At a meeting of the chamber of commerce held last evening resolutions were accepted commending the city council for the action taken Monday night relative to the purchasing of the Ogden waterworks system. Steps will be taken by the chamber of commerce urging the government to establish the same kind of an entrance on the east side of the Federal build-ing as is on the south side. The con-tention is that the east side should have the same kind of an entrance as the south side on account of the im-portance of Grant avenue. The sprinkling of the streets of Og-den by districts in the same manner as the sidewalk districts are established, was discussed at some length and re-commendations will probably be made to the council at an early session.
