SALT LAKE CITY, January 30, 1872.

LOCAL AND OTHER MATTERS.

THEATRE.—Last evening A Hand of Cards and As Like as Two Peas were nicely played. This evening the regular company will present the very attractive drama of No Thoroughfare.

INVESTMENT IN MANUFACTORIES.—The San Francisco *Chronicle* hits the capitalists of that city rather sharply in the following paragraph—

A contemporary urges that it would pay our wealthy citizens to invest five or ten per cent. of their means in the establishment of manufactories. If it can be shown that such an investment will pay two per cent. a month from the start, and the capital can be withdrawn at a day's notice, the thing might be managed; but it would be easier to get a San Francisco millionaire to go through the eye of a needle than to put up his coin where he couldn't get it back the next minute."

Beautiful, clear, fine weather again.

POLICE COURT.—It will be remembered that on the night of the 2nd day of the present month Mr. Thomas H. Wright was assaulted, and robbed of about $30, by two men, and that the perpetrators of the deed were not discovered at the time. Suspicion having been attracted, however, to a man named John Bradt, a discharged soldier, living on the bench east of the city, he was arrested yesterday morning. An investigation of the case commenced this morning, before Justice Clinton, when Mr. Wright and his daughter were examined as to the identity of the prisoner. The testimony of the latter was particularly strong, as she was within two yards of the men when they attacked Mr. Wright. It was stated in Court, that on the day previous to the robbery the prisoner's clothes were free from blood stains and that afterwards there were stains on his pants, supposed to be from the cuts which Mr. Wright received in his hands. As the prisoner had changed his clothes since then, the case was postponed, that the stained clothing might be sent for and produced in court.

Bradt was also charged, in connection with John Watkins and Thomas Hayes, both soldiers, with robbing Edward Kinney on Saturday night, in the 13th Ward. Some preliminaries of the investigation of this latter case were gone through when it was postponed. The principal witnesses are Mr. Neibaur and Mr. Waddell.

PROFESSOR MCDONALD.—This gentleman purposes shortly to deliver a course of lectures at Provo. He has been very successful here, and we do not doubt he will also be well received at Provo.

Per Deseret Telegraph.

Telegraph Office at Pine Valley.

PINE VALLEY, 30.—We have opened a telegraph office at this place, which is some ten miles from Pinto, fifteen miles from Fort Hamblin, and thirty-five from St. George. Jeter Snow is operator. Recollect it is Jeter, and not Peter, Snow.

A. M. M.

POSTPONED.—A motion was to be made, by Deputy Prosecuting Attorney, J. L. High, for the admission to bail of the prisoners now held in custody on a charge of murder, to-day at two o'clock. The matter was postponed till to-morrow at that time.

SPRINGING A QUESTION.—I. Watters was, this morning brought before Justice Clinton, on a charge of refusing to pay his poll tax, Mr. Loeber appearing on the part of the defence.

Mr. Loeber took the ground that there were no legally appointed Justices of the Peace in this Territory, and he therefore appealed to the jurisdiction of the Court.

Justice Clinton received the proposition that he was not a Justice of the Peace with his usual equanimity. He says he is getting used to that kind of thing. If he had believed all that has been told him by certain parties he would have been in an exceedingly anomalous position. He would have believed long since that he was neither Alderman, Justice of the Peace, nor anything else. He takes the law on the subject, however, and if everybody else would he would not have to listen to objections to the jurisdiction of his Court from every little pettifogger that may pick up a two dollar case. Many even who make pretensions to standing in the profession pick up petty cases and endeavor to annoy the municipal and county authorities. It is unnecessary to say, however, that some of the injury resulting from such a course generally falls upon those who take it, for if they ever had any reputation for respectability, they speedily lose it.

THE TERRITORIAL LEGISLATURE.

January 29, 1872.

HOUSE.—Reuben Andrew Robinson petitioned to have his name changed to Reuben Andrew Blasedale; petition read and referred.

Mr. Richards moved that the Speaker be requested to instruct such committee as he shall deem most proper, to inquire into the propriety and importance of compiling and publishing from the Statutes at Large all such laws as are applicable to or in force in the Territory of Utah, and that said committee report by bill or otherwise. Seconded and carried.

Messrs. Richards and Farr were appointed said special committee.

Mr. Wright presented a bill for an Act pertaining to Marriage; ordered printed and referred to Committee on Judiciary.

Adjourned till Tuesday at 1 p. m.

RELEASED.—C. Bernard proprietor of the "Poor Man's Friend," on leaving a deposit of $300, was released from custody until to-morrow morning, when he will be examined on a charge of receiving stolen goods.

NOBODY DOUBTS IT.—In the course of an editorial the Salt Lake *News* says, "Utah has more married men, in proportion to total numbers than any other State or Territory." No one doubts it; and it might have added, "men married more" than in any other State or Territory.—*Avant Courier.*

No one doubts it, and it is too honorable a business to be ashamed of.

DIED.

At Minersville, Iron County, December 17, 1871, NANCY WALKER.

Deceased was born at Newark, New Jersey, Jan. 20, 1793, being aged 91 years, 10 months and 27 days when she died. She was baptised by Elder L. W. Hancock, in July, 1831, in Winchester, Ind. She had eleven children and upwards of 60 grand-children; over fifty great-grand-children, and more than twenty of the fourth generation. We have no correct means of knowing the exact number of the fourth generation from her. She lived forty years in full faith of the gospel and a firm hope of a glorious resurrection.—COM.

At Big Cottonwood, Jan. 23rd, of inflammation of the lungs, CHARLES ALFRED, infant son of Charles A. and Mary Harper, aged 8 months and 14 days.

Special Notices.

Ext. or Golden Medical Discovery for Liver Complaint and its complications, are loud in its praise. Sold by all first-class druggists. s103 w52

Neglected Coughs and Colds.—Few are aware of the importance of checking a Cough or "Common Cold." In its first stage; that which in the beginning would yield to "*Brown's Bronchial Troches*," if neglected, often works upon the lungs. d58

LEA & PERRINS' SAUCE.—Pronounced by Connoisseurs "THE ONLY GOOD SAUCE." It improves Appetite and Digestion, and it is unrivaled for its flavor.

We are directed by Messrs. Lea & Perrins to prosecute all parties making or vending counterfeits. JOHN DUNCAN'S SONS,

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
