Cures Asthma

Do you know what it is to have the asthma? Or have you ever seen one suffer with it? The hard struggle for air, the spasmodic breathing, the

nights spent in the chair, all tell a story of terrible suffering.

Three sizes : 25c., 50c., \$1.00.

And that, if they do so, practically all of the old miners, many of whom have their families at Scotleid and Winter Quar-ters, will go to work. The strike is considered Ill-advised by them, and many of the leaders in the strike move-ment have left the camp and are still leaving.

Special Correspondence.

Provo, Utah Co., Jan. 19.-At the meeting of beet growers last evening, a letter was read from Manager Cutler of the Utah Sugar company, stat-ing that the company had decided not to require any bonus from the beet growers for the erection of a crushing growers for the erection of a crossing station, as previously announced in the "News," but that all who would be re-quired would be to fulfil the obligation in regard to sufficient acreage to war-rant the building of such a plant, and to secure to the company the necessary water to run it.

water to run it. The letter encouraged the beet grow-ers to try to secure the promise of suf-ficient acreage, and to that end the committee appointed for that purpose will make a further canvass of the

John Johnson, L. L. Bunnell and Tuneral services over the committee to visit Vineyard for the A monumber appears in that district for the crushing station. RELIEF CORPS INSTALLATION. The following officers of the W. T. Sherman Relief corps, No. 5, were in-stalled last evening, Mrs. Short of Salt Lake acting as the installing officer. President Mrs. John Warwick, senier Horace Gower, a young man of 35 years. Brother Gower has been in poor health for a numer of years, being troubled with acute rheumatism and heart dsease. The deceased was and heart dscase. The deceased was held in high esteem by our citizens as was demonstrated in the darge at-lendance at the funeral services as well as the long cortege that followed his remains to their last resting place. SCHOOLS IN FULL RUNNING ORDER.

District school opened on the 14th with almost a full attendance, no special conditions being required for the admittance of pupils, our health board and school trustees seem to work in harmony thus far, and no conflict has arisen between them. Our school buildings received a thorough disin-fection as well as cleaning during the holiday vacations and we are in hepes that by due caution our public achool will not be interfered with.

that by due caution our public school will not be interfered with. Last evening a well attended meeting of the citizens and taxpayers met in the ward hall for the purpose of con-sidering the advisability of putting in a water system. After considerable talk it was decided not to try to put the same in at present as the cost was something over \$50,000, this being con-sidered too much of a laxary. The equitable distribution of the vari-ous water rights is receiving sansider-able attention just at present, and every effort is being made to settle up the matter as much as possible before

the matter as much as possible before going into the courts. Rusiness is somewhat dull as is usually the case after the holidays, and many able bodied men are seeking employment, and the general cry is to give us something to do to earn a livelihood for ur familes.

The weather is remarkably fine for this time of the year and outdoor work has been going on all winter.

SANTAQUIN.

Educational Lecture by Prof. Brimhall Followed by Banquet. Special Correspondence.

Santaquin, Utah County, Jan. 18 .-Santaquin, Utan County, Jan. 18.-Last evening and all of yesterday forms an epoch in the educational advance-ment of Santaquin. Trustees, teachers pupils and patronswere engaged a goodbupits and patronswere engaged a good-ly part of the day in making prepara-tions for the evenng. Prof. Olsen and choir of 54 voices had also been tun-ing to add melody and eloquence. At the Relief Society hall were a number of young ladies and gentlemen of the contrast class comparing a banance fit century class preparing a banquet fit for a kng. At 7:30 p. m. the new Lat-ter-day Sants' meeting house was filled and a preliminary program was ren-dered. After which Prof. George H. Brimhall of the B. Y. Academy of Provo delivered a masteriy address. His theme was the elevation of the masses into the realms of pure morality and into the realms of pure morality and stong, alert intellectuality through the systematic training of the home, the school and society. He laid very heavy stress on the importance of heart cul-ture, and showed the evil effects of a one-sided development. After the meeting a grand banquet was given in honor of Prof. Brimbhall by mem-bers of the advanced grades and citi-zens. zens.

Demise of Edward Winthworth-Remains Will be Shipped to lowa.

Gower - Schools Well Attended. Special Correspondence.

Park City, Jan. 18 .- Edward Winth-Park City, Jan. 18,—Edward Winth-worth, a young man 19 years old, died here iast night at 7 o'clock of pneu-monia. His home was in Iowa: he came to Park City two years ago. He has worked in the Ontario mine ever since he came here. He leaves a large number of relatives here to mourn his demise. His body will be shipped to Low. Cedar City, Iron County, Jan. 16 .--A light fall of snow was halled with grafitude last week and indications are that the beautiful fell more exten-sively in the mountains. Thus far during the winter we have hardly had sufficient moisture to lay the dust upon Notwithstanding the percaution taken Towo. The weather is again beautiful but very cold. Sleighing is better now than it has been for two years. Ore was struck on the L300 level in by our health board we have one fam-ly quarantined with the smallpox, the disease was introduced here by a citizen of Kanarra who had for some time been laboring in Mercur, on his return home he was feeling unwell and stayed here for the night with some friends the Silver King mine.
