monday, the 22nd inst., and the latter on Wednesday, the 24th inst, —for London, from which port they have arranged to sail for Australia, per steamship *Cyphrenes*, on the 7th of January next. Elder Geddes, since his arrival in this country from Utah, on the 12th ult., has been visiting his kindred and the Branches in the Glasgow Conference. We have recently appointed him to the Presidency of the Australian Mission, to engage in the duties of which he is now on his way to that distant country. Elder Taylor has, since his arrival in England, on the 26th of May last, been laboring in the Nottingham Conference, from which field of labor he has been called to go to Australia, to labor under the direction of Elder Geddes. We wish these brethren God speed, and the constant protection and blessings of Him on whose service they have left their homes, families and the dear associations of Zion.

"RELEASED TO RETURN HOME.—Elder Joseph Harker is released to return home in consequence of ill-health. Elder Harker arrived with several other missionaries from Utah, on the 12th ult, since which time he has been visiting his relations and former friends. His health is now, however, so poor, that we are under the necessity of releasing him, in order that he may return to Utah, where we hope he will regain his health and strength."

Legislative Assembly.

SIXTH DAY, Jan. 17.

COUNCIL.

The council met according to adjournment.

The report from the Santa Clara Irrigati n Company was read and referred to the committe on irrigation and canals.

Mr. Jennings announced that he would introduce a bill in relation to the mode of selecting and summoning grand and petit jurors, next Monday.

Mr. Caine also gave notice that he would introduce a bill concerning fraudulent conveyances and contracts on the same day.

The freedom of the Council chamber was extended to Mrs. Gov. Woods, and to the wives of the members and officers of the Legislature, and to the wives of all the gentlemen to whom the freedom of the same had been extended. Also to the presidents and councillors of Relief Societies, the publisher and editor of *Woman's Exponent*, and the ladies of Salt Lake City Library Association.

The committee on printing was authorized to print all bills of sufficient importance from the several committees.

Council adjourned till to-day at 2 p.m.

HOUSE.

The Committee on Revenue, to whom was referred the bill for "An act authorizing county assessors and collectors to collect all school taxes levied as by law provided in this Territory," reported the same back and recommended the same to lie on the table till called for.

Mr. Partridge moved that the Committee on Judiciary be instructed to consider the propriety of bringing in a bill providing for the arranging and compiling the laws of Utah Territory, and such laws of Congress as are applicable to this Territory, with suitable index, marginal notes and table of contents, and to report by bill or otherwise. Carried.

An act providing for the election of probate judges, county assessors and county collectors was taken up on its second reading, amended and recommitted to committee with instructions.

Adjourned till Monday at two p. m.

The Ballan Robbery.—A man by the name of George Lloyd was arrested yesterday, on suspicion of having been one of the fellows who broke into Ballan's, watchmaker, shop last Saturday night, and he was before Justice Clinton to day on a preliminary examination. A man by the name of Sheridan testified that Lloyd invited him last Saturday night to go with him (Lloyd) to Ballan's shop, opposite the "North Star" Hotel, and rob it, saying that they would find lots of watches there. The case was adjourned till to-morrow afternoon to get more witnesses.

Lloyd has been under indictment by the grand jury of the Probate Court, but was not prosecuted because the principal witnesses for the prosecution could not be found.

The U. N. R. R.—"A C." writes from Brigham City, Jan 18th, as follows:

"Brigham junction of the U. N. with the C. P. R. R. may be considered to exist no more. From said point the boys from here, under Judge S. Smith and Bishop Nichols, have laid two miles of track the last four days, towards Ogden, and intend to keep on, as we are having favorable weather, and iron as well as ties are not lacking.

In Washington.—From recent private letters from Hon. Geo. Q. Cannon, with a perusal of which we have been favored, we learn that he enjoys good health and spirits and continues hopeful for the future, notwithstanding the fact that the agents and tools of the unscrupulous "ring" are working like beavers and endeavoring to move heaven and hell in order to secure their great object of effecting unfair and obnoxious special legislation, proscriptive legislation, for Utah.

Quarantine Raised.—The quarantine on the premises of Wm. Ayland, of the 11th Ward, whose little son has just recovered from smallpox, was raised last Saturday, the boy having completely recovered and the premises having been thoroughly renovated.

Bro. Ayland has taken all the clothing, worn by himself and others while attending to the patient, and buried them, and he desires us to state that his premises are so thoroughly cleansed that there is now no danger of infection therefrom.

Lectures.—The 10th Ward has organized a Lecture Committee, composed of Wm. Ashman, Wm. Fuller and James Woods, who are now making arrangements with some of our most talented men to deliver a course of lectures in the 10th Ward meeting house. This is a step in the right direction. "Tie the calf in the corral and the cow will come home of herself." Educate the young, make the family circle attractive, and have useful entertainments, that will instruct the mind while attracting the attention, and you will keep mischief away from your doors.

The course will begin to-morrow night, Tuesday, January 20th, when H. W. Naisbitt, Esq., will deliver the opening lecture.

Theatre.—On Saturday, at the Theatre, there were good performances of "Charles O'Malley" in the afternoon and "Carlotta" and "Solon Shingle" in the evening.

This evening the thrilling drama, in three acts and five tableaux, of the "Corsican Brothers," in which Mr. Herne, who has been re-engaged, will represent the twin brothers, "M. Fabien and Louis Dei Franchi," Mr. Sawtelle "M. De Chateau Renaud," Mr. Crosbie "Colonna," Mr. Thorne "Le Baron de Montgiron," Miss Walters "Emilie de Lesparre," Mrs. Rea "Madam Savilia Dei Franchi," Miss Newton "Marie," Miss Adams "Coralie," Miss Cogswell "Estelle," and Mrs. Crosbie "Celestine."

The performance concludes with the farce of "An Object of Interest," Miss Walters as "Fanny Gribbles," Miss Adams as "Mrs. Vernon," and Mr. Crosbie as "Barney O'Dwyer."

A strong bill.

To-morrow night "Charles O'Malley" and "Robert Macaire."

Appreciative.—In a large meeting of the Senior and Junior Co-operative Retrenchment Association, held in the 14th Ward Hall, Salt Lake City, Jan. 17, 1874, the following resolutions were read, and unanimously adopted:

Resolved — That we, ladies of Utah, recognize the movements of Woman State and City Associations, in memorialising Congress in behalf of Territorial woman suffrage, and in opposing certain disgraceful, suicidal bills now before Congress, as efforts in the right direction, and in consonance with the true spirit of liberty, American republicanism, and social and national progress.

Resolved—That we, in meeting assembled, unitedly express our high appreciation of labors of love; with thanks to the ladies of Boston and Massachusetts, New York, Indianapolis, St. Louis and Missouri, and Santa Clara, Cal., Woman's Suffrage Associations, also every other organizations and all individuals that have exercised an influence to sustain us in our rights as American citizens, for the interest manifested in support of those inalienable privileges guaranteed by our sacred constitution, which are now being threatened with extinction through political piracy.

Resolved,—That we also give an expression of our sympathies with our sisters in the States, sincerely hoping and trusting that, ere long, their efforts in their own behalf will be crowned with the right of franchise, in which they (many of them) are nobly aiming to sustain us.

Resolved, That copies of the foregoing Resolutions be sent to the Salt Lake *Herald*, DESERET NEWS and *Woman's Exponent*.

Ogden *Junction*, Jan. 17—

The annual Conference of the Weber Stake of Zion convened in the Tabernacle, Ogden City, on Saturday morning, quite a large congregation being present. The speakers in the morning were President F. D. Richards, and Elders Walter Thompson, D. M. Stuart and Fabiehas Richards.

A snow shed on the Central Pacific road, was destroyed by fire yesterday morning. The regular passenger train due here this morning was consequently detained, and will not reach this city till some time to-night.

Provo Times, Jan. 17—

Last night we were favored with the heaviest rain of the season, accompanied with thunder and lightning, which had the effect to pack the mud into some kind of shape, so that pedestrians are able to navigate a little better.

EASTERN.

Will he Resign—Rumor and the Chief Justiceship.

CHICAGO, 19. — A Washington special to the *Inter-Ocean* says that Secretary Richardson declares it is not his intention to resign. The statement was on the authority of a New England senator, who supposed he had good foundation for the same. The Secretary has been in consultation with leading republicans in regard to the various financial schemes before Congress. He dissents totally from the views of Senator Sherman.

The *Times'* special says that the drift of official and unofficial opinion now centres on the name of Mr. Waite, of Ohio, as the probable nominee for Chief Justice. It is confidently stated that the nomination will be sent to the Senate to-day or to-morrow. President Grant is very reticent on the subject.

The "Arapiles."

NEW YORK, 19. — The Spanish iron clad *Arapiles* is said to have received considerable injury by striking on the rocks in East river, on the way to her present anchorage off the Battery, and is making nearly six inches of water every twenty-four hours; her commander proposes to have the bottom examined by divers to-day, and, unless absolutely impossible, he will put to sea and trust to the pumps rather than try further repairs at this port.

Burned to Death.

Dobbinskie's paper mill was burned last night; loss $25,000. The proprietor perished in the flames, and a workingman was badly burned.

Operate Against Carlists—Thirty-Three Men Killed — Papers Suspended.

MADRID, 18.—Gen. Dominiques has been appointed to command the central army operating against the Carlists.

The railroad viaduct at Tonquella, fell yesterday, and thirty-three workmen were killed.

The publication of three more newspapers in this city has been suspended by the government.
