OGDEN'S BIG FOUR COUNTY EXHIBIT

Promises to be Largest Fair Ever Held in Northern Utah.

WEBER ACADEMY DIRECTORS.

Efforts for the Making of a Great School—Frost Takes Tender Crops—Improve City Government.

Ogden, Sept. 26.—All eyes are now turned toward the Big Four County fair, which will be given at the International Fair grounds for four days, beginning Sept. 30, and which will undoubtedly be one of the largest and most successful fairs ever held in northern Utah.

With an expenditure of \$10,000 by the board of directors, the grounds which had practically run down to nothing, were built up until now it is the veritable "White City," which has been adorned with buildings and their decorations was observed in building and painting, and everywhere one looks the association's colors, white and green, are seen.

An exposition building and numerous buildings on a smaller scale have been built to accommodate the great number of exhibits that have been entered from the counties of Boxelder, Davis, Morgan and Weber. The exhibits in every department are under the care of a supervisor and several assistants. A special committee, composed of one director from each county and the chairman of awards will pass upon the awards.

For the amusement of the visitors and guests of the fair, races will be held every day on the track, for which more than a hundred horses have been entered from the circuits of all the intermountain states.

James Brown and a band of twenty Washakie Indians will be in attendance every day and will give waltzes, dances, horse riding and bronco busting contests each day, among the many free attractions.

The Nat Reis Carnival company will arrive in Ogden on the afternoon of the 29th and open its celebrated midway at the fair, which it has about fifty different shows and attractions. Several bands have been secured, and will be in attendance each day. Other attractions for the fair will be announced early next week.

Next Wednesday will be School Children's day, and all the public schools of the city will close so that the children to attend the opening of the fair.

ACADEMY DIRECTORATE.
Efforts for Upbuilding of State's Big Educational Institution.
Ogden, Sept. 26.—The announcement was made yesterday of the new directorate of the Weber Stake academy, which is as follows: David O. McKay, president; L. W. Shurtliff, secretary; Heber Scowcroft, secretary; John Watson, treasurer; the other members of the board being Charles F. Middleton, T. B. Evans, James Wetherston and David Eccles.

After the election of the directors the report of Principal Wilford M. McKendrick was received and endorsed in every detail. The report in part contained the names of the faculty that has been engaged for this year and the amount of salary paid to each. The new board expressed its appreciation of the work of the principal in employing the additional teachers and is very anxious to keep the school up to its usual high standard. The school at present is in the best condition it has ever been in its history and the board feels that the best possible results will be obtained this year.

It is the object of the directors to make the academy the leading church school of the state, and if the great amount of improvement continues as it has during the past year, it will not be long before the academy, in this name. The registration is much larger than last year, and the indications point to a still greater increase.

mitted was instructed to investigate the Galveston and Des Moines systems of municipal government, and make a report at the next meeting. If the league decides from the report that this system of government could be practically applied to this city, a mass meeting of Ogden citizens will be called for the purpose of holding a public discussion later on.

PROVO.

Provo, Sept. 25.—On account of the heavy rains that occurred early Thursday morning and continued throughout the day, the Provo Pressed Brick company suffered the loss of between \$700 and \$1,000 damage to the kiln of brick that was all ready to burn. The seepage of water caused the kiln to collapse.

TAYLORS' DIVORCE SUIT.

Myrtle Taylor becoming dissatisfied with married life, has filed suit in the district court for divorce against her husband, John Taylor. In the complaint the plaintiff alleges that her husband has failed to provide the necessities of life. The parties were married in Provo, April 4, 1907, and the issue of said marriage is one child, aged 5 months. Plaintiff asks for \$5 an attorney fees and \$25 per month alimony.

P. P. Hindmarsh and William K. Henry have sold their hay and grain business, together with the ground between and to William A. McCulloch & Son, who will continue the business.

The purchase price will not be made public but it reaches up into good sum.

Mr. Hindmarsh will devote most of his time to mining as he has some promising prospects up Provo canyon.

DEATH OF INFANT.

Harry, the 5-month-old son of Mr. and Mrs. R. L. Lee, died yesterday of cholera infantum at the residence of Joshua B. Hodson, from which place services were held today, Bishop Albert Manwaring officiating. The father, Mr. Lee, is at Rio Blanco, Peru, and the mother was not in attendance at the funeral of his little child.

ANDREW WATSON, JR., IS DEAD.

Mr. Andrew Watson received a telegram from Magrath, Canada, with the sad information that his only son Andrew was dead.

Andrew Watson, Jr., left Provo about 12 years ago, moving with his family to Magrath, Canada, at which place he met with such success, accumulating considerable land and cattle. He was in the prime of his life, being 45 years of age, and is survived by his wife and family.

Provo, Sept. 26.—At 8:55 last night the fire department made an exceptionally good run to the Domestic Steam laundry, from which place an alarm had been turned in, but which was found to be a false alarm.

A barn belonging to George E. Howe on Academy avenue was completely destroyed by fire in the early hours of morning; loss \$300 with no insurance.

HARVEST OF THE REAPER.

Monroe Husenbark of Collinston died yesterday.

Martha Allen, wife of Jude Allen of the North ward, died yesterday, after an illness of about six weeks. Mrs. Allen is one of the pioneers. She came across the plains with the last handcart company. Funeral services will be held in the North ward hall tomorrow afternoon.

MURRAY.

MURRAY PIONEER AT REST.

Mrs. Dougall Adamson Closes Life's Labors—Session of City Council.
Murray, Sept. 26.—Funeral services were held Wednesday at 2 o'clock from the Second ward meetinghouse over the remains of Mrs. Ann McAdamson, one of the pioneers of this place. Mrs. Adamson died Sunday of heart trouble, from which she has been a sufferer for some time.

The funeral was largely attended, and the beautiful offerings evidenced the esteem in which this good lady is held by the community. The speakers were Bishop Emil Erickson and Charles Brown, D. B. Jones, H. W. Brown and Charles Holm all lifelong acquaintances of the deceased, who could say nothing but good of her. She was a consistent and ardent church member, a kind and loving mother and a good neighbor.

The deceased was born July 26, 1834 in Barney Parish, Lanarkshire, Scotland, and came to Utah in 1853. Two years later she married Douglass Adamson, locating in Murray with three other families, the first to mark the present town. Ten children were born to this pioneer couple, nine of whom survive and still reside here.

CITY COUNCIL SESSION.

At the session of the city solons Tuesday the committee on fire department recommended the fixing up of the upper story of the fire station for the use of the firemen. Referred back to the committee on fire department for more complete details. The Miller-Caboon company asked the council to have the sprinkling tank removed from the front of its store, as it leaves a continual nuisance. The matter was referred to the street committee.

Retiring City Justice J. L. Brown submitted a report of fees collected in civil cases to date in the quarter ending Sept. 30.

Mayor Brown appointed C. H. Banks as justice of the peace of Murray, Utah, with the council's approval. City Engineer Ulmer called the council's attention to the uneven grade on Murray street. He stated at present the grade on the west end is not sufficient to drain the surface and storm water, and by compensating the east part with the west part, the matter could be adjusted. This was ordered done.

SANDERS FAMILY REUNION.

The Sanders family held their reunion Friday, Sept. 25, in the Murray First ward meetinghouse, the amusement hall being tastefully decorated for the occasion. At 7 o'clock a bounteous supper was served to about 100 guests. A show program, consisting of song and music by the grand children was given. Later in the evening, dancing was indulged in and a good time was enjoyed by all.

The attendance at school is increasing with each week, and conditions are all very favorable. The art supervisor has his work well under way, and manual training work is being taken up on Monday morning and enrolled 776 students the first day. The Democratic convention is called for Oct. 10. Primaries of both parties are being held in the various precincts in the county.

DOUBLE BEREAVEMENT.

Funeral services were held in the First ward hall Wednesday afternoon over the remains of Olivia Hansen, the daughter of Mr. and Mrs. Nels Hansen of the Second ward, who has been sick for several years. The services were in charge of Bishop Thomas H. Blackburn. The speakers were Elders Nels Peterson, Elias Jensen, H. C. Christensen, C. J. Nelson, Frank Merrill, N. J. Valentine, C. A. Kaiser and Bishop Blackburn.

This is the second daughter of Mr. Saltair open today, four trains.

PE-RU-NA RECEIVES PRAISE.

For Relieving Such Symptoms as Debility, Backache and Headache.

Mrs. Tressie Nelson, 400 N. 5th Ave., Nashville, Tenn., writes: "As Peruna has done me a world of good I feel in duty bound to tell of it, in hopes that it may meet the eye of some who has suffered as I did." "For five years I really did not know what a perfectly well day was, and if I did not have

headache, I had backache or a pain somewhere and really life was not worth the effort I made to keep going." "A good friend advised me to use Peruna and I was glad to try anything, and I am very pleased to say that six bottles made a new woman of me and I have no more pains and life looks bright again." "There are a great many phases of woman's ailments that require the assistance of the surgeon. But by far the greatest number of such cases are amenable to correct medicinal treatment. A vast multitude of women have been relieved from the ailments peculiar to their sex through the use of Peruna as prescribed by Dr. Hartman. He receives many letters from all parts of the country relating to subjects of vital interest to womankind. Of the vast multitude of women who take Peruna only a very small percentage consider it necessary to write to the doctor at all. While it is not affirmed that Peruna will relieve every case of this kind, it is certainly the part of wisdom for every woman so afflicted to give Peruna a fair trial."
