### HISTORY OF THE CHURCH.

Vol. I. A History of the Prophet, written by himself, with introduction and notes by B. H. Roberts. This work is used extensively by

Under the laws of the brittery of Atizona has been organized the Vis-tor Consolidated Mining company. This new corporation absorbs and takes over the assets of the Victor Mining com-Quorums and Associations as a text book in studying the revelation and history of the Church. Largest and iany of Oregon: the capitalization is praced at 1,500,000 shares of the par best book ever published for the price 

gamated in maintaining an artificially elopment work will be vigorously high level of prices until near the close of 1901, and the decrease in the dividend As soon as the machinery at the Vicrate of the Amalgamated to the present figure of 2 per cent per annum, caused a disarrangement of what safeeration a large force of men will be pu ly may be assumed to have been the

The Bonanza mine in West Tintic is plans of this company, anshowing up in fine form. Recent as nounced at its flotation as 'the copper says from a shipment of ore shows 5

per cent lead, 15 per cent iron and 3 ounces silver. Supt. Whiting is push-ing the work and is bound to make a "The Amalgamated has met with many serious reverses, its shares have been more or less discredited, and its good paying property in the west end original plans brought to confusion, but, whatever may be th shortcomings of the district A few men were laid off at the Bul-

In-Beck mine last Saturday to make necessary repairs, but only for a short time. The Centennial-Eureka made several additions to their large force of its management, an utter lack of brains has never been charged. The romotors and managers of the comtime. pany did begin business in copper with a nearly total lack of experience, and an undue impression of the potency of Monday morning. The office of the Uma Consolidated Gold and Silver Mining company has been removed from Salt Lake to Robtheir money and prestige. This over-confidence has been pretty effectually

inson; the officers of that company re-side at the latter place. The Uma propdissipated during the past two years, and materially different lines, but erty is located one-fourth of a mile south of the Carisa, and the same dis-"The Amalgamated management is

tance borth of the Martha Washington. The new officers who will direct the workings of the property for the com-ing year are: Thos. G. Cornish, presinot composed of 'quitters,' and the 'trust' which failed to become a monopoly is not dead, and is not disdent; D. A. Repue, vice president; Ba-zil Cornish, secretary-treasurer; and Isaac E. Dichi and James Moore, di-Apparently the Amalgamated has no interests in Arizona, but this impres-sion may be dissipated, for the wary

rectors. The Northwest Mining company hunters of the Amaigamated never go after ducks with a brass band. In The Northwest Mining company, owner of the Illinois and other valuable properties just north of Eureka, will consolidate with the Dagmar. The two companies will work through the shaft of the Northwest property. The shaft is already down a depth of 155 feet on the bidge and shafts will be continued the case of the Champion, it will be necessary to buy control in a rather roundabout way, as the company is a close corporation, the stock being held half and half by St. Mary's Minerat Land company and the Copper Range

the ledge, and sinking will be continued until good paying ore is reached. The

mine is well equipped with a fine hoist and compressor, and the outlook is very encouraging. It is sumored that work will be commenced in the Opex mine, at Mammoth, to work the Southern Eureka through the shaft of that property. Some fine ore bodies have recently been uncov-

and this is far from its ultimate capacered in the immediate vicinity of the flood copper ore has been exposed to

Conditions at the Columbus Con. view in the old Carisa tunnel by Mr. Neil Anderson, who is working the property under a lense. The strike The telephone line to Alta is open shows signs of being a permanent one.

### Loose Buys Victoria.

again and late yesterday afternoon Supt A. E. Jacobson of the Columbus Consolidated informed the local man-State Senator C. E. Loose yesterday agement that he had cut tarough sev-eral other fissure value since the part cleared up a deal with the Cannon es-tate for the purchase of about 30,000 one was reported, while driving the shares of stock in the properties of the main tunnel. The latest velus encoun, Victoria Mining company of Tintic, An tered are not so rich as the one en-countered about two weeks ago, which produced some 200 ounce ore, but the values are reported to be quite satisactive campaign of development is one of the probabilities of the near future.

anly about 30 feet more to drive the funnel before encountering the big vein of the property which has been opened Utah mine, of Fish Springs, has Esponded with two more cars of high Managr Tony Jacobion will go up to the mine the latter part of the week and expects to remain at the property until like tunnels opens into the veln today. Advices received from the mine tre to the effect that the hoisting of or-14 progressing steadily through the old shaft, pending the repair of the broken shaft of the gasoline holst at the new.

UNDER ARIZONA LAWS. The directors of the company will probably meet in a few days to post the usual dividend. Victor Con. Mining Company Absorbs

### NEW HOIST INSTALLED.

Under the laws of the territory of Plant Went Into Commission at Alta

Today. A new hoist was placed in commission at the Columbus Consolidated mine of Alta today. A white is being sunk on what is known as No. 2 fissure just off from the main tunnel where a four isset body of ore has been opened up. The new plant has been installed at this point.

this point, Daly-West Meeting Delayed.

On account of the trains being de-layed Treasurer McCornick and Assist-

the specialties failed to induce much of an outside following except in the better known stocks. Amnigamated sold up 1% to 73%. Anaconda moved violently upward 7 points. A rise of 1% in Metropolitan Street railway carried with it Brooklyn Transit and Manhattan sharp fractions. Smelting, Grass Twine and Canada Southern rose 1 to 12. Interest was largely focussed on the specialties and the standard railroad tocks were neglected and heavy in spots.

The market gave way sharply all around, carrying prices generally back-wards 1 to 1%. Net losses ran to a point or over in St. Paul, New York lentral, Erie second preferred, Sugar and General Electric. There was a loss of 3 in New York Dock and 4 in Canadian Pacific. A rise of 1¼ in Tennesse Coal caused a check to the selling else where, St. Louis & San Francisco and Pacific Mail rose a point,

Bonds were firm. Denial of the gold export rumors, which caused the forenoon decline, threw the market into dense duliness, but the undertone was slightly bet-

Tennessee coal advanced 2%, and prices were inclined to harden all around. There were some large transctions in American Locomotive at a ractional advance. Scarcely any dealngs were made in railroad stocks. Fort Worth & Denver City stamped lost 1% and General Electric 2%.
