HOWELL IN THE ASCENDANCY

Gets Majority of Delegates to Republican State Convention From Weber County.

LIVELY FIGHT IN PRIMARIES.

Great Enthusiasm at Gatherings—Some Disappointments—List of Delegates From City and County.

Ogden, Sept. 15.—At the Republican primaries held last evening to elect delegates to the state convention, the greatest enthusiasm ever witnessed at such meetings in Ogden was exhibited in all the gatherings. There were two factions present at the meetings, those for Joseph Howell for congress, and an anti-Howell faction. Delegates elected to the primary were: Mr. Howell, the liveliest fight was on in the second ward precinct, where William Giamman, resident here, desired to be a delegate and had his forces at work, but the opposition won out over him, and the delegates elected were Mr. Giamman, 25, the son of a well-known Ogden family, and two others. In the fourth ward, the primary was held at the court house and there were 200 people present and in two of the other wards there was an unusually large attendance. Those opposed to the re-nomination of Mr. Howell admitted after the election that they had not succeeded in getting a majority of the delegates, and the Howell people feel confident they will be able to poll at least 45 votes from Weber county for their man. The balance of the delegation will be divided between Parley P. Christensen and Frank Fishburn. Between now and the date of the state convention to be held in Salt Lake City on the 20th, some hard work will be done by the three aspirants for nomination of the Republican ticket for congress. The delegates elected are: First Ward—Charles Layne, John Henry Wade, George Wilson, Leon Browning, Thomas Carr, George Myers. Second Ward—W. C. Howell, E. W. Kennedy, Martin Cleary, D. T. Tracy, Peter Lowe. Third Ward—James Drysdale, L. C. Jensen, O. B. Madison, B. C. Chapman, David Jensen, Albert Power. Fourth Ward—Louis H. Carver, Rudolph Kuchler, Reese Howell, Harry James, Joseph Stanford, Fred W. Chambers, B. A. Bowman, N. D. McDonald. Fifth Ward—Thomas Davis, Daniel Paul, W. J. Dalrymple, J. W. Wilcox, B. A. Myers, Fred F. Dalton. Sixth Ward—George Ritchie, Vera Orin, Al Toome, Fred E. G. Child, Jr., Barneis, F. A. Miller, Albert O. A. Penrod, Edna-Jane M. Shupe, McKay-W. G. Smith, John Cy-Thos. England, Wm. Giamman. Turnout—W. L. Stewart, Wm. Weber, Archibald McFarland and H. F. Peterson. Winner—D. R. Ellis. Pleasant View—S. P. Mathews.

ROLDUPS SHOOT COLORED MAN.

I. N. Harper Has Thrilling Experience With Footpads Who Escape.

Ogden, Sept. 15.—I. N. Harper, the colored chef at the Reed hotel, was held up last night shortly before 9 o'clock by two masked men and shot in the left arm. He did not obey their command to hold up his hands quickly enough to suit them. Harper lives at the rear of Twenty-fifth street just east of Wall avenue. He had been out to buy a watermelon and was returning home with the melon under his arm, but he had only turned east on the little dark avenue leading up to his home when the two men sprang suddenly in front of him and ordered him to hold up his hands. Harper did not understand the request of the men and they repeated the demand with more strong language and fired a shot at him. Harper started to run and a second shot struck him in the left arm. The hold-up man turned and ran to Wall avenue to his home and notified the police who quickly responded to the call, but were unable to get any trace of the men. Several cab men who were in front of the hotel saw the scene and dis-

academy has become so popular that many girls and women have applied for this course, and have been refused because of lack of room, and accommodations. Then, too, this course is offered as one of the regular courses, and if special students were permitted to register only for domestic art, the regular students would be deprived of advantages to which they are justly entitled. Steps are being taken to establish a conservatory of art, in which the faculty desires to include the art of china painting. The new building is progressing rapidly, and will no doubt be completed outside before Nov. 1.

BRIEFS AND PERSONALS.
There was no meeting of the board of education last evening, as several members of the board were busy at the primaries. James Mack, manager of the Ogden Milling and Elevator company, returned yesterday from a business trip into northern Idaho. The case of Satterfield vs. Ogden &

THE NEW MASONIC TEMPLE.

Which Will Be Dedicated in Ogden Tomorrow, With Due and Imposing Ceremony.

Excavation for the Masonic Temple was commenced April 27, 1905, and the corner stone was laid June 11, 1905. The structure was completed today and will be dedicated tomorrow at 4:30 p. m. There will be a public reception in the temple between the hours of 2 and 4 o'clock when the guests will be shown over the premises which are now being elegantly decorated with flowers, pot plants and ferns. Services will be conducted under the direction of Most Worshipful Grand Master S. W. Bardon of the Grand Lodge State of Utah. The services will last two hours. The cost of the building is said to be \$10,000. The work of construction has been under the direction of C. D. Ives, Worshipful Master Malone H. P. and Fred Voll, E. C. The architects were A. F. Parker and J. A. Smith, while the contract work was in the hands of C. J. Humphries.

Northwestern Railway company was on trial before Judge Howell in the Second district court yesterday. The federal services over the remains of Mrs. Elizabeth Thompson, wife of the late John C. Thompson of Riverdale, will be held from the Fifth ward meetinghouse Sunday afternoon at 2 o'clock. The casket will be open at the residence, Thirty-sixth street and Adams avenue, from 10 o'clock a. m. until 1 o'clock p. m.

OPENING OF WEBER ACADEMY.

Big Stake School Will Commence Season's Work Monday, Sept. 17.

Ogden, Sept. 15.—For some time past one of the busiest places in the city has been the Weber stake academy. In addition to the work going on in the erecting of the new building, calligraphers, paperhangers, painters and cornice workers have been occupied in repairing, cleaning, and renovating the present building. As a result, everything is now ready for the opening of school on Monday, Sept. 17. The first day will be registration and assignment of students, and on Tuesday, Sept. 18, formal opening exercises will be held in the assembly room, to which the public is cordially invited. The faculty of the present year is as follows: David O. McKay, principal; John G. Lind, curator; William Z. Terry, registrar and treasurer; Wilford M. McKendrick, Sylvester D. Bradford, Jennette McKay, Joseph Ballantyne, Sarah T. Evans, Daniel R. Shurtliff, Le Roy Cowles, M. Rich Porter, John McCallan, Willard Weihe, E. W. Nichols. The domestic arts department of the

B. Y. UNIVERSITY NOTES.
The Brigham Young university opened this week with bright prospects for a large attendance and a successful year's work. The enrollment this far is greater than at any time in the previous years. The new students have passed the 200 mark and the third and fourth year classes are well filled. Every department in the training school was filled early on Monday, and owing to lack of room many were referred to the evening session. The good work done in the district schools of this and surrounding counties is shown in the class of students entering the first year classes. They seem well prepared to take up the new work with energy and determination. Among the new teachers who began class work on Wednesday are Prof. Lewis A. Merrill and William H. Homer in the department of agriculture; Prof. Chester Snow, department of physical science; Prof. F. W. Kirkham, department of English; and Dr. Elmer E. Hinkley, medical department. Miss Ella Larsen, director of the training school; Miss Aretta Young of the art department, and Prof. Walter E. Cluff of the English department have returned from their study in eastern universities and began work on Wednesday. The music school is already preparing to give its usual terms of first class music. Director Moses Gudmundsen, who has charge of the orchestra, won the hearts of the students with his violin on Wednesday morning. Misses Mabel Borg and Hazel Taylor, whose talents are well known, have been engaged as instructors in instrumental and vocal music. Wilson H. Dusenberry, member of the board of trustees, Prof. Corey and Prof. Roylance of the U. of U. were among the visitors on Wednesday morning. During the day the professors visited various schools and departments in the university. Prof. Roylance expressed an agreeable surprise at the good equipment of our training school. The Sunday school work will be resumed on Sunday morning. The classes are conducted for the benefit of students who come from outside cities and towns and are not members of the ward schools in Provo. The kindergarten department has joined the normal school and is prepared to accept new students. Hereafter the graduates will receive normal kindergarten diplomas. Prof. J. E. Hickman has been granted leave of absence for this year. He will leave for study in the east in a few days. Mr. Erling Bjornson, who has been lecturing in Utah cities during the last month, paid a visit to the school on Friday morning. He spoke in his native language to the students in devotional. **DEATH OF DAVID VAN WAGENEN**
David Van Wagenen died unexpectedly at his home in the Third ward, Thursday evening, from the effects of an apoplectic stroke. The deceased was a native of New Jersey, where he was born 69 years ago. He was the son of the late John H. Van Wagenen, and with his parents, who had become converts to Mormonism, moved to Illinois, and was there when the Mormon people were driven from the state. He came to Utah with his parents in 1852, locating in Provo, and in '62 moved to Ogden, where he was located in Midway, and took a prominent part in the development of that place. He was bishop there for 17 years, and held other positions of trust and responsibility. In 1897 he returned to Provo, where several of his sons had located and engaged in business, and he has since then made his home here. He leaves a wife, six sons and four daughters, and numerous other relatives and many friends to mourn his death. **N. N. OLSON'S FUNERAL**
There was a large attendance at the funeral services over the remains of N. N. Olson, held at the Sixth ward meetinghouse yesterday. The speakers were Elders N. M. Peterson and L. P. Nelson, Wm. L. Nelson and Bishop

Reaching The Limit.

\$1 A treatment for all Catarrhal Diseases.

DRS. SHORES' SPECIAL OFFER OF \$1 A TREATMENT OR \$15 FOR A CURE FOR ALL CATARRHAL DISEASES HAS PROVEN SO POPULAR WITH THE PEOPLE AT THIS DANGEROUS SEASON OF THE YEAR WHEN CATARRH, COLDS, AND COUGHS MAY MEAN CONSUMPTION AND DEATH BEFORE SPENDING THAT DEATH-DEFERRERS HAVE APPLIED TO DR. SHORES ABOUT YOUR CASE AND BEGUN YOUR TREATMENT.

DR. A. J. SHORES.

You Cannot Be Too Careful

Do not guard too well this Catarrhal Cure that "comes like a thief in the night" and before you realize it, is sapping away the life blood of your loved ones.

CATARRH.
When a known contagious disease makes its appearance in a community the municipal authorities promptly enforce the strictest sanitary regulations, and by confining it to one place the doctor is able to check it and quickly stamp it out. But when Catarrh makes its appearance in a family the family physician, ignorantly or maliciously, advises that it is not a serious matter—"a slight cold," and the like, and that there is no danger of complications of infection, and consequently the people are misled into allowing a little thing to grow and being of their guard, we soon have thousands of infected people and the disease runs on unchecked until the whole system is a mass of corruption and poison. Thus like a tiny hole in a dam the germ starts little and insignificant at first, but gradually growing and gaining in volume until it bursts upon the startled vision like a torrent and the mischief is done. Beware of little things and the big things will take care of themselves. If you have Catarrh no matter how slightly—GET CURED NOW—DON'T ALLOW IT TO RUN ON AND RUN YOUR HEALTH—IT DON'T TAKE LONG FOR COMPLICATIONS TO ARISE.
HAY FEVER.
So many patients have applied to Dr. Shores for treatment lately who have been suffering from Hay Fever and did not know what their trouble was that Dr. Shores have decided to explain the symptoms, effects and treatment of Hay Fever, that all may tell it at a glance. In the beginning of an attack of Hay

Fever the patient experiences a sense of uneasiness about the nasal passages, with a slight disposition to sneeze. Gradually these symptoms increase and often there is an intense itching of the nasal passage, with a profuse watery discharge, which necessitates the constant use of a handkerchief. In aggravated cases the discharge drips continually from the nose, later the mucous membrane becomes so congested that the secretions present a glassy color. The inflamed mucous membrane naturally causes more or less stenosis, or narrowing or closing of the nasal passages, which adds greatly to the discomfort of the sufferer; oftentimes the nasal passages are entirely closed up.
If the patient lies on the side, the nasal passage which is uppermost becomes open, while the fluid collects in the parts below; or if the patient lies on the back the fluid comes to rest in the middle of the nasal passage, causing a complete stoppage of the nasal passages. The fluids which escape from the nose are often irritating around the opening of the nose and lip, and very frequently give rise to irritation around the opening of the nose and lip, and very frequently even result in eczema. The eyes become congested and the lips red and itching. If the disease is allowed to run, an attack of asthma often sets in. The asthmatic symptoms are usually confined to the night time, although the waking hours are often characterised by shortness of breathing, which the patient describes as wheezing.
Hay Fever is a treacherous disease, but almost every case yields to proper care and treatment. Every sufferer from this insidious and deceptive disease should consult Dr. Shores & Shores at once.

OZEANA
OR FETID, BAD SMELLING, CATARRH.
Some Information Purely and Simply for the Benefit of Suffering Humanity Given by Drs. Shores, the "People's Doctors."
Ozeana is a form or stage of Catarrh that for centuries has been the subject of much dispute, and is one of the most difficult conditions to cure. In ancient times one unfortunate enough to be a sufferer from it was excluded from the privileges of priesthood, and in more modern days it has actually been ruled sufficient ground for divorce. It is known under a host of names, such as dyscatarrh, rhinorrhoea, coryza, foetida, fetid catarrh, dry catarrh, stinging, punaise, rhinitis atrophica, rhinitis atrophica foetida, etc., and the most fitting of all appellations is perhaps the ancient one, ozeana, which, in Greek, signifies a stench, and applied, means bad-smelling Catarrh.
It occurs in all diseases of the mucous membrane of the nose where there is any alteration and catarrh and treatment is not used to keep the mucous lining of the throat and nose clean and healthy. While it is not necessary that every case of simple catarrh should result in this horrible condition, it is an absolute fact that common or "stinking catarrh" is always the source or origin of neglected or what amounts to the same, badly treated simple catarrh.

WE TREAT AND CURE.

Catarrh and Stomach Troubles, Nervous Diseases, Kidney Diseases, Bladder Troubles, Heart Diseases, Diseases of Stomach and Bowel, Piles, Fistula and Rectal Diseases, Smallpox, Measles, Whooping Cough, Asthma, Bronchitis and Lung Troubles, Consumption in the First Stages, Rheumatism, Hay Fever, Neuralgia, Hysteria, Eye and Ear Diseases, Gout or Big Toes, La Grippe, Lost Manhood, Etc., Blood Diseases, Special Diseases, Scrofula and all forms of Nervous and Chronic Diseases (that are curable). CONSULTATION FREE. CALL OR WRITE.

HOME TREATMENT.

To properly administer this new catarrhal treatment at home, Dr. Shores have secured two kinds of instruments for use of their patients who cannot call at the office. One for cleansing and removing the membrane and debris, and one for administering the curative oils direct to the diseased membrane. These two instruments are given FREE with each full course of treatment, and the entire course, including instruments and medicines to complete a cure is \$15 only. Remember, it does not mean \$15 a month, but \$15 for a cure. There is no more "treatment by the month" for catarrh, since this new discovery cures quickly and surely.

WEAK MEN PAY WHEN CURED.

Contracted Disorders.
Be sure your cure is thorough. Not one of our patients has ever had a relapse after being discharged as cured, and we cure in less time than the ordinary forms of treatment require.
Specific Blood Poison.
No dangerous minerals to drive the virus to the interior, but harmless, blood-cleansing remedy, that is, the last poison taint.
What "Weakness" is and How We Cure it.
So-called "Weakness" in men is merely a symptom of chronic inflammation in the prostate gland, brought on by early discharges or by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to the normal state, and this we accomplish promptly and completely without the use of internal remedies. Our treatment is a local one entirely. It is original and scientific, and has been proven absolutely effective by thousands of tests. We are convinced that by our treatment can full and permanent restoration of strength and vigor be accomplished.
VARICOCELES.
Absolutely painless treatment that cures completely. Investigate our Method. It is the only thoroughly scientific treatment for this disease being employed.
Spermatorrhoea.
Stricture, Piles, Skin and Kidney Diseases, etc., are also among the diseases we cure to stay cured.

THE LATE CHARLES O. CARD.

FUNERAL OF CHARLES O. CARD

Economies of an Honored and Well Spent Life.

Logan, Cache Co., Sept. 14.—Impressive funeral services were held over the remains of President Charles O. Card at 2 o'clock this afternoon in the Logan tabernacle, which was tastefully draped in white. There was a large attendance of old time friends and associates of the deceased, from far and near, who met to pay a tribute of respect to one of God's noblemen. The pallbearers were old associates of the departed. Bishop Anthon Anderson of the Second ward conducted the services; the tabernacle choir furnished sweet and appropriate music and M. J. Ballard rendered a beautiful solo, "I Know that My Redeemer lives." President Isaac Smith was the first speaker. He spoke of his long association with President Card in church and other affairs, and testified to his sterling worth, honesty and integrity throughout life. President William Budge, Elder Charles H. Hart of the First council of seventies and Bishop Anderson spoke in like manner and offered words of comfort to the sorrowing family, who were urged to follow the noble example given them by their illustrious father. The numerous floral tributes, large attendance and lengthy cortege which followed his remains to the grave bore witness to the love and esteem in which President Card was held in the community.
