KRUGHAT

THE GENUINE

Turkish Bath Compound

Used in all Oriental countries, in the bath and manufactured by us on a license and fully, in exact style, odor and quality, from the original recipe, as that made in Constantinople, and import duties, premium on gold, saved, thus enabling us to sell it at a very low price. By its use a bath becomes inducing a cure. Very highly scented, and producing a tonic effect upon the skin. It is well worth a trial.
