GREAT CENTRAL ROUTE

The Blue Line Established January 1, 1867, for the carriage

This Line is owned and operated by the Michigan Central; I linois Central; Chicago, Burlington and Quincy; Chicago and Alton; Great Western of Carada; New York Central; Hudson River; Boston and Albany; Providence and Worcester; Worcester and Nashua; Housatonic, and Jackson, Lansing and Saginaw Railroads,

THE "BLUE LINE"

is the only route that offers to shippers of freight the advantage of an unbroken guage of track from Chicago and the Missis-

ippi river to the Seaboard, and is of the SAME GUAGE AS THE UNION PACIFIC, over which these cars will run on completion of that road,

ATE ALL OF UNIFORM BUILD, thus largely essening the chances of delay from the use of ars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public. The facilities of the Line for making uniformly quick time are unequalled.

All claims promptly settled on their WESTERN Freight contracts given at the offices of the Companies in New York, Boston, &c.
