SPECIAL TO THE DESERET NEWS.] Telegraph.

CONCRESSIONAL.

SENATE.

Postal Cable Scheme, etc.

Ramsey reported a bill to establish a trans-atlantic postal telegraph; mea-sages to be transmitted by American cable to Belgium, on which the rates shall not exceed five dollars, gold, for ten words, and thirty cents for addi-tional words. Special rates to be es-tablished for press warperts. tablished for press reports. The Post Office Department to receive a per centage of the receipts on business sent

through its agency over the cables.

Morrill, of Maine, from the committee of conference on the Indian appro-priation bill, reported that the committhe flat denial of the House, of the authority of the Senate to make treaty stipulations with the Indians, which will bind the House. A new committhe post office appropriation bill.

The Senate refused to adjourn over Monday. The report of the committee of conand copyright laws was adopted.

HOUSE.

laws was discussed at length.

Bill relating to disposal of public land in the Territories, etc.

Bills were passed forbidding the conveyance of Indian reservations, by treaty, to any other grantee than the United States; protecting settlers on the U.S. lands in the benefits of the pre-Nevada, Nebraska, Colorado, Kansas,

Nevada, Nebraska, Colorado, Kansas, Arkansas and Utah, excepting under the pre-emption and homestead laws; and forfeiting to the United States the lands of the Opelousas railroad.

Julian reported a bill to confirm to Julian reported as a intervals during the past two weeks. The crops, at one time regarded as a miticipates an immediate Indian war, which will result in the extermination of the race.

A coroner's inquest has developed the fact that Mrs. Walters, the notorious baby farmer, has been guilty of poisoning and strangling several infants left in her charge. fore it was surveyed or opened to settlement. Randall expressed an idea that in the case of the squatters or pre-emptionists, who had improved their claims, it would be far better to commoth lager beer garden or distillery; or to lay out bridle paths and cow yards, which would be a blotch on the locality which it was desired to preserve. The bill was finally, on motion of Bandall, laid on the table, yeas 105, mays 61.

The Wood screw patent extension bill was passed, 77 to 48.

The conference report on the patent and copyright bill was agreed to.

A conference report was made on the

A conference report was made on the

Indian appropriation bill and a new committee appointed. The Louisiana contested case of Dar-

rel against Bailey was decided in favor of Darrel, but a motion to reconsider

NEW YORK.

New Judges- Not identified -- Troops to be placed along Pacific Rathrord-Mininterial changes in Britain.

NEW YORK .- Chief Justice Daley, in the court of common pleas, yesterday administered the oath of office to three Wheeler & Wilson sewing machines, additional judges of that court, whose election was provided for by the recent amendment to the State Constitution. The new judges are Hamilton W. Robinson, Richard L. Larrimore and Joseph

The female oferk and colored messenger, who were sent here by Treasur-er Spinner to indentify the man that Monrues, another freman, was injured. \$20,000 from the Treasury Department, several days since, were unable to identify the prisoner.

General Sherman having received official news, from Gen. Sheridan, of the appearance of Arrapahoes and Sloux along the Pacific Railroad, beyond Fort Sanders, has replied and strung the line of the road, as much as possible in that quarter, with Infantry, and to so dispose of the cavalry that they will be on hand and ready. The fourteenth on hand and ready. The fourteenth infantry can be transferred to General Augur. Sheridan has also notified Sherman of the receipt of information from the Vice Consul at Pembina, relative to a movement of hostile Sioux from the Winnepeg country in the direction of Benton. All the friendly Indians have been driven in by these Indians and was particular trembina, reinstruction. Paris.—The Figure was, to-day, professional forms and Earl Clarenden.

Washburne has left Paris for a Gerdinan and was particular trembina, reinstruction of the Emperor and Earl Clarenden.

Washburne has left Paris for a Gerdinan and was particular trembina, reinstruction of the Emperor and Earl Clarenden. dians and war parties of Arapahoes and Yancton Sioux, and in consequence thereof an attack on small parties of The Bishop of Paris has returned white men is already reported. All the available military in Washington and vicinity were, this evening, distilf, to whom the matter was referred, patched to Gen. Sheridan.

Dispatches state that Earl Granville has been nominated for the foreign department; Earl Kimberly to that of the Subject. Colonies.

ILLINOIS.

tracts by which gangs of them are im-

General Sherman has received a report from General Sheridan, giving an account of his recent trip through the Indian country. He states that the military posts are very weak, poorly garrisoned and not strong enough to quell an Indian war.

VIRCINIA. Horrible Beath.

RICHMOND, 2 .- The scene at the execution of Louis Kennedy, the negro who ravished and murdered Mrs. Stew-art, and afterwards killed John Baker, her farm manager, at New Kent Court House yesterday, was horrible; one rope broke twice, and the miscreant died after a prolonged struggle.

COLORADO.

Showers-Celebration of the Fourth.

DENVER, 2.—A letter from Santa Fe, New Mexico, to the Daily Post, from Grant county, N. M., says the new sil-ver mines are located about 5,000 feet above the level of the sea. There is a population at Raiston, the new village, official demonstration will be made toof about two hundred; this is about day, in honor of the event. ference on the bill to amend the patent Two hundred and eighty-five ledges The bill to amend the naturalization miles of claims are located. Many of them, not being made in conformity with the Territorial laws, are being thrown out, but they are relocated about as fast as they are open. A muni-cipal government has been formed, and about as fast as they are open. A municipal government has been formed, and a recorder elected. There is no doubt start on their ocean race at two o'clock of the immense wealth of a great many next Monday afternoon. A large fleet of the claims. A canal and railway of steamers and sailing yachts will be company, with a capital of a million dollars, has been formed to take ove to the mills at the river, and carry the LIVERPOOL.—By statistics published be a security to pioneer settlers and ports; nine-tenths of them went to New travelers. emption or homestead laws; preventing further sale of public lands in Dakota, Nebraska, Colorado, Kansas, Indian country, and the settlement will month of June, for various American

of July as usual. Motley, the American minister, has

made arrangement to be at the Banquet PLOWS, at Manchester. The Examiner applauds the idea of an American monument to Dickens, but assumes that the project will be dismissed when Dickens' objections to

any such honor are fully known. The clothiers of Cork are still importing general operatives to take the place of the strikes, and fears are felt of renewed disorders.

The roof of Fawcett's foundry, at Liverpool, fell to-day; one workman was killed and several seriously in-

The funeral of Earl Clarendon occured to-day.

> WEST INDIES. Abolition approved.

HAVANA.—A meeting of the planters and wealthy slave owners last night, approved the abolition of slavery, but they desire to be consulted as to the manner to enforce the law, to prevent the negroes becoming vagrants. The slaves will remain with their present masters under contract, and will receive pay as other freedmen.

There is about the usual number of cholers cases daily. There were seven deaths yesterday. There is no perceptible increase in deaths from the vomit. The small pox is quite prevalent.
