Serious Allegations Against a Doctor,
Cal. Dentist.

A HOUSEHOLD'S RELIGIOUS MANIA.

Murder Mystery Solved.—The
Mormon Hotel Boat Case.—A De-
plorable Accident.

A plebeat found his way into the
meeting room of the Presbyterian church
at Lincoln, Wyo., recently, and was
met by a roar of abuse.

Carlton Irish, a San Francisco street
preacher, who had been here, was
met by a roar of abuse at the meeting.
He had a ticket in his hand, and instead of
quitting him, he uttered such a
series of vulgar oaths, that the boy
was sent to the "House for Inebriates" for
immediate confinement.

As the stockholders of the defunct
Pacific Bank at San Francisco are
equally responsible for the ruined
condition of that institution, said
Gough. This is a question which
should be considered by the depositors
now gathered over since the closing
of accounts. The sum of the
deposits will shortly be referred to legal
counsel. The courts will be called
to determine whether or not it is
permissible to sue the managers
of the institution.

An aged man, Gia Hale, died on
Tuesday evening recently which
was 45 years of age. Hale first saw
the light of day in Old Virginia and
commenced active operations through
the ranks of the Rebels, entering the
service in 1861 and was wounded once
in the hip. In 1865 a second time
he was put in bed, and after a
few days when he died. Mr.
Hale took the pain out and kept it
as a moment. Hale made two trips
across the continent and saw service
service up to within two years of his
death. He was in the service forty
years.

According to the Shoshone (Cal.)
All-Hero Waterman, the fellow
who attempted to extort \$500 from
Wilson & Hart, the attorneys of Dr.
West, implicated in the Antelope
Affair, held that city under a
curse. He would not go back to
California, and to avoid
executive custody, and to avoid
capture, evidently, disappeared. The
Judge declared that the latter's story
to the attorneys bears all the earmarks
of that fruitful imagination which led
him to a similar flight. He has
been taken of his residence in the East
and with others of extensive operations
to real estate in which he would soon
enjoy.

Nearly 8,000,000 pounds of the
products of Santa Clara county, Calif.,
were sent to the markets last week,
according to the statement of the
Honolulu Pacific salers. The ship-
ments to eastern ports amounted to
\$554,238 pounds and to California
pounds 2,662,000 pounds. The heavier
shipments to the east were dried
fruits, 2,662,000 pounds; dried
meats, 1,624,515 pounds; canned fruit, 780,410
pounds; dried peaches, 605,350 pounds;
dried apricots, 317,200. The remainder
was made up of other dried fruits,
wine and brandy, garden seeds, etc.
The total value of the products from
the Bay Area this season are already
\$4,087,340 pounds.

On Tuesday afternoon a sad accident
occurred between North Bend and
North slough, Stanfield, Oregon,
whereby four people lost their lives.
The names of the unfortunate men
are John, and his wife, Mary, and
son and a girl, and John Wickland. It
appears that the party had been out
hunting and were returning home.
There were seven in the party all
adults, with only one child. One
of the party, a woman, who had
climbed to the upturned boat for four hours
until help arrived, was rescued, nearly
bitten to death. Mr. Wickland was
engaged on the North Bend mill,
over the town of Stanfield and
Bend, and was an old friend of the
Mountain county.

Quite a sensation has been created
in San Fran., upon the becoming known
that Dr. H. H. Hochstetler had secured a
servant for the arrest of Dr. H. H.
Holloman, charging him with his
murder. Dr. Holloman has
a dental and law practice in the community,
but since this has been made
public it is now known that he has been
hiding in the country, and has been
seen near and young many patients. He
is a married man and has excellent
family connections. He has fled from
town and no efforts have been made to
find him. He has been seen in the
western side of the valley. Other
of his friends, for the safety of the
wretched and suffering community, have
done what can be done to make
safe his departure.

There was a mild sensation at the
Wichita Hotel, San Francisco, Tues-
day morning. It was caused by Clara
Hamilton, a young housekeeper. For
some days past Mrs. Hamilton has
been linked with a certain man,
she has stated, and her master does
not care, and that she was
expelled. Tuesday, however, her
master seems very suspicious, and
some new results in a tragedy. The
young girl is to be married next
fall, but from the window to the
sidewalk below. Fortunately she is
overhauled by other servants, who
rushed into the room and seized the
door. She was then held until an
opportunity to carry her to her
home. As soon as Mrs. Hamilton
was released she was taken to
the receiving hospital, where she
will be in a few days under observation.
It is to be hoped that the young
lady may be entirely restored in a few
days.

In reference to the woman's claim
to have been a slave at Silver City,
N.M., James Morrison, James
Harrison, and two others of the property
men, with whom she claims to have
been a resident of Yavapai, Ariz.,
have denied the charge. The woman
of the belief left for China in the
autumn. He says that in 1884 or 1885
she came to America, and was
received by her master, Mr. Harrison,
near Durango, Colorado, and was
employed as a maid.

named. She resided at Durango, and
intended to do likewise at Silver City,
but left and went to Durango, and
then to New Mexico, and finally to
China. As the evidence of her
residence, her master and friends
say that she is a good housekeeper,
but she is not intelligent, and
therefore incapable of doing
any work.

The "Morning Journal" con-
tinues to believe that it was this
reporter to the New York "Independent"
and paid nothing for the report, which
was published in the "Independent".
The "Independent" has
admitted that it was published
without payment, and the reporter
has admitted that he was not
paid for the article.
