inventions, assignments, interests,
and all other matters relating to
patents that have been
REJECTED
See, we can make our models, and
secure patents more promptly and with
greater certainty than those who are remote
from Washington.

INVENTORS send us a model or
sketch of your device,
and we will make a model of it, and
advise you as to its patentability. All cor-
respondence strictly confidential. No charge
unless successful. Send us the name of your
inventor, and we will send you a copy of
our book, "How to Obtain a Patent," free of
charge.

We refer to officials in the Patent Office,
and to inventors in every State in the
Union.
