Long Hair

Ayer's Hair Vigor doesn't make every one's hair grow to a remarkable length. But it does sometimes produce the most marvelous results. This is because it is a hair-food. It feeds the hair, nourishes it; hence stops falling of the hair and always restores color to gray hair.

"Ayer's Hair Vigor stopped my hair from falling and made it grow, until now it is 45 inches long."

Principles of pedagogy were advanced, and the instruction in preparing and conducting the class exercises; the necessity of thorough preparation on the part of those who are to take an active part was fully explained. Bryant Hinkley of the general board was present and offered many suggestions of a practical nature. He further explained the mission of the Era.

CO-OP STORE BURGLARIZED.

The Third Time in Three Years—No Clue to Culprits.

Special Correspondence.

Centerville, Davis County, Sept. 18.—The Centerville branch of the C. H. Rampton, was entered sometime last night by hold burglars, who stole a lot of shoes, hats, gloves, cutlery and case goods. They also broke open the money drawers of the cashiers, and stole some loose change amounting to but a small sum.

The burglary was rather daring, as the entry was effected by breaking one of the large front windows and entering through the aperture thus made. No clue seems to have been discovered as to the perpetrators of the crime, but the sheriff and deputies are running the matter down. This is the third burglary this place has suffered within the last three years.

Sid Darling, 1012 Howard street, Port Huron, Mich., writes: "I have tried many pills and laxatives but DeWitt's Little Early Risers are the best. I have never gripped. F. C. Schramm, Prescription Druggist, McCormick building, corner Main and First South streets."

Many physicians are now prescribing Kodol Dyspepsia Cure regularly, having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to build up the system, and it is also the best food and it therefore cures indigestion and dyspepsia, no matter what its cause. F. C. Schramm, Prescription Druggist, McCormick building, corner Main and First South streets.

Take life as it comes, and make the most of all circumstances, but for a bad cough or cold, take BALLARD'S HOREHOUND SYRUP, the best remedy for quick relief and sure cure. Price, 25 and 50 cents. Z. C. M. I.

Importation of Fine Blooded Stock by Mayor Seely.

Mount Pleasant, Sanpete Co., Sept. 11.—Mayor Seely arrived home Friday morning from his trip to the east, bringing a carload of thoroughbred or graded sheep, hares, bulls, hogs, Belgian hares and Maltese cats. The trip was made without accident or special incident, all the animals getting through safely. They will prove a valuable addition to Mr. Seely's already well-stocked farm. The sheep and hares are from the bunch which lately arrived in Ohio from Europe, who made the trip over for the purpose of getting them.

Every animal in the bunch is thoroughbred or graded and the lot taken together, is one of the most noted ever brought into the country. There were nine sheep, the lot, five hares and four rams, all Rambouillet, imported directly from France for Mr. Seely, four of the ewes having come from the celebrated French government flock, prize ram of the bunch cost \$500; the others brought \$200. The ewes cost \$75 each. One ram and one of the ewes are famous prize winners of France. There were three pigs, one male and two female, coming from Ohio and Missouri. They

Discovery of a Leading Physician—Public Test Will Be Made Tomorrow in Salt Lake Store.

All day tomorrow free sample packages of the celebrated "Schiffmann's Asthma Cure" will be given away at F. C. Schramm's Drug Store, Corner Main and First South Sts.

The doctor wants every sufferer from Asthma, Hay Fever or Bronchitis in this city to call and get one. When asked to explain the reasons for giving his remedy away in this manner, he said: "People are naturally skeptical about an asthma remedy, and when you consider the number of so-called 'cures' on the market you can hardly blame them. Now I claim to be giving it away. It will instantly relieve the most violent attack. It has permanently cured thousands who had been considered incurable. If I did not believe in it, I would not be giving it away." The sufferer who gets a sample package can tell in two minutes whether it is as I represent it, and it does not cost him a cent. That is fair, isn't it?"

It certainly does not look as if anything could be fairer. Those living out of town can get a free sample by writing and enclosing a 3c stamp to Dr. R. Schiffmann, 37 E. Third Street, St. Paul, Minn., up to Sept. 23rd; not later.

HOOPER, SECRETARY: Mary A. Farrell, assistant secretary; Sigvald Jensen, chorister; Harry Perry, organist.

Y. M. M. I. Association—President, George C. Swan; Peter M. Hixson and Joseph McDonald, counselors; Virgil Field, secretary; Alvin Jensen, treasurer; William E. Potts; instructors, Thomas G. Schriat, J. J. Howarth.

Ward chorister, Edward Strommen. James R. Glade was set apart as president of the Third ward of El Paso, with George C. Swan and Hyrum Homer as counselors.

Three meetings were held during the day and evening, and a joyful time was had. The ladies served at the meeting house who were treated in a most hospitable manner. While the lunch was being served, between the afternoon and evening meetings, Bishop Frederick Rasmussen, in behalf of the members of the City ward, presented President Thomas L. Allen with watch chain and fob ring, and Sister Allen with a brooch, in a nice speech, as a token of respect and esteem.

Brother Allen presided over the ward for a number of years and had now been called to another labor, they desired to show him the love and respect they had for him. Brother Allen responded in a very feeling speech. The Stake presidency and Stake officers all visited the Silver King mine on Monday and were shown through the mine by the kindness of Mr. Tallou, after which they were all invited to the boarding house and partook of an elegant dinner, which was heartily enjoyed by all. After dinner they were shown through the sampler and the mill, and a most enjoyable day was spent by all.

The day was spent in a most enjoyable manner, and the members of the ward were treated most royally.

B. W. Pursell, Kinterville, Pa., says he suffered 25 years with piles and hemorrhoids, but after using DeWitt's Witch Hazel Salve effected a permanent cure. Counterfeits are worthless. F. C. Schramm, Prescription Druggist, McCormick building, corner Main and First South streets.
