**Ayer's Cherry Pectoral,**

For Diseases of the Throat and Lungs,  
 such as Coughs, Colds, Whooping  
 Cough, Bronchitis, Asthma,  
 and Consumption.

Probably never before in the whole history of  
 medicine, has anything won so widely and so deeply  
 upon the confidence of mankind, as this excellent  
 remedy for pulmonary complaints. Through a long  
 series of years, and among most of the races of  
 men it has risen higher and higher in their estima-  
 tion, as it has become better known. Its uniform  
 character and power to cure the various affections  
 of the lungs and throat, have made it known as a re-  
 liable protector against them. While adapted to  
 milder forms of disease and to young children, it is  
 at the same time the most effectual remedy that can  
 be given for incipient consumption, and the dan-  
 gerous affections of the throat and lungs. As a pro-  
 vision against sudden attacks of Croup, it should  
 be kept on hand in every family, and indeed as all  
 are sometimes subject to colds and coughs, all  
 should be provided with this antidote for them.

Although settled Consumption is thought in-  
 curable, still great numbers of cases where the dis-  
 ease seemed settled, have been completely cured,  
 and the patient restored to sound health by the  
**Cherry Pectoral.** So complete is its mastery  
 over the disorders of the Lungs and Throat, that  
 the most obstinate of them yield to it. When noth-  
 ing else could reach them, under the **Cherry Pecto-  
 ral** they subside and disappear.

Singers and Public Speakers find great pro-  
 tection from it.

Asthma is always relieved and often wholly  
 cured by it.

Bronchitis is generally cured by taking the  
**Cherry Pectoral** in small and frequent doses.

For a Cough and Cold, no better remedy can  
 be had. Take small doses three times a day and  
 put the feet in warm water at night, until the  
 disease is broken up.

For Influenza, when it affects the throat or  
 lungs, take the same course.

For Whooping Cough, give small doses three  
 or four times a day.

For Croup, give large and frequent doses until  
 the disease is overcome.

No family should be without the **Cherry Pecto-  
 ral** on hand to protect them, in case of attack,  
 from the above complaints. Its timely use often  
 spares the patient a great amount of suffering and  
 risk, which he would incur by waiting until he  
 could get other aid. Parents, keep it in your houses  
 for the exigencies that arise. Lives dear to you  
 may be saved by it.

So generally are its virtues known, that we need  
 not publish certificates of them here, or do more  
 than assure the public that the best qualities it ever  
 possessed are strictly maintained.

**Sewing Machine!**

In point of labor there is the same dif-  
 ference between thrashing with a flail,  
 or using a Thrashing Machine, that there  
 is between sewing by hand or using a  
 good Sewing Machine.

We have just received a con-  
 signment of forty Machines  
 and can now offer an as-  
 sortment of all the vari-  
 ous styles manufactur-  
 ed by the Florence  
 Company.

PARTIES INTENDING TO PURCHASE SHOULD  
 MAKE THEIR SELECTION EARLY.  
 CHAS. S. HAMMER, General Agent.

The Florence Sewing Machine has no fancy  
 combinations or other complicated attach-  
 ments; it has no uncertain wire coils or wire  
 levers. Its manufacture is conducted by a  
 thoroughly RESPONSIBLE COMPANY,  
 and in purchasing a machine you need have no  
 fear of ever being unable to purchase needles  
 and other findings. The Florence is the ONLY  
 COMPANY that keeps its machines in repair  
 free of charge, no matter when sold or where.  
 It is our ambition to have every Florence Ma-  
 chine give entire satisfaction.

The Florence lays no claim to cheapness, we  
 aim at perfect finish; every machine goes  
 through the company's adjusting room, and  
 must then pass the Inspector's office, before  
 going out to Agents; the least inaccuracy will  
 condemn it.

They are probably the highest priced Machine  
 in the American market, and being built of  
**HARDENED STEEL BY SKILLED  
 WORKMEN,** aided by all the appliances that  
 capital can bring to bear, it is offered at a price  
 commensurate with the value of the article, and  
 can be brought into about as honest compari-  
 son, with its numerous **CAST IRON** competi-  
 tors, as a watch from Jergenson or Jacot may  
 be compared with the Nickel or Oroide offer-  
 ings of a Chatham Street Mock Auctioneer.

It is a growing knowledge of these facts that  
 has gained favor so steadily for the Florence  
 Machines, and made them the Universal favor-  
 ites, wherever prejudice is laid aside and honest  
 comparison made.

That very excellent authority the American  
 Institute, New York, awarded the **FIRST PRE-  
 MIUM** to the **FLORENCE** over Thirteen  
 Competitors, and in their report the commit-  
 tee very tersely remarked, "This is better  
 than any of its class known to the  
 Judges."

It may be proper to remark here that the  
 Florence Machine of the present manufacture  
 is vastly improved, and the first of these Im-  
 proved Machines ever offered in Utah are those  
 sold at the Branch Office at Salt Lake.
