## CHOICEST DISPLAY OF LOVELINESS

IN HEADWEAR TO BE SEEN THIS SEASON.

it a Delight and an advantage to view this splendid array of the Most Artistic Goods obtainable.

Everything of the latest and most fascinating styles in French Pattern Hats and Bonnets, direct from Paris; Hats trimmed and untrimmed; finest Flowers, Feathers, Wings, Laces, Ribbons, Novelties in Ornaments, Gems of Art of every kind, indescribable for beauty and neatness. All are of the very best—the height of fashion, and to make things balance, all at the lowest of low prices.

In trimming Hats we challenge comparison. Our Millinery department is in charge of Madame Burrows, an accomplished artist, with artists as her associate workers, and consequently all trimming is artistically done, at once becoming and economical. Ladies, call and judge for yourselves.

what you would have to pay for the same hat elsewhere.

Every Lady is Cordially Invited and will be Heartily Welcomed to the Best and Grandest Millinery Display in the State.

DURING THE SAME WEEK

We are also displaying a gorgeous exhibit in our
